EXHIBIT A - CONFIRMATION ORDER

MASTER TRUST INDENTURE

THIS MASTER TRUST INDENTURE, dated as of February 12, 2019, by and between **PUERTO RICO SALES TAX FINANCING CORPORATION**, a public corporation and instrumentality of the Commonwealth of Puerto Rico, constituting a corporate and political entity independent and separate from the Commonwealth of Puerto Rico (together with any successors thereto, the “**Corporation**”), and **THE BANK OF NEW YORK MELLON**, as trustee (the “**Trustee**”).

The Corporation recites and represents to the Trustee for the benefit of the Bondholders that it has authorized this Indenture.

R E C I T A L S

On June 30, 2016, the United States of America enacted the Puerto Rico Oversight, Management and Economic Stability Act, Pub. L. No. 114–187, 130 Stat. 549 (2016), 48 U.S.C. 2101 et. seq. (“**PROMESA**”); pursuant to section 4 of PROMESA, the provisions thereof prevail over any general or specific provisions of territory law, State law, or regulation that is inconsistent therewith.

On May 3, 2017 and May 5, 2017, respectively, the Financial Oversight and Management Board (together with any successors thereto, the “**Oversight Board**”), established by the United States of America pursuant to section 101(b) of PROMESA, filed petitions for relief for the Commonwealth of Puerto Rico and the Corporation pursuant to section 304(a) of PROMESA in the United States District Court for the District of Puerto Rico (the “**Title III Court**”), commencing debt adjustment cases under title III of PROMESA (the “**Title III Cases**”).

Pursuant to section 306(b) of PROMESA, upon commencement of the Title III Cases, the Title III Court exercises exclusive jurisdiction over all property of the Commonwealth of Puerto Rico and the Corporation, wherever located.

By entry of the order attached hereto as Exhibit A (as amended or modified, the “**Confirmation Order**”), the Title III Court confirmed the Corporation’s Plan of Adjustment (as defined below), the material components of which were the quieting of title to certain sales and use tax revenues pursuant to the final settlement between the Corporation and the Commonwealth of Puerto Rico (the “**Settlement**”) and the restructuring of all claims against the Corporation and the Commonwealth of Puerto Rico relating to pre-existing indebtedness of the Corporation through, among other things, the issuance of Bonds (as defined below) pursuant to this Indenture.

On October 19, 2018, the Corporation and the Commonwealth of Puerto Rico entered into an agreement embodying the Settlement (the “**Settlement Agreement**”); contemporaneously with entry of the Confirmation Order, the Title III Court entered an order approving the Settlement in the Title III Case of the Commonwealth of Puerto Rico.

On November 15, 2018, in furtherance of the Settlement, the Commonwealth (as defined below) enacted Act 241-2018, amending Act 91-2006 (collectively, as so amended by Act 241-2018, the “**Act**”), which originally created the Corporation.

Pursuant to PROMESA, and in accordance with the Confirmation Order, the Settlement, the Plan of Adjustment, and the Act, the Title III Court made a binding determination that the Bonds are legal, valid, binding and enforceable obligations of the Corporation benefiting from the following protections, each of which is legal, valid, binding and enforceable against the Corporation, the Commonwealth, and other persons and entities, as applicable, under Puerto Rico law and federal law:

- a. The Confirmation Order is full, final, complete, conclusive, and binding and shall not be subject to collateral attack or other challenge in any court or other forum, except as permitted under applicable law. Confirmation of the Plan of Adjustment constitutes a judicial determination, pursuant to Section 4 of PROMESA, that the terms of the Confirmation Order shall prevail over any general or specific provisions of the territory law, State law or regulation that is inconsistent therewith.
- b. The Title III Court shall retain jurisdiction to enforce the terms of the Confirmation Order and the Plan of Adjustment.
- c. Subject to the occurrence of and upon the Effective Date, the Corporation shall be an independent public corporation and instrumentality of the Commonwealth, separate from the Commonwealth and any other instrumentality of the Commonwealth.
- d. Subject to the occurrence of and upon the Effective Date, ownership of the COFINA Revenues¹ shall have been legally and validly transferred to the Corporation, and such transfer of ownership shall have been an absolute transfer of all legal and equitable right, title, and interest in the COFINA Revenues, free and clear of all liens, claims, encumbrances, and other interests of any party (except for the statutory lien that arises automatically, pursuant to the terms of the Act, to secure the Bonds);
- e. Subject to the occurrence of and upon the Effective Date, the COFINA Revenues shall not constitute, and shall not be deemed to be, “available resources” or “available revenues” of the Commonwealth, as that term is used in the Puerto Rico Constitution (whether construed pursuant to the Spanish or English version of the Puerto Rico Constitution).
- f. Subject to the “Quarterly Installment” funding construct described herein, to the extent certain conditions described herein are satisfied, each Fiscal Year until the Initial Bonds are paid in full or otherwise satisfied in accordance with their terms, the first funds comprising the Pledged Sales Taxes shall be transferred to and deposited with the Corporation until such time that the Corporation has received an amount equal to the COFINA Revenues for such Fiscal Year.

¹ References in clauses (d), (e), (f), (g) and (m) to “COFINA Revenues” are used to maintain consistent terminology with the Act and shall have the same meaning as the term “COFINA Portion” as defined and used in the Plan of Adjustment, and shall include any collateral that may be substituted for the COFINA Revenues in accordance with the terms and provisions of the Plan of Adjustment and the Act.

- g. The Corporation's sole and exclusive ownership of the COFINA Revenues shall not be affected in any way by the manner of or control over collection, any person who collects or holds the COFINA Revenues shall do so on behalf of the Corporation, and no person or entity that collects or holds the COFINA Revenues shall have any legal or equitable right, title, or interest to the COFINA Revenues other than the Corporation, for the benefit of Holders of the Initial Bonds.
- h. The statutory first lien against the Pledged Sales Taxes (including any Substituted Collateral substituted for the Pledged Sales Taxes in accordance with the terms of the Plan of Adjustment and the Act) arising by operation of the Act in favor of Holders of Initial Bonds is legal, valid, binding and enforceable and shall remain in full force and effect and shall be "closed" until, in each case, the Initial Bonds have been paid or satisfied in full in accordance with their terms.
- i. Pursuant to the Act, the Bonds have been granted and are secured by a statutory first lien as described in Section 16.2 of the Plan of Adjustment, which lien shall remain in full force and effect until the Bonds have been paid or satisfied in full in accordance with their terms.
- j. The statutory lien on the Pledged Sales Taxes as provided in the Act and all other provisions made to pay or secure payment of the Bonds are legal, valid, binding, and enforceable, including, without limitation, covenants not to impair such property, and provide for the conditions regarding substitution of Substituted Collateral as adequate protection for the property rights conferred under the Plan of Adjustment and the Confirmation Order.
- k. At the time of issuance and delivery of the Initial Bonds, the Corporation is hereby authorized and directed to have stamped or written on each of the Initial Bonds a legend substantially as follows:

DETERMINED BY THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF PUERTO RICO TO BE VALID,
LEGALLY BINDING, AND ENFORCEABLE PURSUANT TO
THE JUDGMENT AND CONFIRMATION ORDER, ENTERED
ON THE 5TH DAY OF FEBRUARY, 2019

- l. Pursuant to the Settlement Order and the Confirmation Order, the transfer of the COFINA Revenues (and any substitution of Substituted Collateral on the terms and conditions provided for in the Plan of Adjustment) pursuant to the Plan of Adjustment is appropriate and binding and specifically enforceable against the Corporation and the Commonwealth, their respective creditors and all parties in interest in accordance with the Plan of Adjustment, including, without limitation, because the transfer of the COFINA Revenues created in the Corporation an ownership interest in such property (and any substitution of Substituted Collateral on the terms and conditions provided for in the Plan of Adjustment) and is a valid provision made to pay or secure payment of the Initial Bonds.

- m. The Commonwealth's agreement, on behalf of itself and its governmental entities, not to take any action that would, among other things, (a) impair the Corporation's right to receive the COFINA Revenues, (b) limit or alter the rights vested in the Corporation in accordance with the Plan of Adjustment to fulfill the terms of the Initial Bonds, (c) materially adversely impair the collection of the Pledged Sales Taxes in any Fiscal Year, or (d) impair the rights and remedies of the holders of the Initial Bonds or the statutory lien established pursuant to Article 3.2 of the Act, each as provided in the Act and the Indenture, serve as adequate protection for the property interests of the Corporation and the Holders of the Initial Bonds in the Pledged Sales Taxes under all applicable law and constitute valid, binding, legal and enforceable obligations of the Corporation and the Commonwealth, as applicable, and are an integral part of the settlements set forth in the Plan of Adjustment.
- n. The covenants described in Sections 16.6 and 16.7 of the Plan of Adjustment (including, but not limited to, the rating agency covenant, the tax exemption covenant, the substitution covenant, the non-impairment covenant and the sales tax covenant), to be provided by the Corporation and the Commonwealth, as the case may be, to the Holder of the Initial Bonds, shall constitute adequate protection for the property interests of the Corporation and the Holders of the Initial Bonds in the Pledged Sales Taxes under all applicable law.

All things have been done which are necessary to make the Bonds, when executed by the Corporation and authenticated and delivered by the Trustee hereunder, the valid obligations of the Corporation, and to constitute this Indenture a valid trust indenture for the security of the Bonds, in accordance with the terms of this Indenture.

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

It is hereby covenanted and declared that all the Bonds are to be authenticated and delivered and the property subject to this Indenture is to be held and applied by the Trustee, subject to the covenants, conditions and trusts hereinafter set forth, and the Corporation does hereby covenant and agree to and with the Trustee, for the equal and proportionate benefit of all Bonds as follows:

This Indenture provides for the following transactions:

(a) Issuance by the Corporation of its obligations to settle certain claims made by the Corporation's creditors, including claims relating to indebtedness previously issued by the Corporation under its Sales Tax Revenue Bond Resolution, adopted on July 13, 2007, as amended and restated on June 19, 2009, and to refund, refinance or defease any obligations issued hereunder which obligations, in accordance with the Act, are secured by a statutory first lien on the following (the "**Statutory Lien**"):

- (i) All right, title and interest of the Corporation in and to the Pledged Sales Taxes, including, without limitation, any moneys, income, revenues, accounts, contract rights or general intangibles derived therefrom; and

- (ii) Except for the Remainder Fund, the Operating Reserve Fund and the Arbitrage Rebate Fund, all of the Corporation's right, title and interest in money, securities and other assets on deposit with the Trustee in the funds and accounts created pursuant to this Indenture and any Supplemental Indenture

(collectively, the "**Trust Estate**");

- (b) Application of proceeds of such obligations, if any; and
- (c) The rights and remedies of the holders from time to time of the Corporation's obligations.

IN TRUST NEVERTHELESS, upon the terms and trusts herein set forth, the Trust Estate shall be held and applied for the equal and *pro rata* benefit and security of each and every owner of the Bonds issued and to be issued hereunder, without preference, priority or distinction as to participation in the Statutory Lien, and the benefit and protection thereof of one Bond over or from the others, by reason of priority in the issue or negotiation or maturity thereof, or for any other reason whatsoever, except as herein otherwise expressly provided, so that each of such Bonds shall have the same right, lien and privilege under the Statutory Lien and shall be equally secured thereby with the same effect as if the same shall have been made, issued and negotiated simultaneously with the delivery hereof and were expressed to mature on one and the same date;

IN TRUST NEVERTHELESS, that these presents are upon the express condition that if the Corporation or its successors or assigns shall well and truly pay or cause to be paid the Principal of Bonds with interest, according to the provisions set forth in the Bonds, respectively and each of them or shall provide for the payment of Bonds by depositing or causing to be deposited with the Trustee the funds and/or securities required by Section 12.01 of this Indenture, when and as authorized by the provisions of Section 12.01 of this Indenture and shall also pay or cause to be paid all other sums payable hereunder by the Corporation, then, provided no Bonds remain Outstanding hereunder, these presents and the estate and rights granted hereby and by the Act shall cease and be terminated, and thereupon the Trustee, on payment of its lawful charges and disbursements then unpaid, on demand of the Corporation and upon the payment of the cost and expenses thereof, shall duly execute, acknowledge and deliver to the Corporation such instruments of satisfaction or release as may be specified by the Corporation as necessary or proper to discharge this Indenture, including, if appropriate, any required discharge of record, and, subject to the provisions of the Act and the Plan of Adjustment, if necessary shall grant, reassign and deliver to the Corporation, its successors or assigns, all and singular the property, rights, privileges and interest by it granted, conveyed and assigned by the Act, and all substitutes therefor, or any part thereof, not previously disposed of or released as herein provided; otherwise this Indenture shall be and remain in full force.

IT IS HEREBY COVENANTED, DECLARED AND AGREED by and between the parties hereto that all Bonds are to be issued, authenticated and delivered, and that the Trust Estate and any other property or amounts subject to the Statutory Lien and pledged to the payment of the Bonds are to be held and applied, subject to the further covenants, conditions, releases, uses and

trusts hereinafter set forth, and the Corporation, for itself and its successors, does hereby covenant and agree to and with the Trustee and its respective successors in said trust as follows:

- (2) Debt Service Savings shall only be realized in the same Fiscal Years in which Principal of the Bonds and the interest thereon were refunded and/or purchased;

(f) A certified copy of the resolution of the board of AAFAF approving the issuance of the Series of Bonds by the Corporation; provided, however, that if AAFAF is no longer in existence and has no successor, or if its successor is not required to approve the issuance of the applicable Series of Bonds, then no such resolution shall be required; and

(g) An opinion of Transaction Counsel to the effect that (i) the Indenture and the applicable Supplemental Indenture authorizing the Series of Bonds have been duly and lawfully authorized, executed and delivered by the Corporation; (ii) the Indenture and the applicable Supplemental Indenture are in full force and effect and are valid and binding upon the Corporation and enforceable in accordance with their terms; (iii) (a) if Substituted Collateral has not been provided in accordance with the Substitution Requirements and Section 3.3 of the Act, the Statutory Lien creates the valid pledge and the valid lien upon the right, title and interest of the Corporation in the Trust Estate in favor of the Trustee (for the benefit of the Holders of Bonds) which it purports to create, subject only to the provisions of the Indenture permitting the withdrawal, payment, setting apart or appropriation thereof for the purposes and on the terms and conditions set forth in the Indenture and each applicable Supplemental Indenture or (b) if Substituted Collateral has been provided in accordance with the Substitution Requirements and Section 3.3 of the Act, the legislation providing for the provision of Substituted Collateral creates a valid pledge and a valid lien upon the right, title and interest of the Corporation in the Substituted Collateral in favor of the Trustee (for the benefit of the Holders of the Bonds) which it purports to create, subject only to the provisions of the Indenture permitting the withdrawal, payment, setting apart or appropriation thereof for the purposes and on the terms and conditions set forth in the Indenture and each applicable Supplemental Indenture; and (iv) the Corporation is duly authorized and entitled to issue such Series of Bonds and, upon the execution and delivery thereof and upon authentication by the Trustee, such Series of Bonds will be duly and validly issued and will constitute valid and binding special obligations of the Corporation entitled to the benefits of the Indenture; ***provided, however,*** that such opinion of Transaction Counsel may rely on the determinations of the Title III Court as set forth in the Confirmation Order; ***provided, further,*** that such opinion of Transaction Counsel may be qualified to the extent that enforceability of rights and remedies may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally or as to the availability of any particular remedy.

Section 2.03 Supplemental Indentures. Each Supplemental Indenture authorizing the issuance of a Series of Bonds shall specify the following:

- (a) The authorized principal amount of such Series of Bonds;
- (b) The date or dates of the Bonds, the maturity date or dates and principal amounts of each maturity of the Bonds of such Series, the amount and date of each Sinking Fund Installment, as applicable, and which Bonds of such Series are Serial Bonds or Term Bonds, if any, and the Record Date or Record Dates of the Bonds of such Series;
- (c) The interest rate or rates, if any, on the Bonds of such Series and the first date on which interest on the Bonds of such Series shall be payable; ***provided, however,*** in no event shall

a Holder of Bonds be entitled to the payment of a penalty for a payment default (including, without limitation, penalty interest and any interest or other amounts due thereon) other than overdue interest that accrues at the regular non-penalty rate of the applicable Bond or interest accruing on such overdue interest at the regular non-penalty rate of the applicable Bond;

(d) If all or a portion of the Bonds of such Series are Capital Appreciation Bonds, the Valuation Dates for such Bonds and the Accreted Value on each such Valuation Date;

(e) The denomination or denominations of and the manner of numbering and lettering of the Bonds of such Series;

(f) The Redemption Price or Redemption Prices, if any, and, subject to Article IV hereof, the redemption terms, if any, for the Bonds of such Series;

(g) Provisions for the sale or exchange of the Bonds of such Series and for the delivery thereof;

(h) The form of the Bonds of such Series and the form of the Trustee's certificate of authentication thereon, and whether any Bonds of such Series are to be issued as Book Entry Bonds and the Depository therefor;

(i) Directions for the application of the proceeds of the Bonds of such Series;

(j) If all or a portion of such Bonds will be issued as Insured Bonds, the terms and conditions for payment of such Insured Bonds under the applicable Bond Insurance Policy; ***provided, however,*** in no event shall the Holder of Insured Bonds or the Bond Insurer be entitled to the payment of a penalty for a payment default (including, without limitation, penalty interest and any interest or other amounts due thereon); and

(k) Any other provisions deemed advisable by an Authorized Officer of the Corporation not in conflict with the provisions hereof or of any Ancillary Agreement.

Section 2.04 Additional Indebtedness. Following the issuance of the Initial Bonds, the Corporation may not incur any additional indebtedness except that the Corporation may issue or incur:

(a) Refunding Bonds under and in compliance with the provisions hereof, including, particularly, Section 2.02(e); and

(b) obligations under and in accordance with the requirements contained in Section 16.3 of the Plan of Adjustment ("**Subordinated Lien Bonds**"), which requirements are described in the next following paragraph (the "**Additional Bonds Test**").

The Corporation may issue Subordinated Lien Bonds for the benefit of, and with the consent of, the Commonwealth and for any lawful purpose of the Commonwealth, provided that (x) repayment of such Subordinated Lien Bonds shall be secured by a second lien that is subordinated in all respects, including, without limitation, in respect of payment, funding and remedies to the Bonds, with repayment of Subordinated Lien Bonds being secured by a

subordinated second or more junior lien on the Pledged Sales Taxes; *provided, however*, that repayment of the Subordinated Lien Bonds shall not be payable from the COFINA Revenues and (y) prior to the issuance thereof, the Secretary of Treasury and an Authorized Officer of the Corporation shall deliver a jointly executed certificate to the Trustee certifying that the following conditions are each satisfied: (i) the Projected Pledged Sales Taxes equal or exceed one and one-half times (1.5x), in any succeeding Fiscal Year, the annual aggregate debt service due on the Bonds and Subordinated Lien Bonds to remain outstanding after the issuance of such Subordinated Lien Bonds (including the Subordinated Lien Bonds to be issued); (ii) the preceding Fiscal Year's collections from the Pledged Sales Taxes is equal to or greater than one and one-tenth times (1.10x) coverage of the maximum annual aggregate debt service due in any succeeding Fiscal Year on all Bonds and Subordinated Lien Bonds to remain outstanding after the issuance of such Subordinated Lien Bonds (including the Subordinated Lien Bonds to be issued); and (iii) the Subordinated Lien Bonds have a maturity not later than Fiscal Year 2058; *provided, however*, that, subsequent to June 30, 2028, and subject to compliance with the foregoing Additional Bonds Test, final maturity beyond Fiscal Year 2058 shall be permissible for future Subordinated Lien Bonds.

Any Subordinated Lien Bonds permitted to be issued by the Corporation hereunder and under the Act shall be issued pursuant to a separate bond resolution or bond indenture provided that the issuance thereof is authorized by the Additional Bonds Test set forth above and by the Commonwealth Legislature, which legislation shall establish, or provide for the establishment of, the terms of such Subordinated Lien Bonds and the purposes for which the proceeds of such Subordinated Lien Bonds may be used. Notwithstanding anything to the contrary herein, any such Subordinated Lien Bonds issued by the Corporation shall not be secured by nor shall such Subordinated Lien Bonds be payable from the Trust Estate.

ARTICLE III.

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.01 Place and Medium of Payment. The Bonds shall be payable, with respect to interest, Principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Except as otherwise provided in Section 4.06 hereof, upon presentation and surrender of Bonds, the Principal or Redemption Price of such Bonds shall be payable at the designated corporate trust office of the Trustee. Interest on the Bonds shall be paid by check mailed to the registered owner thereof at the address thereof as it appears on the registry books of the Corporation or if authorized by the Supplemental Indenture authorizing a Series of Bonds by wire transfer to such registered owner of the Bonds of such Series. For purposes of this Section, interest is payable on an Interest Payment Date to the registered owner of a Bond at the close of business on the Record Date for such Bond. All payments of Principal or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds in connection with which such payment is made.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of each Series issued prior to the first Interest Payment Date thereof shall be dated as of the date specified in the Supplemental Indenture authorizing the issuance thereof. Bonds of

each Series issued on or subsequent to the first Interest Payment Date thereof shall be dated as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an Interest Payment Date, in which case they shall be dated as of such date of authentication; ***provided, however,*** that if, as shown by the records of the Trustee, interest on the Bonds of any Series has not been paid as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange shall be dated as of the date through which interest has been paid in full on the Bonds surrendered or, if no interest has been paid on the Bonds surrendered since their authentication, as of the date of authentication of the surrendered Bonds. Bonds of each Series shall bear interest from their date and shall bear interest on overdue interest at the interest rate of such Bonds, which shall capitalize on each Interest Payment Date. For the avoidance of doubt, if any Principal of, or accrued interest on, a Bond is not paid when due, such Principal and interest shall remain due and payable until paid.

All Bonds of each Series shall mature and/or have Sinking Fund Installments on July 1 of the year or years fixed by the Supplemental Indenture authorizing the issuance of such Bonds. Interest on all Bonds (other than Capital Appreciation Bonds) shall be payable on each Interest Payment Date of each year. The first installment of interest due on the Bonds of a Series may be for such period as the Corporation shall fix in the Supplemental Indenture authorizing the issuance thereof.

Section 3.02 Legends. The Bonds may contain, or have endorsed thereon, such provisions, specifications and descriptive words not inconsistent herewith or with any Supplemental Indenture authorizing the same, as may be necessary or desirable and as may be determined by the Corporation prior to their delivery. The Initial Bonds shall distinctively bear the following legend: “DETERMINED BY THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF PUERTO RICO TO BE VALID, LEGALLY BINDING, AND ENFORCEABLE PURSUANT TO THE JUDGEMENT AND CONFIRMATION ORDER, ENTERED ON THE 5TH DAY OF FEBRUARY, 2019.”

Section 3.03 CUSIP Numbers. The Corporation shall provide for the assignment of CUSIP numbers for all Bonds and cause such CUSIP numbers to be printed thereon, and the Trustee shall use such CUSIP numbers in notices of redemption and on all checks payable to Bondholders as a convenience to Bondholders; ***provided, however,*** that any such notice may state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption shall not affect the validity of the proceedings for redemption. The Corporation shall promptly notify the Trustee of any change in the CUSIP numbers assigned to any Bond of which the Corporation has knowledge. The Trustee shall deliver a copy of the foregoing notice to the Holders promptly following its receipt thereof.

Section 3.04 Execution and Authentication. The Bonds shall be executed in the name of the Corporation by the manual or facsimile signature of an Authorized Officer thereof, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the board of the Corporation or other Authorized Officer of the Corporation, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed any of the Bonds shall cease to be such officer or employee before the Bonds so signed shall have

been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed on behalf of the Corporation by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or be employed by, the Corporation, although at the date of the Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Indenture authorizing the issuance of such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such executed certificate of authentication shall be entitled to any right or benefit hereunder and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Corporation shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and that the Holder thereof is entitled to the benefits hereof.

Section 3.05 Interchangeability of Bonds. Bonds, upon surrender thereof at the designated corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denominations.

Section 3.06 Transfer and Registry. So long as any of the Bonds remain Outstanding, the Corporation shall maintain and keep, or cause to be maintained and kept, at the designated corporate trust office of the Trustee, books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose at said office, the Corporation shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Corporation shall make all necessary provisions to permit the exchange of Bonds at the designated corporate trust office of the Trustee.

Section 3.07 Transfer of Bonds. Each Bond shall be transferable only upon the books of the Corporation, which shall be kept for that purpose at the designated corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Corporation or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Corporation shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series, maturity and tenor as the surrendered Bond.

The transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Corporation and the Trustee may deem and treat the person in whose name any Outstanding Bond shall be registered upon the books of the Corporation as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Principal or Redemption Price of and, subject to the provisions of Section 3.01 hereof with respect to Record Dates, interest on such Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Corporation nor the Trustee shall be affected by any notice to the contrary. The Corporation agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

Section 3.08 Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Corporation shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions hereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Corporation or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Corporation or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. The Corporation shall not be obliged to make, or cause to be made, any exchange or transfer of Bonds of any Series during the period beginning on the Record Date for such Bonds immediately preceding an Interest Payment Date on such Bonds and ending on such Interest Payment Date, or, in the case of any proposed redemption of Bonds of such Series, after the date immediately preceding the date notice of redemption has been mailed.

Section 3.09 Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond shall become mutilated or be destroyed, lost or stolen, the Corporation in its discretion may execute, and upon its request the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, tenor and principal amount as the Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed, lost or stolen, upon filing with the Corporation evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be canceled by it and evidence of such cancellation shall be given to the Corporation. In case any Bond which has matured or is about to mature shall have become mutilated or have been destroyed, lost or stolen, the Corporation may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of such mutilated Bond upon the surrender on or after the maturity date thereof, or authorize the payment of such destroyed, lost or stolen Bond, upon the Holder thereof filing evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon

furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith.

Section 3.10 Book Entry Bonds. Anything herein to the contrary notwithstanding, Bonds may be authorized and issued as Book Entry Bonds in accordance with the Supplemental Indenture authorizing such Bonds.

For all purposes of the Indenture the Holder of a Book Entry Bond shall be the Depository therefor and neither the Corporation nor the Trustee shall have responsibility or any obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Depository. Without limiting the generality of the foregoing, neither the Corporation nor the Trustee shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (a) the accuracy of the records of the Depository or any participant with respect to any beneficial ownership interest in such Bond, (b) the delivery to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (c) the payment to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any amount with respect to the Principal or Redemption Price of, or interest on, such Bond. The Corporation and the Trustee may treat the Depository therefor as the absolute owner of a Book Entry Bond for the purpose of (x) payment of the Principal or Redemption Price of and interest on such Bond, (y) giving notices of redemption and of other matters with respect to such Bond, (z) registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all Principal or Redemption Price of and interest on such Bond only to or upon the order of the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Corporation's obligations with respect to such Principal or Redemption Price and interest to the extent of the sum or sums so paid. No person other than the Depository shall receive a Bond or other instrument evidencing the Corporation's obligation to make payments of the principal or Redemption Price thereof and interest thereon.

Anything herein to the contrary notwithstanding, payment of the Redemption Price of a Book Entry Bond which is redeemed in part prior to maturity may be paid to the Depository by wire transfer without surrender of such Bond to the Trustee; ***provided, however,*** that the Trustee shall maintain records as to each such payment and of the principal amount of such Bond Outstanding, which shall be binding on the Corporation and the Holders from time to time of such Bond.

The Corporation, without the consent of the Trustee, the beneficial owner of a Book Entry Bond or any other person, may terminate the services of the Depository with respect to a Book Entry Bond if the Corporation reasonably determines in good faith following consultation with the Trustee that (a) the Depository is unable to discharge its responsibilities with respect to such Bonds or (b) a continuation of the requirement that all of the Outstanding Bonds of like Series issued in book entry form be registered in the registration books of the Corporation in the name of the Depository, is not in the best interest of the beneficial owners of such Bonds, and the Corporation shall terminate the services of the Depository upon receipt by the Corporation and the Trustee of written notice from the Depository that it has received written requests that such Depository be removed from its participants having beneficial interests, as shown in the records of the

Depository, in an aggregate amount of not less than a Majority in Interest of the then Outstanding Bonds for which the Depository is serving as Depository.

Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the reasonable opinion of the Corporation following consultation with the Trustee, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but shall be registered in the name or names of the Bondholders transferring or exchanging such Bonds shall designate, in accordance with the provisions of Article III hereof.

In connection with any proposed transfer outside the book-entry system, the Corporation or the Depository shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.11 Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series shall be lithographed or printed on steel engraved borders, except that Book Entry Bonds may be typewritten. Until the definitive Bonds of any Series are prepared, the Corporation may execute, in the same manner as is provided in Section 3.04 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Corporation, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Corporation at its own expense shall prepare and execute and, upon the surrender at the designated corporate trust office of the Trustee of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the designated corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant hereto.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

ARTICLE IV.

REDEMPTION OF BONDS

Section 4.01 Authorization of Redemption. Bonds subject to redemption prior to maturity pursuant hereto or to a Supplemental Indenture shall be redeemable, in accordance with

this Article IV, at such times, at such Redemption Prices and upon such terms as may otherwise be specified herein or in the Supplemental Indenture authorizing such Series.

Section 4.02 Redemption at the Election of the Corporation. In the case of any redemption of Bonds other than as provided in Section 4.03 hereof, the Corporation shall give written notice to the Trustee of its election to redeem, of the Series and of the principal amounts and Redemption Prices of the Bonds of each maturity of such Series to be redeemed. Such notice shall be given not less than thirty-five (35) days prior to the redemption date. The Series, maturities and principal amounts thereof to be so redeemed shall be determined by the Corporation in its sole discretion, subject to any limitations with respect thereto contained herein (including, without limitation, Section 4.04 below) or in the Supplemental Indenture authorizing such Series. The Corporation shall pay to the Trustee on or prior to the redemption date an amount which, in addition to other amounts available therefor held by the Trustee in the Debt Retirement Fund, is sufficient to redeem on the redemption date at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds to be so redeemed.

Section 4.03 Redemption Other Than at Corporation's Election. Whenever by the terms hereof or of a Supplemental Indenture the Trustee is required to redeem Bonds through the application of mandatory Sinking Fund Installments, the Trustee shall select the Bonds of the Series and maturities to be redeemed in the manner provided in Section 4.04 hereof, give the notice of redemption and pay out of money available therefor the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

Section 4.04 Selection of Bonds to be Redeemed. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of Bonds of a Series, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw the Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as in this Section 4.04 provided) which end in the same digit or in the same two digits. In case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may reasonably determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; *provided, however*, that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

For purposes of this Section 4.04, the lowest denomination in which a Capital Appreciation Bond is authorized to be issued shall be the lowest Accreted Value authorized to be due at maturity on such Bonds.

Notwithstanding the foregoing, in the event that a Depository shall be the registered owner of all of such Bonds of the Series being redeemed, if less than all of the Bonds of a particular Series are called for redemption, the Corporation shall select the maturity or maturities of such Series to be redeemed and the Depository, on behalf of the Trustee, shall select the Bonds within the same maturity of such Series to be redeemed by means of a random lottery and in any event in accordance with the applicable practices of the Depository.

Section 4.05 Notice of Redemption. Whenever Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Bonds in the name of the Corporation which notice shall specify: (a) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Article II hereof; (b) the maturity dates and interest rates or accretion rates of the Bonds to be redeemed and the date of such Bonds; (c) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (d) the redemption date; (e) the Redemption Price, if then known; (f) with respect to each such Bond, the principal amount thereof to be redeemed; (g) that, except in the case of Book Entry Bonds, such Bonds will be redeemed at the designated corporate trust office of the Trustee giving the address thereof and the telephone number of the Trustee to which inquiries may be directed; (h) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on a Bond or as contained in such notice shall not affect the validity of the proceedings for redemption; and (i) if the Corporation's obligation to redeem the Bonds is subject to conditions, a statement to that effect and of the conditions to such redemption. Such notice shall further state that, if on such date all conditions to redemption have been satisfied, there shall become due and payable on such date upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Such notice shall be given by mailing a copy of such notice not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. Such notice shall be sent by first class mail, postage prepaid (i) to the registered owners of the Bonds which are to be redeemed, at their last known addresses, if any, appearing on the registration books, and (ii) to the Bond Insurer (if any) insuring the Bonds to be redeemed, at the Bond Insurer's last known address, not more than ten (10) Business Days prior to the date such notice is given. Upon giving such notice, the Trustee shall promptly certify to the Corporation that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided herein. Such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of any Holder of a Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds.

The Trustee shall, if any of the Bonds to be redeemed are Book Entry Bonds, transmit a copy of the notice of redemption to the Depository for such Book Entry Bonds not less than thirty (30) days nor more than sixty (60) days prior to the redemption at the most recent address therefor, or to any successor thereof (or, if the Bonds are held by the Depository, such notice shall be given in accordance with the procedures of the Depository). Transmittal of such copy to the Depository in accordance with the foregoing sentence shall be conclusive evidence of delivery thereof to the

holders of beneficial interests in a Book Entry Bond and no such notice shall be required to be transmitted by the Corporation directly to any such beneficial holder nor shall transmittal to a beneficial holder by the Corporation be a condition precedent to such redemption or affect the validity of the proceedings for redemption of the Bonds. This paragraph shall not alter the Trustee's obligation to transmit a notice of redemption to the Bond Insurer as provided in the preceding paragraph.

Section 4.06 Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 4.05 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, except as otherwise provided in Section 3.10 hereof upon presentation and surrender of such Bonds, at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date; *provided, however*, that payment of the Redemption Price may be paid by wire transfer to such registered owner if so authorized in the Supplemental Indenture that authorized the Bonds of the Series to be redeemed. If there shall be called for redemption less than all of the principal amount of a registered Bond, the Corporation shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Bond so surrendered, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Bonds or portions thereof of any like Series, maturity and tenor to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as aforesaid, then, from and after the redemption date, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds shall no longer be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE V.

STATUTORY LIEN ON TRUST ESTATE; FUNDS AND ACCOUNTS; PLEDGED SALES TAX REVENUES AND APPLICATION THEREOF

Section 5.01 Statutory Lien on Trust Estate. To secure the payment of the Principal and Redemption Price of and interest on the Bonds, the Act grants, automatically, upon the issuance of the Bonds, the Statutory Lien on the Trust Estate in favor of the Trustee for the benefit of the Holders of the Bonds. The Bonds shall be special obligations of the Corporation payable solely from and secured by the Statutory Lien on the Trust Estate.

Pursuant to the terms of Article 3.2 of the Act, no commingling of the Pledged Sales Taxes with any property of the Commonwealth, any Government Entity or any other Person shall limit, defeat, impair or interfere with the Statutory Lien. If such payment is to be made by bank wire, such direction shall include the routing and account numbers of the payee. If such payment is to be made by check, such direction shall include the address of the payee. The Trustee shall rely fully on any such written direction delivered pursuant to this Section and shall not be required to make any investigation in connection therewith.

- (d) In the event that the Corporation or the Trustee receives Pledged Sales Taxes in a given Fiscal Year that exceed the COFINA Revenues for such Fiscal Year or if any time amounts are deposited that are not COFINA Revenues or interest thereon, the Secretary of Treasury shall notify the Corporation and the Trustee, the Corporation shall instruct the Trustee to return such excess Pledged Sales Taxes to the Secretary of Treasury and the Trustee shall promptly return such excess Pledged Sales Taxes as instructed by the Corporation to the Secretary of Treasury. In the event that such excess Pledged Sales Taxes are not returned to the Secretary of Treasury within five (5) Business Days after delivery of notice to the Trustee and the Corporation of such excess Pledged Sales Taxes (i) the Corporation shall be liable to the Secretary of Treasury for the accrued interest on such excess Pledged Sales Taxes from the date of initial receipt by the Trustee of such excess and (ii) the Trustee or the Corporation, as applicable, shall return to the Secretary of

Treasury, the amount of the excess Pledged Sales Taxes and accrued interest as directed in writing and determined by the Secretary of Treasury.

(e) If the Quarterly Funding Requirements have been satisfied and the Corporation or the Trustee receives Pledged Sales Taxes for a given Quarterly Installment in excess of the Quarterly Installment of the COFINA Revenues or interest thereon, the Secretary of Treasury shall notify the Corporation and the Trustee, the Corporation shall instruct the Trustee to return such excess of the Quarterly Installment of the COFINA Revenues to the Secretary of Treasury and the Trustee shall promptly return such excess of the Quarterly Installment of the COFINA Revenues as instructed by the Corporation to the Secretary of Treasury. In the event such excess of the Quarterly Installment of the COFINA Revenues are not returned to the Secretary of the Treasury within five (5) Business Days after delivery of notice to the Trustee and the Corporation of such excess Pledged Sales Taxes (i) the Corporation shall be liable to the Secretary of Treasury for the accrued interest on such excess Pledged Sales Taxes from the date of initial receipt of such excess by the Trustee and (ii) the Trustee or the Corporation, as applicable, shall return to the Secretary of Treasury, the amount of the excess Pledged Sales Taxes and accrued interest as directed in writing and determined by the Secretary of Treasury.

(f) Once the Quarterly Funding Requirements have been satisfied, if the COFINA Receipts received in a quarter are insufficient to fully fund the Quarterly Installment for such quarter, then the Quarterly Installment for the next succeeding quarter shall be increased by an amount equal to such shortfall plus any shortfall in any prior Quarterly Installments.

Section 5.06 Application of COFINA Receipts. (a) On each Monthly Disbursement Date, the Trustee shall withdraw from the COFINA Revenue Fund and transfer and apply such amounts as follows and in the following order of priority:

(d) Money in the Debt Service Fund on the last day of each Fiscal Year in excess of the Interest Funding Requirement and the Principal Funding Requirement for such Fiscal Year (which, for the avoidance of doubt, includes all amounts required to be paid on the next succeeding Principal Payment Date), including the income or interest earned on investment of money in the Debt Service Fund, shall at the written direction of the Corporation, be withdrawn and transferred first, to the Operating Reserve Fund, such amount, if any, as may be necessary to make the amount on deposit in such fund equal to the Operating Reserve Fund Cap for the next succeeding Fiscal Year and second, any excess remaining may at the written direction of the Corporation either be retained therein or transferred to any other fund or account established pursuant hereto; *provided,*

however, that if no written direction has been given by the Corporation, the excess on the last day of each Fiscal Year shall be transferred to the Remainder Fund.

Money which an Authorized Officer of the Corporation determines to be in excess of the amount required to be so rebated, shall be transferred (a) to the Debt Service Fund, if the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year, and (b) to the extent not required to be deposited in the Debt Service Fund, may at the direction of the Corporation, either be retained therein or transferred to any other fund or account established pursuant hereto.

In no event, however, may the Corporation call for redemption, contract to purchase or make provision for payment of Outstanding Bonds in accordance with Section 12.01 of this Indenture if at such time the amount on deposit in the Debt Service Fund is less than the sum of the Principal Funding Requirement and the Interest Funding Requirement for the then current Fiscal Year. Notwithstanding the foregoing, money in the Debt Retirement Fund not required to pay the Redemption Price or purchase price of Bonds theretofore called for redemption or contracted to be purchased, together with interest accrued and unpaid to the redemption date, shall, at the direction of an Authorized Officer of the Corporation, be withdrawn from the Debt Retirement

Fund and transferred to the Debt Service Fund or the Arbitrage Rebate Fund at any time money is required for the purposes of such funds.

Section 5.10 Remainder Fund. Amounts deposited in the Remainder Fund shall be free and clear of the Statutory Lien and shall promptly be paid to or upon the order of the Secretary of Treasury; *provided, however*, in accordance with Section 3.2 of the Act, any amounts deposited into the Remainder Fund in contravention of the priority of deposits set forth in Section 5.06 above shall remain subject to the Statutory Lien and all such amounts shall immediately be deposited into the COFINA Revenue Fund and applied by the Trustee to fund the deposits in the priority set forth in Section 5.06 above.

Section 5.11 Application of Money in Certain Funds for Retirement of Bonds. Section 5.12 Transfer of Investments. Whenever money in any fund or account established hereunder is to be paid in accordance herewith to another such fund or account, such payment may be made, in whole or in part, by transferring to such other fund or account investments held as part of the fund or account from which such payment is to be made, whose value, together with the money, if any, to be transferred, is equal to the amount of the payment then to be made; *provided, however*, that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

Section 6.03 Liability for Investments. Neither the Corporation nor the Trustee shall have any liability arising out of or in connection with the making of any investment authorized by the provisions of this Article VI, in the manner provided in this Article VI, for any depreciation in value of any such investment, or for any loss, fee, tax or other charge, direct or indirect, resulting from any such investment, reinvestment or liquidation of an investment.

- (c) impair, limit, restrict, rescind, delay or modify the rights or powers of the Corporation, the Trustee or the Holders under the Act or relating to the COFINA Revenues, or the Corporation's ability to meet its obligations to the Holders;
- (d) amend the Act to impair, limit, restrict, rescind, delay or modify any obligation or commitment of the Corporation to the Holders; or
- (e) limit or restrict the rights or powers of the appropriate officers of the Commonwealth to impose, maintain, charge or collect the Pledged Sales Taxes;

provided that the foregoing shall not preclude the Commonwealth from exercising its power, through a change in law, to replace the portion of the Sales and Use Tax that corresponds to a tax rate of five and one-half percent (5.5%) with Substituted Collateral in accordance with the Substitution Requirements.

Section 7.15 Corporate Existence. To the extent permitted by law, the Corporation shall not take any action, or fail to take any action, the result of which would be the Corporation failing to keep in full effect its existence, rights, duties, obligations and franchises as a public corporation and governmental instrumentality of the Commonwealth under the laws of the Commonwealth, including, without limitation, the Act. Without limiting the generality of the immediately preceding sentence, the Corporation shall not merge or consolidate, directly or indirectly, with any other legal person.

Section 7.16 Separateness. The Corporation shall operate as a legally separate entity from the Commonwealth (including all public corporations, agencies, and instrumentalities thereof) and all other legal persons and as a bankruptcy remote, single purpose entity (limited to the activities authorized in the Act). The Corporation shall (a) avoid commingling the COFINA Revenues and other assets of the Corporation with those of the Commonwealth or any other legal person; (b) keep the Corporation By-Laws separate and in full force and effect; (c) maintain separate financial statements, bank accounts, and books and records; (d) observe separate corporate governance, management and other formalities of the Corporation; (e) otherwise operate as an entity that is separate and distinct from all other legal persons, including, without limitation, the Commonwealth and its other public corporations, agencies and instrumentalities; and (f) comply with the separateness covenants contained in the Corporation By-Laws.

Section 7.17 Corporate Governance. The Corporation's board of directors shall consist of three (3) members appointed by the Governor of the Commonwealth, each of whom shall meet the fiduciary, independence and qualification standards set forth in the Act and the Corporation By-Laws, including, without limitation, that no director may be an officer, employee or director of the Commonwealth or any instrumentality thereof (other than the Corporation) and shall otherwise be qualified to serve on the board of directors.

Section 7.18 Resignation of a Director. The Corporation shall provide written notice to the Trustee of the resignation of any member of the Corporation's board of directors within five (5) Business Days of receipt by the Corporation of written notice by such member of his or her resignation. The Trustee shall deliver a copy of the foregoing notice to the Holders promptly following its receipt thereof.

Section 7.19 Amendments to the Instructions Agreement. For the avoidance of doubt, this Section does not apply to Modifications to the Instruction Agreement or the Contract (as such term is defined in the Instruction Agreement) specified in Section 6(f)(ii) (*Exempt Modifications*) of the Instructions Agreement. Except as provided in the preceding sentence, the Corporation shall not execute or consent to any Modification and no such Modification shall be effective without the prior written approval of the Trustee, which written approval shall be delivered by the Trustee, without unreasonable delay, upon receipt by the Trustee of evidence of satisfaction of any one of the following conditions:

(a) (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, and (ii) an opinion of a Qualified Municipal Advisor Firm to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, **provided, however**, that if the Outstanding Bonds are rated higher than Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's), then this clause (a) shall not be a permitted option; or

(b) if the Outstanding Bonds are rated at least Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's), (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, and (ii) Rating Confirmations on the Outstanding Bonds; or

(c) (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect and (ii) entry of an order that is unstayed and in full force and effect of the Title III Court or any appellate court therefrom (or, in the event such court does not have or accept jurisdiction, in any federal district court sitting in Puerto Rico or any appellate court therefrom, or, in the event such federal district court does not have or accept jurisdiction, a Commonwealth court or any appellate court therefrom) determining that such Modification will not materially adversely affect the interests of the Holders in any respect, **provided** that notice of the Modification (including a copy thereof) has been posted on EMMA at least thirty (30) days prior to the filing of the motion seeking approval of such Modification and the Corporation shall not seek to shorten time on the time for objection to such motion; and **provided, further**, that such order shall not be required and the Trustee's written approval shall be deemed given, if subclause (i) of this clause (c) has been satisfied and after sixty

(60) days' prior written notice of any proposed Modification to the Trustee and to the Holders by posting the notice on EMMA (which notice included a copy thereof), the Trustee has not objected in writing to the Corporation on the basis that entry into such Modification would materially adversely affect the rights and interests of the Holders in any respect.

ARTICLE VIII.

CONCERNING THE TRUSTEE AND THE PAYING AGENT

Section 8.01 Appointment and Acceptance of Trustee. The Trustee, by its execution and delivery of this Indenture, does signify its acceptance of its appointment as and of the duties and obligations of Trustee and Paying Agent imposed upon it hereby.

Section 8.02 Appointment and Acceptance of Paying Agents. In addition to the Trustee, the Corporation may appoint one or more Paying Agents for the Bonds of any Series in the Supplemental Indenture authorizing such Bonds or in the manner provided herein or in such Supplemental Indenture or shall appoint such Paying Agent or Paying Agents prior to the authentication and delivery of the Bonds so long as any such Paying Agents satisfy the requirements set forth in Section 8.10 hereof, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 8.10 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it hereby by written instrument of acceptance deposited with the Corporation and the Trustee.

Section 8.03 Responsibilities of Trustee and Paying Agents. The recitals of fact contained herein and in each Supplemental Indenture and in the Bonds shall be taken as the statements of the Corporation and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent makes any representations as to the validity or sufficiency hereof, of any Supplemental Indenture or of any Bonds, or in respect of the security afforded hereby or by each Supplemental Indenture, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to: (i) the issuance of the Bonds for value; (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee or Paying Agent; or (iii) the application of any money paid to the Corporation or others in accordance herewith and with each Supplemental Indenture except as to the application of any money paid to it in its capacity as Trustee or Paying Agent. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of or failure to perform its duties hereunder and under each Supplemental Indenture except for its own negligence or willful misconduct.

The duties and obligations of the Trustee and any Paying Agent shall be determined by the express provisions hereof and of each Supplemental Indenture and neither the Trustee nor any Paying Agent shall be liable except for the performance of or failure to perform such duties and obligations as are specifically set forth herein and in each Supplemental Indenture, and no implied covenants or obligations should be read into this Indenture against the Trustee. If any Event of Default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a

prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

Section 8.04 Property Held in Trust. All money and securities conveyed to or held by the Trustee at any time pursuant to the terms hereof and of each Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions hereof and of each Supplemental Indenture.

Section 8.05 Rights of the Trustee and the Paying Agent. The Trustee and any Paying Agent shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it in good faith to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel of its selection, who may or may not be of counsel to the Corporation, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under any Supplemental Indenture, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Corporation. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Supplemental Indenture upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Supplemental Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Supplemental Indenture by the Corporation to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Corporation by an Authorized Officer thereof.

The Trustee shall not be deemed to have notice of any Event of Default hereunder unless an Authorized Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default is received by the Trustee at the designated corporate trust office of the Trustee and such notice references the Bonds relative to which an Event of Default has occurred.

The Trustee may request that the Corporation deliver a certificate of an Authorized Officer of the Corporation setting forth the names of individuals and their respective titles of officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any person authorized to sign an officer's certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except as may be otherwise agreed upon.

Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this

Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

The Trustee shall have no liability for any action or failure to act in good faith in accordance with a direction of the Holders of a Quarter in Interest of Outstanding Bonds or Majority in Interest of Outstanding Bonds, as applicable, pursuant to the terms hereof in respect of such action or failure to act, except to the extent of its negligence or willful misconduct in connection therewith.

The Trustee and any Paying Agent shall have the right to accept and act upon instructions, including funds transfer instructions given pursuant to this Indenture and delivered using Electronic Means (“Instructions”); provided, however, that the Corporation shall provide to the Trustee and each Paying Agent an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Corporation whenever a person is to be added or deleted from the listing. If the Corporation elects to give the Trustee or a Paying Agent Instructions using Electronic Means and the Trustee or such Paying Agent in its discretion elects to act upon such Instructions, the Trustee’s or such Paying Agent’s understanding of such Instructions shall be deemed controlling. The Corporation understands and agrees that the Trustee or a Paying Agent cannot determine the identity of the actual sender of such Instructions and that the Trustee and such Paying Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer of the Corporation listed on the incumbency certificate provided to the Trustee or such Paying Agent have been sent by such Authorized Officer. The Corporation shall be responsible for ensuring that only Authorized Officers thereof transmit such Instructions to the Trustee or any Paying Agent and that the Corporation and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords or authentication keys upon receipt by the Corporation. Neither the Trustee nor any Paying Agent shall be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s or such Paying Agent’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Corporation agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee or any Paying Agent, including without limitation the risk of the Trustee or such Paying Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee or any Paying Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Corporation; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee and any Paying Agent immediately upon learning of any breach, compromise or unauthorized use of the security procedures.

Section 8.06 Compensation and Indemnification. Unless otherwise provided, the Corporation shall pay to the Trustee and to each Paying Agent, from time to time, such compensation as shall be agreed in writing for all services rendered by it hereunder and under the applicable Supplemental Indenture, and also all reasonable and necessary expenses, charges, counsel fees and expenses and other disbursements, including those of their attorneys, agents and employees, required to be incurred in the performance of their powers and duties hereunder and under the applicable Supplemental Indenture. The Corporation shall indemnify and save the Trustee and each Paying Agent harmless against any liabilities which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and under the applicable Supplemental Indenture and which are not due to its negligence or willful misconduct. None of the provisions contained herein or in any Supplemental Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The Trustee Expenses Cap does not apply to or limit the Corporation's liability under this section for the fees, expense and indemnification of the Trustee and each Paying Agent.

The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other person employed to act hereunder.

The provisions of this Section shall survive termination of this Indenture and the resignation and removal of the Trustee.

Section 8.07 Permitted Acts. The Trustee may become the owner of or may deal in Bonds as fully and with the same rights as if it were not such Trustee or a Paying Agent. The Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Corporation or any committee formed to protect the rights of Holders of Bonds or to effect or aid in any reorganization growing out of the enforcement hereof or of the Bonds or any Supplemental Indenture whether or not such committee shall represent the Holders of a Majority in Interest of the then Outstanding Bonds in respect of which any such action is taken.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys appointed with due care.

The permissive rights of the Trustee to do things enumerated in this Indenture shall not be constructed as a duty unless so specified herein.

Section 8.08 Resignation of Trustee. The Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations hereunder and under each Supplemental Indenture by giving not less than sixty (60) days' written notice to: (a) the Corporation, and (b) the Holders of the Bonds by first class mail, postage prepaid, at their last known addresses, if any, appearing on the registration books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Such resignation shall take effect upon the date specified in such notice (which shall be no sooner than the date specified in the immediately preceding sentence) unless previously

a successor shall have been appointed as provided in Section 8.10 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; **provided, however,** that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 8.10 hereof.

Section 8.09 Removal of Trustee. The Trustee and/or Paying Agent, or any successor thereof, may be removed at any time upon 30 day's written notice by the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Corporation. The Trustee and/or Paying Agent, or any successor thereof, may also be removed at any time for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of any Supplemental Indenture with respect to the duties and obligations of the Trustee, as applicable, by any court of competent jurisdiction upon application by the Holders of a Quarter in Interest of the Outstanding Bonds. No removal hereunder shall take effect until a successor Trustee has been appointed and has accepted such appointment. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the applicable Holders to the Trustee or such successor thereof and to the Corporation.

Section 8.10 Successor Trustee and/or Paying Agent. In case the Trustee and/or Paying Agent, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee and/or Paying Agent or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee and/or Paying Agent or of its property or affairs, a successor may be appointed by the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Holders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee and/or Paying Agent, notification thereof being given to the Corporation and the predecessor Trustee and/or Paying Agent; **provided, nevertheless,** that unless a successor Trustee and/or Paying Agent shall have been appointed by the Holders as aforesaid, the Corporation by a duly executed written instrument signed by an Authorized Officer of the Corporation shall forthwith appoint a Trustee and/or Paying Agent to fill such vacancy until a successor Trustee and/or Paying Agent shall be appointed by the Holders as authorized in this Section. The Trustee and/or Paying Agent shall mail a copy of the notice of any such appointment, postage prepaid, to the Holders of any Bonds, at their last addresses appearing on the registry books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Any successor Trustee and/or Paying Agent appointed by the Corporation shall, immediately and without further act, be superseded by a Trustee and/or Paying Agent appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

If in a proper case no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 8.08 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee and/or Paying Agent or any Holder may apply, at the expense of the Corporation, to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor appointed under the provisions of this Section shall be a bank having trust powers, a trust company or national banking association, in each case located in the State of New York and having a capital and surplus aggregating at least

\$50,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by each Supplemental Indenture.

Neither the Corporation, the Commonwealth, any Government Entity nor any public corporation, agency or instrumentality of the foregoing nor any entity or person affiliated with the foregoing may be appointed as Trustee or Paying Agent hereunder.

Section 8.11 Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 8.10 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Corporation, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under each Supplemental Indenture, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Corporation or of such successor, and upon payment of all amounts owed to it hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over, assign and deliver to such successor any money or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Corporation be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties or obligations, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Corporation.

Section 8.12 Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 8.10 hereof, shall be the successor to such Trustee, without any further act, deed or conveyance. In the event that such entity is not so qualified, such entity shall nevertheless continue to serve as Trustee until a successor Trustee is appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

Section 8.13 Ancillary Agreements. The Trustee is authorized to enter into and perform its obligations under the Instructions Agreement and any other Ancillary Agreements.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.01 Modification and Amendment without Consent. Notwithstanding any other provisions of this Article IX or Article X hereof, the Corporation and the Trustee may, subject to the rights of the Secretary of Treasury in Article X hereof, execute and deliver at any time or

from time to time Supplemental Indentures for any one or more of the following purposes, and each such Supplemental Indenture shall become effective in accordance with its terms:

(a) To provide for the issuance of a Series of Bonds under and in accordance with (and, for the avoidance of doubt, not in any way contrary to or inconsistent with) the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To add additional covenants and agreements of the Corporation for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Corporation or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that such additional covenants and agreements shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(c) To prescribe further limitations and restrictions upon the issuance of Refunding Bonds and Subordinated Lien Bonds by the Corporation which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect including the limitations and restrictions set forth in the Act, the Plan of Adjustment and the legislation enacted relating to the issuance of Subordinated Lien Bonds;

(d) To surrender any right, power or privilege reserved to or conferred upon the Corporation by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Corporation or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that same shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(e) To confirm, as further assurance, the Statutory Lien, and the subjection to the Statutory Lien, of the Corporation's right title and interest in the Pledged Sales Taxes, or any other money, investments thereof or funds, provided that such further assurance shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(f) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the effective date of such Supplemental Indenture shall cease to be Outstanding, and all Bonds issued under such Supplemental Indentures shall contain a specific reference to the modifications contained in such subsequent Supplemental Indenture;

(g) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that such modification shall not, in the opinion of Transaction Counsel to be provided in accordance with the last paragraph of this Section 9.01, adversely affect the interests of the Bondholders in any respect.

(h) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective unless there has been delivered to the Trustee (i) a Rating Confirmation on the Outstanding Bonds and (ii) an

opinion of Transaction Counsel to the effect that the same is not inconsistent with this Indenture and will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for purposes of federal income taxation, **provided, however**, this clause (h) shall be inapplicable unless the Outstanding Bonds are rated at least Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's).

Notwithstanding the above, no Supplemental Indenture authorized by this Section 9.01 shall be effective unless and until it is executed by both the Trustee and the Corporation and the Corporation has delivered to the Trustee an opinion of Transaction Counsel to the effect that the execution of the Supplemental Indenture will not adversely affect: (i) the excludability of interest on the Tax Exempt Bonds from gross income of the Holders for federal income tax purposes, and (ii) with respect to a modification or amendment made pursuant to paragraphs (b) – (g) above, the rights of the Holders of the Bonds in any other materially adverse respect.

For the avoidance of doubt, no Supplemental Indenture shall be permitted pursuant to this Section 9.01 to the extent it would effectuate a modification or amendment that is only permitted under Section 10.01 with the consent of each affected Holder.

Section 9.02 Supplemental Indentures Effective with Consent of Bondholders.

The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Indenture, subject to the written consent of the Bondholders and the rights of the Secretary of Treasury in accordance with and subject to the provisions of Article X hereof, such Supplemental Indenture to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Corporation.

Section 9.03 General Provisions Relating to Supplemental Indentures.

The Indenture shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article IX, Article X or Section 7.04 hereof. Nothing contained in this Article IX or Article X hereof shall affect or limit the rights or obligations of the Corporation to make, do, execute or deliver any Supplemental Indenture, act or other instrument pursuant to the provisions of Section 7.04 hereof or the right or obligation of the Corporation to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere herein provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Supplemental Indenture, when filed with the Trustee for the Trustee's execution, shall be accompanied by the opinion of Transaction Counsel required by Section 9.01, the Rating Confirmation, if any is required by Section 9.01(h), and an opinion of Transaction Counsel stating that such Supplemental Indenture has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Corporation and enforceable in accordance with its terms. The Trustee shall be fully protected in relying on such an opinion of Transaction Counsel.

Notwithstanding anything to the contrary herein, no Supplemental Indenture shall become effective without the written consent of the Trustee.

The Corporation, as soon as practicable after a Supplemental Indenture changing, amending or modifying any provisions of this Indenture has become effective, shall give written

notice thereof to each Rating Service then providing a rating on the Outstanding Bonds at the request of the Corporation and shall post a copy of such Supplemental Indenture on the Corporation's website and EMMA under the CUSIPs for the Outstanding Bonds.

ARTICLE X.

AMENDMENTS OF INDENTURE

Section 10.01 Powers of Amendment. Except as provided in Section 9.01 hereof, any modification or amendment hereof and of the rights and obligations of the Corporation and of the Holders of the Bonds hereunder may only be made by a Supplemental Indenture, with the written consent given as hereinafter provided in Section 10.02 hereof, (i) of the Holders of at least a Majority in Interest of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least a Majority in Interest of the Bonds of each Series so affected and Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall, without the prior written consent of the Holder of such Bond, permit a change in the provisions related to the timing or amount of any payment on the Bonds, including, without limitation, any change in the currency to be used to pay Principal of and interest on the Bonds, any change in the amount or date of any Sinking Fund Installment, payment of Principal or any other payment, the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon. Further, no such modification or amendment shall, without the prior written consent of the Holder of such Bond, reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any respect. The Trustee may in its discretion reasonably determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Corporation and all Holders of Bonds. If the Trustee does not make such a determination, the Trustee shall obtain an opinion of Transaction Counsel as to whether the Bonds of any particular Series or maturity would be so affected by any such modification or amendment hereof, which such opinion shall be binding and conclusive on the Corporation and all Holders of Bonds.

In addition, no Supplemental Indenture shall be approved by the Corporation without the prior written consent of the Secretary of Treasury if such Supplement Indenture would amend or modify the last paragraph of Section 2.01, Section 2.02, 2.04, 5.02(d), 5.02(e), 5.05, 5.06, 7.07, 7.13, 7.14, 9.01(b), 9.01(c) or 10.01 of this Indenture, or the last sentence of Section 14.06 of this Indenture. Further, no Supplemental Indenture shall be approved by the Corporation without the prior written consent of the Secretary of Treasury if such Supplemental Indenture would materially impair the Commonwealth's right to receive COFINA Receipts in accordance with Sections 5.10,

12.01(a) or 12.01(b) of this Indenture. The Trustee and the Corporation shall be entitled to rely on an opinion of Transaction Counsel to the effect that such modification or amendment would not materially impair the Commonwealth's right to receive the COFINA Receipts in accordance with Section 5.10, 12.01(a) or 12.01(b) of this Indenture. The Corporation shall inform the Trustee if no qualified Transaction Counsel is able to deliver such opinion.

Section 10.02 Consent of Bondholders. The Corporation may at any time execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.01 hereof to take effect when and as provided in this Section. Upon the adoption of such Supplemental Indenture, a copy thereof, certified by an Authorized Officer of the Corporation shall be filed with the Trustee for the inspection of the Holders of Bonds. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved in writing by the Trustee) together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed or distributed by Electronic Means by the Corporation to each affected Holder of Bonds. Such Supplemental Indenture shall not become effective until (a) there shall have been filed with the Trustee (i) the written consent of the Holders of the percentages of Outstanding Bonds specified in Section 10.01 hereof and (ii) the opinions of Transaction Counsel required by Section 9.03 and (b) a notice shall have been mailed or distributed by Electronic Means as hereinafter in this Section provided. Any such consent shall be binding upon the Holder of the Bonds giving such consent and on any subsequent Holder of such Bonds (whether or not such subsequent Holder has notice thereof). At any time after the Holders of the required percentages of Bonds shall have filed their consent to the Supplemental Indenture, notice, stating in substance that the Supplemental Indenture has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section, shall be given to the Bondholders by mailing such notice to Bondholders or by Electronic Means. The Corporation shall file with the Trustee proof of giving such notice. Such Supplemental Indenture shall be deemed conclusively binding upon the Corporation and the Holders of all Bonds at the expiration of sixty (60) days after the filing with the Trustee of the proof of the giving of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in legal action or equitable proceeding commenced for such purpose within such sixty day period; **provided, however**, that the Corporation during such sixty day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient.

Section 10.03 Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Corporation and of the Holders of the Bonds may be modified or amended in any respect upon the execution, delivery and filing with the Trustee by the Corporation of a copy of a Supplemental Indenture certified by an Authorized Officer of the Corporation and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 10.02.

Section 10.04 Mailing. Any provision in this Article X for the mailing of a notice or other document to Bondholders shall be fully complied with if it is mailed postage prepaid or distributed by Electronic Means only (a) to each registered owner of Bonds then Outstanding at such person's address, if any, appearing upon the registry books of the Corporation, (b) to the Trustee, and (c) to the Bond Insurer at its last known address.

Section 10.05 Exclusion of Bonds. Bonds owned or held by or for the account of the Corporation shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and the Corporation shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Corporation shall furnish the Trustee a certificate of an Authorized Officer of the Corporation, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 10.06 Notation on Bonds. Bonds delivered after the effective date of any action taken as provided in Article IX hereof or this Article X may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Corporation and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the designated corporate trust office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Corporation or the Trustee shall so determine, new Bonds so modified as, in the opinion of the Trustee and the Corporation, conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XI.

- (h) the Corporation shall default in the due and punctual performance of any of its covenants contained in Sections 7.02 and 7.06 hereof; or

(i) the Corporation shall take any action or engage in any activity prohibited by Article 2.6 of the Act.

Section 11.02 No Acceleration with Respect to the Bonds. There shall be no right of acceleration with respect to the Bonds.

Section 11.03 Enforcement of Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee shall make payments in accordance with Section 11.04 below.

(b) If an Event of Default occurs and is continuing, the Trustee may, and upon written request of Holders holding not less than a Quarter in Interest of the Outstanding Bonds shall, proceed to protect and enforce its rights and the rights of the Holders by such of the following remedies as the Trustee shall deem most effective to protect and enforce such rights or such of the following remedies as Holders holding not less than a Quarter in Interest of the Outstanding Bonds shall instruct:

- (i) initiation of Proceedings to (A) collect all amounts due in respect of the Bonds limited, upon recovery thereunder, to the Trust Estate; (B) enforce any and all rights of the Holders, (C) enforce any covenant or agreement in this Indenture, or (D) enforce any other remedy or legal or equitable right vested in the Trustee or the Holders by this Indenture, the Act or other applicable law;
- (ii) enforcement of the Statutory Lien and enforcement of the Corporation's rights or remedies in respect of the Trust Estate to the same extent as the Corporation; or
- (iii) by action or suit in law or in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders, and it shall not be necessary to make any Holder a party to any such Proceedings.

(d) Subject to Article VIII hereof, if an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders if the Trustee reasonably believes it will not be adequately indemnified against the costs, expenses and liabilities which might be incurred by it in complying with such request.

In the enforcement of any remedy hereunder and under each Supplemental Indenture the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Corporation for Principal or interest or otherwise under any of the provisions of the Indenture or of any Supplemental Indenture or of the Bonds, with interest on overdue payments of the Principal of or interest on the

Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under any Supplemental Indenture and under such Bonds, including the fees and expenses of the Trustee and its attorneys and other agents, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Corporation but solely as provided herein, in any Supplemental Indenture and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

Section 11.04 Priority of Payments after Default. If (i) an Event of Default shall occur or be continuing or (ii) at any time the money held by the Trustee hereunder and under each Supplemental Indenture shall not be sufficient to pay the Principal of and interest on the Bonds as the same become due and payable, the money held by the Trustee hereunder and under each Supplemental Indenture together with any money then available or thereafter becoming available to pay the Principal of and interest on the Bonds, whether through exercise of the remedies provided for in this Article XI or otherwise, shall be applied as follows:

First: To the payment of amounts due to the Trustee and Paying Agents under Section 8.06;

Second, *Pro rata*:

(A) To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

(B) To the payment to the persons entitled thereto of the unpaid Principal or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts due on any date, then to the payment thereof ratably, according to the amount of Principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

Third: To be applied by the Trustee to fund the deposits in the priority set forth in Section 5.06 above.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in accordance with the provisions of this Section shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Corporation, to any Holder of Bonds or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such

provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date.

Amounts held by the Trustee after payments to be made pursuant to this Section 11.04 have been made and no Bonds are Outstanding and unpaid shall be paid and applied in accordance with Section 5.06 hereof.

Section 11.05 Termination of Proceedings. In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Corporation, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

Section 11.06 Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Holders of a Quarter in Interest of the Outstanding Bonds shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the choice of remedies and the time, method and place of conducting any proceeding for any remedy available to the Trustee hereunder, under each Supplemental Indenture or otherwise, or exercising any trust or power conferred upon the Trustee, including the power to direct or withhold directions with respect to any remedy available pursuant to Section 11.03, provided, (i) such direction shall not be otherwise than in accordance with law and the provisions hereof and of each Supplemental Indenture, (ii) that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and (iii) that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.07 Control by Holders of Bonds; Limitations. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or for any other remedy hereunder unless such Holder previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than a Quarter in Interest of the Outstanding Bonds, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time (and in no event shall a delay of more than thirty (30) days be deemed reasonable for such purposes) after receipt thereof. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and in equity or at law. Notwithstanding the right of the Holders to

direct proceedings in accordance with Section 11.06 above, it is understood and intended that no one or more Holders of the Bonds secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds. Notwithstanding any other provision hereof, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the Principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date or, in the case of interest, on the Interest Payment Date on which such interest is due) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 11.08 Actions by Trustee; Possession of Bonds by Trustee Not Required.

All rights of action hereunder or under any of the Bonds secured hereby and thereby, enforceable by the Trustee, may be enforced by it without the possession of any of such Bonds or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Bonds to which such action relates, subject to the provisions hereof.

Section 11.09 Waiver and Non-Waiver of Default. No delay or omission of the Trustee or any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article XI to the Trustee and the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Holders of not less than a Quarter in Interest of the Outstanding Bonds, shall waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder; *provided, however*, the Trustee may not waive any default if it has received a direction from not less than a Quarter in Interest of the Outstanding Bonds that such default may not be waived by the Trustee; *provided, further*, that no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 11.10 Notice of Event of Default. The Trustee shall give notice of each Event of Default hereunder known to the Trustee to the Corporation and the Commonwealth, within ten (10) days after knowledge of the occurrence thereof and to the Holders of Bonds within thirty (30) days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; *provided, however*, that failure to provide notice to the Commonwealth of any Event of Default shall in no way limit the exercise of remedies by the Trustee or Bondholders. In the case of the Holders of the Bonds, each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof to all registered Holders of Bonds, as the names and addresses of such Holders appear on the books for registration and transfer of Bonds as kept by the Trustee and to the Bond Insurer at its last known address.

Section 11.11 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other remedy and each and every

such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity, by statute or by contract.

ARTICLE XII.

DEFEASANCE

Section 12.01 Defeasance. (a) If the Corporation shall pay or cause to be paid to the Holder of a Bond the Principal or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, herein, and in the applicable Supplemental Indenture, then all rights granted hereby and by the Act to such Bond (including without limitation, the Statutory Lien) shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Corporation, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Corporation, and all money or investments thereof held by it pursuant hereto and to the applicable Supplemental Indenture which are being held for the sole benefit of such Bonds and which are not required for the payment or redemption of Bonds of the same Series as such Bond shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year, and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Corporation, shall be transferred to any other fund or account established pursuant hereto.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Corporation shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in Article IV hereof notice of redemption on said date of such Bonds; and

(ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient in the judgment of a nationally recognized verification agent to pay when due the Principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and

(iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Corporation shall have given the Trustee, in form

satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at their last known addresses appearing on the registration books, a notice to the Holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which money is to be available for the payment of the Principal or Redemption Price, if applicable, of and interest on said Bonds; and

(iv) the Corporation shall have delivered to the Trustee an opinion of Transaction Counsel to the effect that (A) any Bond having been deemed to have been paid as provided in this Section is no longer Outstanding hereunder and is no longer secured by or entitled to the benefits of this Indenture, (B) such defeasance is in accordance with the terms hereof and (C) with respect to a Tax Exempt Bond, such defeasance will not adversely affect the exclusion of interest on such Tax Exempt Bond from gross income for purposes of federal income taxation.

The Corporation shall give written notice to the Trustee of its selection of the Series and maturity payment of which shall be made in accordance with this Section. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this Section in the manner provided in Section 4.04 hereof. Neither the Defeasance Securities nor money deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal or Redemption Price, if applicable, of and interest on said Bonds; ***provided, however,*** that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose in the judgment of a nationally recognized verification agent, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the Principal or Redemption Price, if applicable, of and interest to become due on said Bonds on and prior to such redemption date or maturity date hereof, as the case may be. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the Principal or Redemption Price, if applicable, of and interest on such Bonds, as realized, shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year, and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Corporation, shall be retained therein or transferred to any other fund or account established pursuant hereto.

(c) Anything herein to the contrary notwithstanding, any money held by the Trustee or a Paying Agent in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for three (3) years after the date when all of the Bonds of such Series have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such money was held by the Trustee or Paying Agent at such date, or for three (3) years after the date of deposit of such money if deposited with the Trustee or Paying

Agent after said date when all of the Bonds of such Series become due and payable, or three (3) years after the date when the Principal or Redemption Price of or interest on the Bonds for which said money is held was due and payable, shall, at the written request of the Corporation, be repaid by the Trustee or Paying Agent to the Corporation as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Bonds shall look only to the Corporation for the payment of such Bonds.

ARTICLE XIII.

EXECUTION OF INSTRUMENTS BY BOND HOLDERS AND PROOF OF OWNERSHIP OF BONDS

Section 13.01 Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent or other instrument which the Indenture may require or permit to be signed and executed by a Holder or Holders of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Bonds in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Bonds, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the manner set forth below, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The corporation of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Bonds and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done or omitted to be done by the Corporation or the Trustee in accordance therewith. The Corporation or the Trustee may fix a record date in connection with any such request, consent or vote.

ARTICLE XIV.

MISCELLANEOUS

Section 14.01 Preservation and Inspection of Documents. All documents received by the Trustee from the Corporation or from Bondholders under the provisions hereof or of any Supplemental Indenture shall be retained in its possession and shall be subject at all reasonable

times to the inspection of the Corporation any Bondholder and their agents and their representatives, any of whom may make copies thereof; ***provided, however,*** that with respect to inspection by a Bondholder a written request of such Bondholder must have been received by the Trustee at least five (5) Business Days prior to the date of inspection. The Trustee shall provide to the Corporation account balances and other information reasonably requested by the Corporation.

Section 14.02 Money and Funds Held for Particular Bonds. The amounts held by the Trustee or any Paying Agent for the payment of the Principal or Redemption Price of and interest on the Bonds due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the Holders of such Bonds entitled thereto, and for the purposes hereof such Principal or Redemption Price of and interest on such Bonds, due after such date thereof, shall no longer be considered to be unpaid.

Section 14.03 Cancellation of Bonds. The Trustee or any Paying Agent shall forthwith cancel all Bonds which have been redeemed or paid and shall dispose of such Bonds in accordance with its customary procedures. No such Bonds shall be deemed Outstanding Bonds hereunder and no Bonds shall be issued in lieu thereof.

Section 14.04 No Recourse under Indenture or on the Bonds. All covenants, stipulations, promises, agreements and obligations of the Corporation contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Corporation and not of any member, officer or employee of the Corporation, and no recourse shall be had for the payment of the Principal or Redemption Price of or interest on the Bonds or for any claims based thereon, hereon or on the Supplemental Indenture against any member, officer or employee of the Corporation or any person executing the Bonds, all such liability, if any, being expressly waived and released by every Holder of Bonds by the acceptance of the Bonds.

Section 14.05 Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein or in any Supplemental Indenture on the part of the Corporation or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of such Supplemental Indenture or of the Bonds.

Section 14.06 Parties of Interest. Nothing herein or in any Supplemental Indenture adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Corporation, the Trustee, the Paying Agents and the Holders and, to the extent provided in this Indenture and any Supplemental Indenture, any Bond Insurer any rights, remedies or claims hereunder or by reason hereof or of any Supplemental Indenture or any covenant, condition or stipulation thereof. All covenants, stipulations, promises and agreements herein or in any Supplemental Indenture contained by or on behalf of the Corporation shall be for the sole and exclusive benefit of the Corporation, the Trustee, the Paying Agents, the Holders and the Bond Insurer. Any Bond Insurer of any Insured Bonds issued under this Indenture is an express third party beneficiary of this Indenture and of any applicable Supplemental Indenture. Notwithstanding anything in this or any other section of the

Indenture, the Commonwealth and the Secretary of Treasury are express third party beneficiaries of the Indenture.

Section 14.07 Certain Provisions Relating to Capital Appreciation Bonds. For the purposes of receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, the then current Accreted Value of such Bond shall be deemed to be its principal amount. In computing the principal amount of Bonds held by the registered owner of a Capital Appreciation Bond in giving to the Corporation or the Trustee any notice, consent, request, or demand pursuant hereto for any purpose whatsoever, the Accreted Value of such Bond as at the immediately preceding Valuation Date shall be deemed to be its principal amount. Notwithstanding any other provision hereof, the amount payable at any time with respect to the Principal of and interest on any Capital Appreciation Bond be equal to its Accreted Value thereof at such time plus redemption premium, if any.

Section 14.08 Notices. Except as otherwise provided herein, any notices, directions or other instruments required to be given or delivered pursuant hereto or to any Supplemental Indenture shall be in writing and shall be delivered by hand against the written receipt therefor or sent by registered or certified mail addressed: in the case of the Corporation, to it to the attention of the Corporation's Executive Director with a copy to the Secretary of the Corporation's board, at Roberto Sanchez Vilella (Minillas) Government Center, de Diego Ave No. 100, San Juan, PR 00907; and in the case of the Trustee, addressed to it at the designated corporate trust office of the Trustee at 240 Greenwich Street, 7 East, New York, New York 10286 att.: Corporate Trust; in the case of the Commonwealth or the Secretary of the Treasury, to the attention of the Secretary of Treasury at 10 Paseo Covadonga, San Juan, Puerto Rico, 00901, or, in each case, to such other individual and at such other address as the person to be notified shall have specified by notice to the other persons. Any such communication may also be sent by Electronic Means, receipt of which shall be confirmed.

In the event the Trustee sends a notice to the Holders of any series of Bonds, the Trustee shall also provide such notice in electronic format, accompanied by such identifying information as is prescribed by the Municipal Securities Rulemaking Board, including the CUSIP numbers for the Bonds of the series to the Corporation's dissemination agent for distribution through the EMMA system. The Corporation shall cooperate with the Trustee to the extent necessary to facilitate the foregoing. The Trustee shall not be liable under any circumstances for monetary damages to any person for any breach of the provisions of this paragraph. The sole remedy for failure of the Trustee to perform is specific performance.

Section 14.09 Headings. Any headings preceding the text of the several Articles and Sections hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part hereof nor shall they affect its meaning, construction or effect.

MASTER TRUST INDENTURE

THIS MASTER TRUST INDENTURE, dated as of ~~February 12, 2019~~, February 12, 2019, by and between **PUERTO RICO SALES TAX FINANCING CORPORATION**, a public corporation and instrumentality of the Commonwealth of Puerto Rico, constituting a corporate and political entity independent and separate from the Commonwealth of Puerto Rico (together with any successors thereto, the “**Corporation**”), and **THE BANK OF NEW YORK MELLON**, as trustee (the “**Trustee**”).

The Corporation recites and represents to the Trustee for the benefit of the Bondholders that it has authorized this Indenture.

R E C I T A L S

On June 30, 2016, the United States of America enacted the Puerto Rico Oversight, Management and Economic Stability Act, Pub. L. No. 114–187, 130 Stat. 549 (2016), 48 U.S.C. 2101 et. seq. (“**PROMESA**”); pursuant to section 4 of PROMESA, the provisions thereof prevail over any general or specific provisions of territory law, State law, or regulation that is inconsistent therewith.

On May 3, 2017 and May 5, 2017, respectively, the Financial Oversight and Management Board (together with any successors thereto, the “**Oversight Board**”), established by the United States of America pursuant to section 101(b) of PROMESA, filed petitions for relief for the Commonwealth of Puerto Rico and the Corporation pursuant to section 304(a) of PROMESA in the United States District Court for the District of Puerto Rico (the “**Title III Court**”), commencing debt adjustment cases under title III of PROMESA (the “**Title III Cases**”).

Pursuant to section 306(b) of PROMESA, upon commencement of the Title III Cases, the Title III Court exercises exclusive jurisdiction over all property of the Commonwealth of Puerto Rico and the Corporation, wherever located.

By entry of the order attached hereto as Exhibit A (as amended or modified, the “**Confirmation Order**”), the Title III Court confirmed the Corporation’s Plan of Adjustment (as defined below), the material components of which were the quieting of title to certain sales and use tax revenues pursuant to the final settlement between the Corporation and the Commonwealth of Puerto Rico (the “**Settlement**”) and the restructuring of all claims against the Corporation and the Commonwealth of Puerto Rico relating to pre-existing indebtedness of the Corporation through, among other things, the issuance of Bonds (as defined below) pursuant to this Indenture.

On October 19, 2018, the Corporation and the Commonwealth of Puerto Rico entered into an agreement embodying the Settlement (the “**Settlement Agreement**”); contemporaneously with entry of the Confirmation Order, the Title III Court entered an order approving the Settlement in the Title III Case of the Commonwealth of Puerto Rico.

On November 15, 2018, in furtherance of the Settlement, the Commonwealth (as defined below) enacted Act 241-2018, amending Act 91-2006 (collectively, as so amended by Act 241-2018, the “Act”), which originally created the Corporation.

~~[DETERMINATIONS SET FORTH BELOW ARE SUBJECT TO REVISION TO REFLECT FINAL ORDER]~~

(i) be, in default in the performance of any of the covenants, conditions, agreements or provisions contained herein or in the Ancillary Agreements (to the extent affecting the issuance of the Bonds), or stating that after the issuance thereof the Corporation shall no longer be in default in the performance of any of the covenants, conditions, agreements or provisions contained herein; and

(ii) violate the restrictions on the issuance of Bonds contained in the Ancillary Agreements;

(d) For each issuance of Bonds (i) the written direction of the Secretary of Treasury to issue such Bonds and (ii) a certificate of the Secretary of Treasury stating that (A) the Commonwealth is not, and, as a result of the issuance of such Bonds, shall not be, in default in the performance of any of the covenants of the Commonwealth contained herein and in the Act or (B) after the issuance of such Bonds, the Commonwealth shall no longer be in default in the performance of any of the covenants of the Commonwealth contained herein and in the Act;

(e) For each issuance of Refunding Bonds, a certificate of an Authorized Officer of the Corporation demonstrating that upon the issuance of such Series of Refunding Bonds:

(A) the Corporation is not entitled to an increase in the COFINA Revenues;

(C) upon the issuance of any Refunding Bonds:

(2) Debt Service Savings shall only be realized in the same Fiscal Years in which Principal of the Bonds and the interest thereon were refunded and/or purchased;

Section 2.03 Supplemental Indentures. Each Supplemental Indenture authorizing the issuance of a Series of Bonds shall specify the following:

- (a) The authorized principal amount of such Series of Bonds;
- (b) The date or dates of the Bonds, the maturity date or dates and principal amounts of each maturity of the Bonds of such Series, the amount and date of each Sinking Fund Installment, as applicable, and which Bonds of such Series are Serial Bonds or Term Bonds, if any, and the Record Date or Record Dates of the Bonds of such Series;
- (c) The interest rate or rates, if any, on the Bonds of such Series and the first date on which interest on the Bonds of such Series shall be payable; ***provided, however,*** in no event shall a Holder of Bonds be entitled to the payment of a penalty for a payment default (including, without limitation, penalty interest and any interest or other amounts due thereon) other than overdue interest that accrues at the regular non-penalty rate of the applicable Bond or interest accruing on such overdue interest at the regular non-penalty rate of the applicable Bond;
- (d) If all or a portion of the Bonds of such Series are Capital Appreciation Bonds, the Valuation Dates for such Bonds and the Accreted Value on each such Valuation Date;

(k) Any other provisions deemed advisable by an Authorized Officer of the Corporation not in conflict with the provisions hereof or of any Ancillary Agreement.

Section 2.04 Additional Indebtedness. Following the issuance of the Initial Bonds, the Corporation may not incur any additional indebtedness except that the Corporation may issue or incur:

(a) Refunding Bonds under and in compliance with the provisions hereof, including, particularly, Section 2.02(e); and

(b) obligations under and in accordance with the requirements contained in Section 16.3 of the Plan of Adjustment ("**Subordinated Lien Bonds**"), which requirements are described in the next following paragraph (the "**Additional Bonds Test**").

The Corporation may issue Subordinated Lien Bonds for the benefit of, and with the consent of, the Commonwealth and for any lawful purpose of the Commonwealth, provided that (x) repayment of such Subordinated Lien Bonds shall be secured by a second lien that is subordinated in all respects, including, without limitation, in respect of payment, funding and remedies to the Bonds, with repayment of Subordinated Lien Bonds being secured by a subordinated second or more junior lien on the Pledged Sales Taxes; ***provided, however***, that repayment of the Subordinated Lien Bonds shall not be payable from the COFINA Revenues and (y) prior to the issuance thereof, the Secretary of Treasury and an Authorized Officer of the Corporation shall deliver a jointly executed certificate to the Trustee certifying that the following conditions are each satisfied: (i) the Projected Pledged Sales Taxes equal or exceed one and one-half times (1.5x), in any succeeding Fiscal Year, the annual aggregate debt service due on the Bonds and Subordinated Lien Bonds to remain outstanding after the issuance of such Subordinated Lien Bonds (including the Subordinated Lien Bonds to be issued); (ii) the

preceding Fiscal Year's collections from the Pledged Sales Taxes is equal to or greater than one and one-tenth times (1.10x) coverage of the maximum annual aggregate debt service due in any succeeding Fiscal Year on all Bonds and Subordinated Lien Bonds to remain outstanding after the issuance of such Subordinated Lien Bonds (including the Subordinated Lien Bonds to be issued); and (iii) the Subordinated Lien Bonds have a maturity not later than Fiscal Year 2058; ***provided, however***, that, subsequent to June 30, 2028, and subject to compliance with the foregoing Additional Bonds Test, final maturity beyond Fiscal Year 2058 shall be permissible for future Subordinated Lien Bonds.

Any Subordinated Lien Bonds permitted to be issued by the Corporation hereunder and under the Act shall be issued pursuant to a separate bond resolution or bond indenture provided that the issuance thereof is authorized by the Additional Bonds Test set forth above and by the Commonwealth Legislature, which legislation shall establish, or provide for the establishment of, the terms of such Subordinated Lien Bonds and the purposes for which the proceeds of such Subordinated Lien Bonds may be used. Notwithstanding anything to the contrary herein, any such Subordinated Lien Bonds issued by the Corporation shall not be secured by nor shall such Subordinated Lien Bonds be payable from the Trust Estate.

ARTICLE III.

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.01 Place and Medium of Payment. The Bonds shall be payable, with respect to interest, Principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Except as otherwise provided in Section 4.06 hereof, upon presentation and surrender of Bonds, the Principal or Redemption Price of such Bonds shall be payable at the designated corporate trust office of the Trustee. Interest on the Bonds shall be paid by check mailed to the registered owner thereof at the address thereof as it appears on the registry books of the Corporation or if authorized by the Supplemental Indenture authorizing a Series of Bonds by wire transfer to such registered owner of the Bonds of such Series. For purposes of this Section, interest is payable on an Interest Payment Date to the registered owner of a Bond at the close of business on the Record Date for such Bond. All payments of Principal or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds in connection with which such payment is made.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of each Series issued prior to the first Interest Payment Date thereof shall be dated as of the date specified in the Supplemental Indenture authorizing the issuance thereof. Bonds of each Series issued on or subsequent to the first Interest Payment Date thereof shall be dated as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an Interest Payment Date, in which case they shall be dated as of such date of authentication; ***provided, however***, that if, as shown by the records of the Trustee, interest on the Bonds of any Series has not been paid as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, the

Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange shall be dated as of the date through which interest has been paid in full on the Bonds surrendered or, if no interest has been paid on the Bonds surrendered since their authentication, as of the date of authentication of the surrendered Bonds. Bonds of each Series shall bear interest from their date and shall bear interest on overdue interest at the interest rate of such Bonds, which shall capitalize on each Interest Payment Date. For the avoidance of doubt, if any Principal of, or accrued interest on, a Bond is not paid when due, such Principal and interest shall remain due and payable until paid.

All Bonds of each Series shall mature and/or have Sinking Fund Installments on July 1 of the year or years fixed by the Supplemental Indenture authorizing the issuance of such Bonds. Interest on all Bonds (other than Capital Appreciation Bonds) shall be payable on each Interest Payment Date of each year. The first installment of interest due on the Bonds of a Series may be for such period as the Corporation shall fix in the Supplemental Indenture authorizing the issuance thereof.

Section 3.02 Legends. The Bonds may contain, or have endorsed thereon, such provisions, specifications and descriptive words not inconsistent herewith or with any Supplemental Indenture authorizing the same, as may be necessary or desirable and as may be determined by the Corporation prior to their delivery. The Initial Bonds shall distinctively bear the following legend: “~~DETERMINED TO BE VALID BY THE CONFIRMATION ORDER OF THE~~ UNITED STATES DISTRICT COURT FOR THE DISTRICT OF PUERTO RICO TO BE VALID, LEGALLY BINDING, AND ENFORCEABLE PURSUANT TO THE JUDGEMENT AND CONFIRMATION ORDER, ENTERED ON THE 5TH DAY OF FEBRUARY, 2019.”

Section 3.03 CUSIP Numbers. The Corporation shall provide for the assignment of CUSIP numbers for all Bonds and cause such CUSIP numbers to be printed thereon, and the Trustee shall use such CUSIP numbers in notices of redemption and on all checks payable to Bondholders as a convenience to Bondholders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption shall not affect the validity of the proceedings for redemption. The Corporation shall promptly notify the Trustee of any change in the CUSIP numbers assigned to any Bond of which the Corporation has knowledge. The Trustee shall deliver a copy of the foregoing notice to the Holders promptly following its receipt thereof.

Section 3.04 Execution and Authentication. The Bonds shall be executed in the name of the Corporation by the manual or facsimile signature of an Authorized Officer thereof, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the board of the Corporation or other Authorized Officer of the Corporation, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed any of the Bonds shall cease to be such officer or employee before the Bonds so signed shall have been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed on

behalf of the Corporation by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or be employed by, the Corporation, although at the date of the Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Indenture authorizing the issuance of such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such executed certificate of authentication shall be entitled to any right or benefit hereunder and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Corporation shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and that the Holder thereof is entitled to the benefits hereof.

Section 3.05 Interchangeability of Bonds. Bonds, upon surrender thereof at the designated corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denominations.

Section 3.06 Transfer and Registry. So long as any of the Bonds remain Outstanding, the Corporation shall maintain and keep, or cause to be maintained and kept, at the designated corporate trust office of the Trustee, books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose at said office, the Corporation shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Corporation shall make all necessary provisions to permit the exchange of Bonds at the designated corporate trust office of the Trustee.

Section 3.07 Transfer of Bonds. Each Bond shall be transferable only upon the books of the Corporation, which shall be kept for that purpose at the designated corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Corporation or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Corporation shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series, maturity and tenor as the surrendered Bond.

The transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Corporation and the Trustee may deem and treat the person in whose name any Outstanding Bond shall be registered upon the books of the Corporation as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Principal or Redemption Price of and, subject to the provisions of Section 3.01 hereof with respect to Record Dates, interest on such Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Corporation nor the Trustee shall be affected by any notice to the contrary. The Corporation agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

Section 3.08 Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Corporation shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions hereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Corporation or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Corporation or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. The Corporation shall not be obliged to make, or cause to be made, any exchange or transfer of Bonds of any Series during the period beginning on the Record Date for such Bonds immediately preceding an Interest Payment Date on such Bonds and ending on such Interest Payment Date, or, in the case of any proposed redemption of Bonds of such Series, after the date immediately preceding the date notice of redemption has been mailed.

Section 3.09 Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond shall become mutilated or be destroyed, lost or stolen, the Corporation in its discretion may execute, and upon its request the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, tenor and principal amount as the Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed, lost or stolen, upon filing with the Corporation evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be canceled by it and evidence of such cancellation shall be given to the Corporation. In case any Bond which has matured or is about to mature shall have become mutilated or have been destroyed, lost or stolen, the Corporation may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of such mutilated Bond upon the surrender on or after the maturity date thereof, or authorize the payment of such destroyed, lost or stolen Bond, upon the Holder thereof filing

evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith.

Section 3.10 Book Entry Bonds. Anything herein to the contrary notwithstanding, Bonds may be authorized and issued as Book Entry Bonds in accordance with the Supplemental Indenture authorizing such Bonds.

For all purposes of the Indenture the Holder of a Book Entry Bond shall be the Depository therefor and neither the Corporation nor the Trustee shall have responsibility or any obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Depository. Without limiting the generality of the foregoing, neither the Corporation nor the Trustee shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (a) the accuracy of the records of the Depository or any participant with respect to any beneficial ownership interest in such Bond, (b) the delivery to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (c) the payment to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any amount with respect to the Principal or Redemption Price of, or interest on, such Bond. The Corporation and the Trustee may treat the Depository therefor as the absolute owner of a Book Entry Bond for the purpose of (x) payment of the Principal or Redemption Price of and interest on such Bond, (y) giving notices of redemption and of other matters with respect to such Bond, (z) registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all Principal or Redemption Price of and interest on such Bond only to or upon the order of the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Corporation's obligations with respect to such Principal or Redemption Price and interest to the extent of the sum or sums so paid. No person other than the Depository shall receive a Bond or other instrument evidencing the Corporation's obligation to make payments of the principal or Redemption Price thereof and interest thereon.

Anything herein to the contrary notwithstanding, payment of the Redemption Price of a Book Entry Bond which is redeemed in part prior to maturity may be paid to the Depository by wire transfer without surrender of such Bond to the Trustee; ***provided, however,*** that the Trustee shall maintain records as to each such payment and of the principal amount of such Bond Outstanding, which shall be binding on the Corporation and the Holders from time to time of such Bond.

The Corporation, without the consent of the Trustee, the beneficial owner of a Book Entry Bond or any other person, may terminate the services of the Depository with respect to a Book Entry Bond if the Corporation reasonably determines in good faith following consultation with the Trustee that (a) the Depository is unable to discharge its responsibilities with respect to such Bonds or (b) a continuation of the requirement that all of the Outstanding Bonds of like Series issued in book entry form be registered in the registration books of the Corporation in the name of the Depository, is not in the best interest of the beneficial owners of such Bonds, and the

Corporation shall terminate the services of the Depository upon receipt by the Corporation and the Trustee of written notice from the Depository that it has received written requests that such Depository be removed from its participants having beneficial interests, as shown in the records of the Depository, in an aggregate amount of not less than a Majority in Interest of the then Outstanding Bonds for which the Depository is serving as Depository.

Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the reasonable opinion of the Corporation following consultation with the Trustee, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but shall be registered in the name or names of the Bondholders transferring or exchanging such Bonds shall designate, in accordance with the provisions of Article III hereof.

In connection with any proposed transfer outside the book-entry system, the Corporation or the Depository shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.11 Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series shall be lithographed or printed on steel engraved borders, except that Book Entry Bonds may be typewritten. Until the definitive Bonds of any Series are prepared, the Corporation may execute, in the same manner as is provided in Section 3.04 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Corporation, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Corporation at its own expense shall prepare and execute and, upon the surrender at the designated corporate trust office of the Trustee of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the designated corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant hereto.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

ARTICLE IV.

REDEMPTION OF BONDS

Section 4.01 Authorization of Redemption. Bonds subject to redemption prior to maturity pursuant hereto or to a Supplemental Indenture shall be redeemable, in accordance with this Article IV, at such times, at such Redemption Prices and upon such terms as may otherwise be specified herein or in the Supplemental Indenture authorizing such Series.

Section 4.02 Redemption at the Election of the Corporation. In the case of any redemption of Bonds other than as provided in Section 4.03 hereof, the Corporation shall give written notice to the Trustee of its election to redeem, of the Series and of the principal amounts and Redemption Prices of the Bonds of each maturity of such Series to be redeemed. Such notice shall be given not less than thirty-five (35) days prior to the redemption date. The Series, maturities and principal amounts thereof to be so redeemed shall be determined by the Corporation in its sole discretion, subject to any limitations with respect thereto contained herein (including, without limitation, Section 4.04 below) or in the Supplemental Indenture authorizing such Series. The Corporation shall pay to the Trustee on or prior to the redemption date an amount which, in addition to other amounts available therefor held by the Trustee in the Debt Retirement Fund, is sufficient to redeem on the redemption date at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds to be so redeemed.

Section 4.03 Redemption Other Than at Corporation's Election. Whenever by the terms hereof or of a Supplemental Indenture the Trustee is required to redeem Bonds through the application of mandatory Sinking Fund Installments, the Trustee shall select the Bonds of the Series and maturities to be redeemed in the manner provided in Section 4.04 hereof, give the notice of redemption and pay out of money available therefor the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

Section 4.04 Selection of Bonds to be Redeemed. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of Bonds of a Series, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw the Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the numbers assigned thereto as in this Section 4.04 provided) which end in the same digit or in the same two digits. In case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or

groups so drawn in such manner as the Trustee may reasonably determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; ***provided, however,*** that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

For purposes of this Section 4.04, the lowest denomination in which a Capital Appreciation Bond is authorized to be issued shall be the lowest Accreted Value authorized to be due at maturity on such Bonds.

Notwithstanding the foregoing, in the event that a Depository shall be the registered owner of all of such Bonds of the Series being redeemed, if less than all of the Bonds of a particular Series are called for redemption, the Corporation shall select the maturity or maturities of such Series to be redeemed and the Depository, on behalf of the Trustee, shall select the Bonds within the same maturity of such Series to be redeemed by means of a random lottery and in any event in accordance with the applicable practices of the Depository.

Section 4.05 Notice of Redemption. Whenever Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Bonds in the name of the Corporation which notice shall specify: (a) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Article II hereof; (b) the maturity dates and interest rates or accretion rates of the Bonds to be redeemed and the date of such Bonds; (c) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (d) the redemption date; (e) the Redemption Price, if then known; (f) with respect to each such Bond, the principal amount thereof to be redeemed; (g) that, except in the case of Book Entry Bonds, such Bonds will be redeemed at the designated corporate trust office of the Trustee giving the address thereof and the telephone number of the Trustee to which inquiries may be directed; (h) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on a Bond or as contained in such notice shall not affect the validity of the proceedings for redemption; and (i) if the Corporation's obligation to redeem the Bonds is subject to conditions, a statement to that effect and of the conditions to such redemption. Such notice shall further state that, if on such date all conditions to redemption have been satisfied, there shall become due and payable on such date upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Such notice shall be given by mailing a copy of such notice not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. Such notice shall be sent by first class mail, postage prepaid (i) to the registered owners of the Bonds which are to be redeemed, at their last known addresses, if any, appearing on the registration books, and (ii) to the Bond Insurer (if any) insuring the Bonds to be redeemed, at the Bond Insurer's last known address, not more than ten (10) Business Days prior to the date such notice is given. Upon giving such notice, the Trustee shall promptly certify to the Corporation that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided herein. Such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of

any Holder of a Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds.

The Trustee shall, if any of the Bonds to be redeemed are Book Entry Bonds, transmit a copy of the notice of redemption to the Depository for such Book Entry Bonds not less than thirty (30) days nor more than sixty (60) days prior to the redemption at the most recent address therefor, or to any successor thereof (or, if the Bonds are held by the Depository, such notice shall be given in accordance with the procedures of the Depository). Transmittal of such copy to the Depository in accordance with the foregoing sentence shall be conclusive evidence of delivery thereof to the holders of beneficial interests in a Book Entry Bond and no such notice shall be required to be transmitted by the Corporation directly to any such beneficial holder nor shall transmittal to a beneficial holder by the Corporation be a condition precedent to such redemption or affect the validity of the proceedings for redemption of the Bonds. This paragraph shall not alter the Trustee's obligation to transmit a notice of redemption to the Bond Insurer as provided in the preceding paragraph.

Section 4.06 Payment of Redeemed Bonds. Section 5.12 Transfer of Investments. Whenever money in any fund or account established hereunder is to be paid in accordance herewith to another such fund or account, such

payment may be made, in whole or in part, by transferring to such other fund or account investments held as part of the fund or account from which such payment is to be made, whose value, together with the money, if any, to be transferred, is equal to the amount of the payment then to be made; ***provided, however,*** that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

Exempt Bonds shall be and remain excludable from gross income for federal income tax purposes.

Section 7.13 Rating On Substituted Collateral. In the event that, as permitted pursuant to Section 3.3 of the Act, the Commonwealth elects to provide Substituted Collateral, the Corporation covenants to use its reasonable best efforts and to work in good faith to obtain best ratings on the then Outstanding Bonds (which ratings shall, in any event, also comply with the Substitution Requirements), including but not limited to, promptly responding to requests for documents.

Section 7.14 Covenants of the Commonwealth. The Commonwealth, with the intent to be contractually bound, has authorized the Corporation to include the following covenants in this Indenture for the benefit of the Holders of Bonds:

The Commonwealth shall not, and no Government Entity shall be authorized to, until all Bonds, together with the interest thereon, and all amounts and obligations hereunder and under the Ancillary Agreements, have been completely paid in cash in full or defeased in accordance with Section 12.01 hereof:

- (a) take any action that would (i) impair the Corporation's right to receive the COFINA Revenues, (ii) limit or alter the rights vested in the Corporation in accordance with the Plan of Adjustment to fulfill the terms of any agreements with the Holders of Bonds, (iii) materially and adversely impair the collection of the Pledged Sales Taxes in any Fiscal Year, or (iv) impair the rights and remedies of the Holders of the Bonds or the collateral security established under Article 3.2 of the Act;
- (b) reduce the Pledged Sales Taxes to a rate less than five and one-half percent (5.5%) unless, in connection with such reduction, the Corporation shall have received a Rating Confirmation from each of at least two of the Rating Services then providing a credit rating on the Outstanding Bonds at the request of the Corporation, with at least one such Rating Confirmation being provided by S&P or Moody's, that the rating of such Rating Service on the Bonds (without regard to bond insurance or other credit enhancement) will not be downgraded and will be at least A2/A category or higher following such reduction; provided, however, that, notwithstanding the foregoing, if the rate of the Pledged Sales Taxes is reduced below three percent (3%), then, in connection with such reduction, the Commonwealth shall comply with the Substitution Requirements;
- (c) impair, limit, restrict, rescind, delay or modify the rights or powers of the Corporation, the Trustee or the Holders under the Act or relating to the COFINA Revenues, or the Corporation's ability to meet its obligations to the Holders;
- (d) amend the Act to impair, limit, restrict, rescind, delay or modify any obligation or commitment of the Corporation to the Holders; or

- (e) limit or restrict the rights or powers of the appropriate officers of the Commonwealth to impose, maintain, charge or collect the Pledged Sales Taxes;

provided that the foregoing shall not preclude the Commonwealth from exercising its power, through a change in law, to replace the portion of the Sales and Use Tax that corresponds to a tax rate of five and one-half percent (5.5%) with Substituted Collateral in accordance with the Substitution Requirements.

Section 7.15 Corporate Existence. To the extent permitted by law, the Corporation shall not take any action, or fail to take any action, the result of which would be the Corporation failing to keep in full effect its existence, rights, duties, obligations and franchises as a public corporation and governmental instrumentality of the Commonwealth under the laws of the Commonwealth, including, without limitation, the Act. Without limiting the generality of the immediately preceding sentence, the Corporation shall not merge or consolidate, directly or indirectly, with any other legal person.

Section 7.16 Separateness. The Corporation shall operate as a legally separate entity from the Commonwealth (including all public corporations, agencies, and instrumentalities thereof) and all other legal persons and as a bankruptcy remote, single purpose entity (limited to the activities authorized in the Act). The Corporation shall (a) avoid commingling the COFINA Revenues and other assets of the Corporation with those of the Commonwealth or any other legal person; (b) keep the Corporation By-Laws separate and in full force and effect; (c) maintain separate financial statements, bank accounts, and books and records; (d) observe separate corporate governance, management and other formalities of the Corporation; (e) otherwise operate as an entity that is separate and distinct from all other legal persons, including, without limitation, the Commonwealth and its other public corporations, agencies and instrumentalities; and (f) comply with the separateness covenants contained in the Corporation By-Laws.

Section 7.17 Corporate Governance. The Corporation's board of directors shall consist of three (3) members appointed by the Governor of the Commonwealth, each of whom shall meet the fiduciary, independence and qualification standards set forth in the Act and the Corporation By-Laws, including, without limitation, that no director may be an officer, employee or director of the Commonwealth or any instrumentality thereof (other than the Corporation) and shall otherwise be qualified to serve on the board of directors.

Section 7.18 Resignation of a Director. The Corporation shall provide written notice to the Trustee of the resignation of any member of the Corporation's board of directors within five (5) Business Days of receipt by the Corporation of written notice by such member of his or her resignation. The Trustee shall deliver a copy of the foregoing notice to the Holders promptly following its receipt thereof.

Section 7.19 Amendments to the Instructions Agreement. For the avoidance of doubt, this Section does not apply to Modifications to the Instruction Agreement ~~and/or~~ the Contract (as such term is defined in the Instruction Agreement) specified in Section 6(f)(ii) (*Exempt Modifications*) of the Instructions Agreement. Except as provided in the preceding sentence, the Corporation shall not execute or consent to any Modification and no such Modification shall be effective without the prior written approval of the Trustee, which written

approval shall be delivered by the Trustee, without unreasonable delay, upon receipt by the Trustee of evidence of satisfaction of any one of the following conditions:

(a) (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, and (ii) an opinion of a Qualified Municipal Advisor Firm to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, **provided, however**, that if the Outstanding Bonds are rated higher than Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's), then this clause (a) shall not be a permitted option; or

(b) if the Outstanding Bonds are rated at least Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's), (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect, and (ii) Rating Confirmations on the Outstanding Bonds; or

(c) (i) an opinion of Transaction Counsel to the effect that the Modification will not materially adversely affect the interests of the Holders in any respect and (ii) entry of an order that is unstayed and in full force and effect of the Title III Court or any appellate court therefrom (or, in the event such court does not have or accept jurisdiction, in any federal district court sitting in Puerto Rico or any appellate court therefrom, or, in the event such federal district court does not have or accept jurisdiction, a Commonwealth court or any appellate court therefrom) determining that such Modification will not materially adversely affect the interests of the Holders in any respect, **provided** that notice of the Modification (including a copy thereof) has been posted on EMMA at least thirty (30) days prior to the filing of the motion seeking approval of such Modification and the Corporation shall not seek to shorten time on the time for objection to such motion; and **provided, further**, that such order shall not be required and the Trustee's written approval shall be deemed given, if subclause (i) of this clause (c) has been satisfied and after sixty (60) days' prior written notice of any proposed Modification to the Trustee and to the Holders by posting the notice on EMMA (which notice included a copy thereof), the Trustee has not objected in writing to the Corporation on the basis that entry into such Modification would materially adversely affect the rights and interests of the Holders in any respect.

ARTICLE VIII.

CONCERNING THE TRUSTEE AND THE PAYING AGENT

Section 8.01 Appointment and Acceptance of Trustee. The Trustee, by its execution and delivery of this Indenture, does signify its acceptance of its appointment as and of the duties and obligations of Trustee and Paying Agent imposed upon it hereby.

Section 8.02 Appointment and Acceptance of Paying Agents. In addition to the Trustee, the Corporation may appoint one or more Paying Agents for the Bonds of any Series in the Supplemental Indenture authorizing such Bonds or in the manner provided herein or in such Supplemental Indenture or shall appoint such Paying Agent or Paying Agents prior to the authentication and delivery of the Bonds so long as any such Paying Agents satisfy the

requirements set forth in Section 8.10 hereof, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 8.10 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it hereby by written instrument of acceptance deposited with the Corporation and the Trustee.

Section 8.03 Responsibilities of Trustee and Paying Agents. The recitals of fact contained herein and in each Supplemental Indenture and in the Bonds shall be taken as the statements of the Corporation and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent makes any representations as to the validity or sufficiency hereof, of any Supplemental Indenture or of any Bonds, or in respect of the security afforded hereby or by each Supplemental Indenture, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to: (i) the issuance of the Bonds for value; (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee or Paying Agent; or (iii) the application of any money paid to the Corporation or others in accordance herewith and with each Supplemental Indenture except as to the application of any money paid to it in its capacity as Trustee or Paying Agent. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of or failure to perform its duties hereunder and under each Supplemental Indenture except for its own negligence or willful misconduct.

The duties and obligations of the Trustee and any Paying Agent shall be determined by the express provisions hereof and of each Supplemental Indenture and neither the Trustee nor any Paying Agent shall be liable except for the performance of or failure to perform such duties and obligations as are specifically set forth herein and in each Supplemental Indenture, and no implied covenants or obligations should be read into this Indenture against the Trustee. If any Event of Default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

Section 8.04 Property Held in Trust. All money and securities conveyed to or held by the Trustee at any time pursuant to the terms hereof and of each Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions hereof and of each Supplemental Indenture.

Section 8.05 Rights of the Trustee and the Paying Agent. The Trustee and any Paying Agent shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it in good faith to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel of its selection, who may or may not be of counsel to the Corporation, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under any Supplemental Indenture, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Corporation. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Supplemental Indenture upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Supplemental Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Supplemental Indenture by the Corporation to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Corporation by an Authorized Officer thereof.

The Trustee shall not be deemed to have notice of any Event of Default hereunder unless an Authorized Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default is received by the Trustee at the designated corporate trust office of the Trustee and such notice references the Bonds relative to which an Event of Default has occurred.

The Trustee may request that the Corporation deliver a certificate of an Authorized Officer of the Corporation setting forth the names of individuals and their respective titles of officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any person authorized to sign an officer's certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except as may be otherwise agreed upon.

Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

The Trustee shall have no liability for any action or failure to act in good faith in accordance with a direction of the Holders of a Quarter in Interest of Outstanding Bonds or Majority in Interest of Outstanding Bonds, as applicable, pursuant to the terms hereof in respect of such action or failure to act, except to the extent of its negligence or willful misconduct in connection therewith.

The Trustee and any Paying Agent shall have the right to accept and act upon instructions, including funds transfer instructions given pursuant to this Indenture and delivered using Electronic Means (“Instructions”); provided, however, that the Corporation shall provide to the Trustee and each Paying Agent an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Corporation whenever a person is to be added or deleted from the listing. If the Corporation elects to give the Trustee or a Paying Agent Instructions using Electronic Means and the Trustee or such Paying Agent in its discretion elects to act upon such Instructions, the Trustee’s or ~~asuch~~ Paying Agent’s understanding of such Instructions shall be deemed controlling. The Corporation understands and agrees that the Trustee or a Paying Agent cannot determine the identity of the actual sender of such Instructions and that the Trustee and such Paying Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer of the Corporation listed on the incumbency certificate provided to the Trustee or such Paying Agent have been sent by such Authorized Officer. The Corporation shall be responsible for ensuring that only Authorized Officers thereof transmit such Instructions to the Trustee or any Paying Agent and that the Corporation and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords or authentication keys upon receipt by the Corporation. Neither the Trustee nor any Paying Agent shall be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s or such Paying Agent’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Corporation agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee or any Paying Agent, including without limitation the risk of the Trustee or such Paying Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee or any Paying Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Corporation; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee and any Paying Agent immediately upon learning of any breach, compromise or unauthorized use of the security procedures.

Section 8.06 Compensation and Indemnification. Unless otherwise provided, the Corporation shall pay to the Trustee and to each Paying Agent, from time to time, such compensation as shall be agreed in writing for all services rendered by it hereunder and under the applicable Supplemental Indenture, and also all reasonable and necessary expenses, charges, counsel fees and expenses and other disbursements, including those of their attorneys, agents and employees, required to be incurred in the performance of their powers and duties hereunder and under the applicable Supplemental Indenture. The Corporation shall indemnify and save the Trustee and each Paying Agent harmless against any liabilities which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and under the applicable Supplemental Indenture and which are not due to its negligence or willful misconduct. None of the provisions contained herein or in any Supplemental Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The

Trustee Expenses Cap does not apply to or limit the Corporation's liability under this section for the fees, expense and indemnification of the Trustee and each Paying Agent.

The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other person employed to act hereunder.

The provisions of this Section shall survive termination of this Indenture and the resignation and removal of the Trustee.

Section 8.07 Permitted Acts. The Trustee may become the owner of or may deal in Bonds as fully and with the same rights as if it were not such Trustee or a Paying Agent. The Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Corporation or any committee formed to protect the rights of Holders of Bonds or to effect or aid in any reorganization growing out of the enforcement hereof or of the Bonds or any Supplemental Indenture whether or not such committee shall represent the Holders of a Majority in Interest of the then Outstanding Bonds in respect of which any such action is taken.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys appointed with due care.

The permissive rights of the Trustee to do things enumerated in this Indenture shall not be constructed as a duty unless so specified herein.

Section 8.08 Resignation of Trustee. The Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations hereunder and under each Supplemental Indenture by giving not less than sixty (60) days' written notice to: (a) the Corporation, and (b) the Holders of the Bonds by first class mail, postage prepaid, at their last known addresses, if any, appearing on the registration books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Such resignation shall take effect upon the date specified in such notice (which shall be no sooner than the date specified in the immediately preceding sentence) unless previously a successor shall have been appointed as provided in Section 8.10 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; *provided, however*, that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 8.10 hereof.

Section 8.09 Removal of Trustee. The Trustee and/or Paying Agent, or any successor thereof, may be removed at any time upon 30 day's written notice by the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Corporation. The Trustee and/or Paying Agent, or any successor thereof, may also be removed at any time for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of any Supplemental Indenture with respect to the duties and obligations of the Trustee, as applicable,

by any court of competent jurisdiction upon application by the Holders of a Quarter in Interest of the Outstanding Bonds. No removal hereunder shall take effect until a successor Trustee has been appointed and has accepted such appointment. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the applicable Holders to the Trustee or such successor thereof and to the Corporation.

Section 8.10 Successor Trustee and/or Paying Agent. In case the Trustee and/or Paying Agent, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee and/or Paying Agent or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee and/or Paying Agent or of its property or affairs, a successor may be appointed by the Holders of a Quarter in Interest of the Outstanding Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Holders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee and/or Paying Agent, notification thereof being given to the Corporation and the predecessor Trustee and/or Paying Agent; **provided, nevertheless,** that unless a successor Trustee and/or Paying Agent shall have been appointed by the Holders as aforesaid, the Corporation by a duly executed written instrument signed by an Authorized Officer of the Corporation shall forthwith appoint a Trustee and/or Paying Agent to fill such vacancy until a successor Trustee and/or Paying Agent shall be appointed by the Holders as authorized in this Section. The Trustee and/or Paying Agent shall mail a copy of the notice of any such appointment, postage prepaid, to the Holders of any Bonds, at their last addresses appearing on the registry books or, in the case of a Bond Insurer, at such Bond Insurer's last known address. Any successor Trustee and/or Paying Agent appointed by the Corporation shall, immediately and without further act, be superseded by a Trustee and/or Paying Agent appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

If in a proper case no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 8.08 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee and/or Paying Agent or any Holder may apply, at the expense of the Corporation, to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor appointed under the provisions of this Section shall be a bank having trust powers, a trust company or national banking association, in each case located in the State of New York and having a capital and surplus aggregating at least \$50,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by each Supplemental Indenture.

Neither the Corporation, the Commonwealth, any Government Entity nor any public corporation, agency or instrumentality of the foregoing nor any entity or person affiliated with the foregoing may be appointed as Trustee or Paying Agent hereunder.

Section 8.11 Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 8.10 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Corporation, an instrument accepting such appointment, and

thereupon such successor, without any further act, deed or conveyance shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under each Supplemental Indenture, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Corporation or of such successor, and upon payment of all amounts owed to it hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over, assign and deliver to such successor any money or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Corporation be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties or obligations, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Corporation.

Section 8.12 Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 8.10 hereof, shall be the successor to such Trustee, without any further act, deed or conveyance. In the event that such entity is not so qualified, such entity shall nevertheless continue to serve as Trustee until a successor Trustee is appointed by the Holders of a Quarter in Interest of the Outstanding Bonds.

Section 8.13 Ancillary Agreements. The Trustee is authorized to enter into and perform its obligations under the Instructions Agreement and any other Ancillary Agreements.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.01 Modification and Amendment without Consent. Notwithstanding any other provisions of this Article IX or Article X hereof, the Corporation and the Trustee may, subject to the rights of the Secretary of Treasury in Article X hereof, execute and deliver at any time or from time to time Supplemental Indentures for any one or more of the following purposes, and each such Supplemental Indenture shall become effective in accordance with its terms:

(a) To provide for the issuance of a Series of Bonds under and in accordance with (and, for the avoidance of doubt, not in any way contrary to or inconsistent with) the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To add additional covenants and agreements of the Corporation for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements

are not contrary to or inconsistent with the covenants and agreements of the Corporation or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that such additional covenants and agreements shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(c) To prescribe further limitations and restrictions upon the issuance of Refunding Bonds and Subordinated Lien Bonds by the Corporation which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect including the limitations and restrictions set forth in the Act, the Plan of Adjustment and the legislation enacted relating to the issuance of Subordinated Lien Bonds;

(d) To surrender any right, power or privilege reserved to or conferred upon the Corporation by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Corporation or the Commonwealth contained herein, in the Ancillary Agreements or in the Act; provided that same shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(e) To confirm, as further assurance, the Statutory Lien, and the subjection to the Statutory Lien, of the Corporation's right title and interest in the Pledged Sales Taxes, or any other money, investments thereof or funds, provided that such further assurance shall be for the equal benefit and security of all Bonds, without discrimination or preference;

(f) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the effective date of such Supplemental Indenture shall cease to be Outstanding, and all Bonds issued under such Supplemental Indentures shall contain a specific reference to the modifications contained in such subsequent Supplemental Indenture;

(g) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that such modification shall not, in the opinion of Transaction Counsel to be provided in accordance with the last paragraph of this Section 9.01, adversely affect the interests of the Bondholders in any respect.

(h) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective unless there has been delivered to the Trustee (i) a Rating Confirmation on the Outstanding Bonds and (ii) an opinion of Transaction Counsel to the effect that the same is not inconsistent with this Indenture and will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for purposes of federal income taxation, ***provided, however,*** this clause (h) shall be inapplicable unless the Outstanding Bonds are rated at least Baa3/BBB- (or equivalent) by at least two Rating Services (with one such Rating Service being S&P or Moody's).

Notwithstanding the above, no Supplemental Indenture authorized by this Section 9.01 shall be effective unless and until it is executed by both the Trustee and the Corporation and the

Corporation has delivered to the Trustee an opinion of Transaction Counsel to the effect that the execution of the Supplemental Indenture will not adversely affect: (i) the excludability of interest on the Tax Exempt Bonds from gross income of the Holders for federal income tax purposes, and (ii) with respect to a modification or amendment made pursuant to paragraphs (b) – (g) above, the rights of the Holders of the Bonds in any other materially adverse respect.

For the avoidance of doubt, no Supplemental Indenture shall be permitted pursuant to this Section 9.01 to the extent it would effectuate a modification or amendment that is only permitted under Section 10.01 with the consent of each affected Holder.

Section 9.02 Supplemental Indentures Effective with Consent of Bondholders. The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Indenture, subject to the written consent of the Bondholders and the rights of the Secretary of Treasury in accordance with and subject to the provisions of Article X hereof, such Supplemental Indenture to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Corporation.

Section 9.03 General Provisions Relating to Supplemental Indentures. The Indenture shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article IX, Article X or Section 7.04 hereof. Nothing contained in this Article IX or Article X hereof shall affect or limit the rights or obligations of the Corporation to make, do, execute or deliver any Supplemental Indenture, act or other instrument pursuant to the provisions of Section 7.04 hereof or the right or obligation of the Corporation to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere herein provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Supplemental Indenture, when filed with the Trustee for the Trustee's execution, shall be accompanied by the opinion of Transaction Counsel required by Section 9.01, the Rating Confirmation, if any is required by Section 9.01(h), and an opinion of Transaction Counsel stating that such Supplemental Indenture has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Corporation and enforceable in accordance with its terms. The Trustee shall be fully protected in relying on such an opinion of Transaction Counsel.

Notwithstanding anything to the contrary herein, no Supplemental Indenture shall become effective without the written consent of the Trustee.

The Corporation, as soon as practicable after a Supplemental Indenture changing, amending or modifying any provisions of this Indenture has become effective, shall give written notice thereof to each Rating Service then providing a rating on the Outstanding Bonds at the request of the Corporation and shall post a copy of such Supplemental Indenture on the Corporation's website and EMMA under the CUSIPs for the Outstanding Bonds.

ARTICLE X.

AMENDMENTS OF INDENTURE

Section 10.01 Powers of Amendment. Except as provided in Section 9.01 hereof, any modification or amendment hereof and of the rights and obligations of the Corporation and of the Holders of the Bonds hereunder may only be made by a Supplemental Indenture, with the written consent given as hereinafter provided in Section 10.02 hereof, (i) of the Holders of at least a Majority in Interest of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least a Majority in Interest of the Bonds of each Series so affected and Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall, without the prior written consent of the Holder of such Bond, permit a change in the provisions related to the timing or amount of any payment on the Bonds, including, without limitation, any change in the currency to be used to pay Principal of and interest on the Bonds, any change in the amount or date of any Sinking Fund Installment, payment of Principal or any other payment, the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon. Further, no such modification or amendment shall, without the prior written consent of the Holder of such Bond, reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any respect. The Trustee may in its discretion reasonably determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Corporation and all Holders of Bonds. If the Trustee does not make such a determination, the Trustee shall obtain an opinion of Transaction Counsel as to whether the Bonds of any particular Series or maturity would be so affected by any such modification or amendment hereof, which such opinion shall be binding and conclusive on the Corporation and all Holders of Bonds.

In addition, no Supplemental Indenture shall be approved by the Corporation without the prior written consent of the Secretary of Treasury if such Supplement Indenture would amend or modify the last paragraph of Section 2.01, ~~Sections~~Section 2.02, 2.04, 5.02(d), 5.02(e), 5.05, 5.06, ~~7.05, 7.07~~, 7.13, 7.14, 9.01(b), 9.01(c) or 10.01 of this Indenture, or the last sentence of Section ~~14.06~~14.06 of this Indenture. Further, no Supplemental Indenture shall be approved by the Corporation without the prior written consent of the Secretary of Treasury if such Supplemental Indenture would materially impair the Commonwealth's right to receive COFINA Receipts in accordance with Sections 5.10, 12.01(a) or 12.01(~~eb~~) of this Indenture. The Trustee and the Corporation shall be entitled to rely on an opinion of Transaction Counsel to the effect that such modification or amendment would not materially impair the Commonwealth's right to

receive the COFINA Receipts in accordance with ~~Sections~~Section 5.10, 12.01(a) or 12.01(b) of this Indenture. The Corporation shall inform the Trustee if no qualified Transaction Counsel is able to deliver such opinion.

Section 10.02 Consent of Bondholders. The Corporation may at any time execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.01 hereof to take effect when and as provided in this Section. Upon the adoption of such Supplemental Indenture, a copy thereof, certified by an Authorized Officer of the Corporation shall be filed with the Trustee for the inspection of the Holders of Bonds. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved in writing by the Trustee) together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed or distributed by Electronic Means by the Corporation to each affected Holder of Bonds. Such Supplemental Indenture shall not become effective until (a) there shall have been filed with the Trustee (i) the written consent of the Holders of the percentages of Outstanding Bonds specified in Section 10.01 hereof and (ii) the opinions of Transaction Counsel required by Section 9.03 and (b) a notice shall have been mailed or distributed by Electronic Means as hereinafter in this Section provided. Any such consent shall be binding upon the Holder of the Bonds giving such consent and on any subsequent Holder of such Bonds (whether or not such subsequent Holder has notice thereof). At any time after the Holders of the required percentages of Bonds shall have filed their consent to the Supplemental Indenture, notice, stating in substance that the Supplemental Indenture has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section, shall be given to the Bondholders by mailing such notice to Bondholders or by Electronic Means. The Corporation shall file with the Trustee proof of giving such notice. Such Supplemental Indenture shall be deemed conclusively binding upon the Corporation and the Holders of all Bonds at the expiration of sixty (60) days after the filing with the Trustee of the proof of the giving of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in legal action or equitable proceeding commenced for such purpose within such sixty day period; **provided, however,** that the Corporation during such sixty day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient.

Section 10.03 Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Corporation and of the Holders of the Bonds may be modified or amended in any respect upon the execution, delivery and filing with the Trustee by the Corporation of a copy of a Supplemental Indenture certified by an Authorized Officer of the Corporation and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 10.02.

Section 10.04 Mailing. Any provision in this Article X for the mailing of a notice or other document to Bondholders shall be fully complied with if it is mailed postage prepaid or distributed by Electronic Means only (a) to each registered owner of Bonds then Outstanding at such person's address, if any, appearing upon the registry books of the Corporation, (b) to the Trustee, and (c) to the Bond Insurer at its last known address.

Section 10.05 Exclusion of Bonds. Bonds owned or held by or for the account of the Corporation shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and the Corporation shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Corporation shall furnish the Trustee a certificate of an Authorized Officer of the Corporation, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 10.06 Notation on Bonds. Bonds delivered after the effective date of any action taken as provided in Article IX hereof or this Article X may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Corporation and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the designated corporate trust office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Corporation or the Trustee shall so determine, new Bonds so modified as, in the opinion of the Trustee and the Corporation, conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XI.

- (g) the Corporation permits the validity or effectiveness of this Indenture or the Bonds to be impaired, and such impairment affects the enforceability of or payments on the Bonds, or any person to be released from any covenants or obligations with respect to the Bonds; or

(h) the Corporation shall default in the due and punctual performance of any of its covenants contained in Sections 7.02 and 7.06 hereof; or

(i) the Corporation shall take any action or engage in any activity prohibited by Article 2.6 of the Act.

Section 11.02 No Acceleration with Respect to the Bonds. There shall be no right of acceleration with respect to the Bonds.

Section 11.03 Enforcement of Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee shall make payments in accordance with Section 11.04 below.

(b) If an Event of Default occurs and is continuing, the Trustee may, and upon written request of Holders holding not less than a Quarter in Interest of the Outstanding Bonds shall, proceed to protect and enforce its rights and the rights of the Holders by such of the following remedies as the Trustee shall deem most effective to protect and enforce such rights or such of the following remedies as Holders holding not less than a Quarter in Interest of the Outstanding Bonds shall instruct:

- (i) initiation of Proceedings to (A) collect all amounts due in respect of the Bonds limited, upon recovery thereunder, to the Trust Estate; (B) enforce any and all rights of the Holders, (C) enforce any covenant or agreement in this Indenture, or (D) enforce any other remedy or legal or equitable right vested in the Trustee or the Holders by this Indenture, the Act or other applicable law;
- (ii) enforcement of the Statutory Lien and enforcement of the Corporation's rights or remedies in respect of the Trust Estate to the same extent as the Corporation; or
- (iii) by action or suit in law or in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders, and it shall not be necessary to make any Holder a party to any such Proceedings.

(d) Subject to Article VIII hereof, if an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders if the Trustee reasonably believes it will not be adequately indemnified against the costs, expenses and liabilities which might be incurred by it in complying with such request.

In the enforcement of any remedy hereunder and under each Supplemental Indenture the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or

during any default becoming, and at any time remaining, due from the Corporation for Principal or interest or otherwise under any of the provisions of the Indenture or of any Supplemental Indenture or of the Bonds, with interest on overdue payments of the Principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under any Supplemental Indenture and under such Bonds, including the fees and expenses of the Trustee and its attorneys and other agents, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Corporation but solely as provided herein, in any Supplemental Indenture and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

Section 11.04 Priority of Payments after Default. If (i) an Event of Default shall occur or be continuing or (ii) at any time the money held by the Trustee hereunder and under each Supplemental Indenture shall not be sufficient to pay the Principal of and interest on the Bonds as the same become due and payable, the money held by the Trustee hereunder and under each Supplemental Indenture together with any money then available or thereafter becoming available to pay the Principal of and interest on the Bonds, whether through exercise of the remedies provided for in this Article XI or otherwise, shall be applied as follows:

First: To the payment of amounts due to the Trustee and Paying Agents under Section 8.06;

Second, *Pro rata*:

(A) To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

(B) To the payment to the persons entitled thereto of the unpaid Principal or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts due on any date, then to the payment thereof ratably, according to the amount of Principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

Third: To be applied by the Trustee to fund the deposits in the priority set forth in Section 5.06 above.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in accordance with the provisions of this Section shall constitute proper application by the Trustee, and the

Trustee shall incur no liability whatsoever to the Corporation, to any Holder of Bonds or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date.

Amounts held by the Trustee after payments to be made pursuant to this Section 11.04 have been made and no Bonds are Outstanding and unpaid shall be paid and applied in accordance with Section 5.06 hereof.

Section 11.05 Termination of Proceedings. In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Corporation, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

Section 11.06 Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Holders of a Quarter in Interest of the Outstanding Bonds shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the choice of remedies and the time, method and place of conducting any proceeding for any remedy available to the Trustee hereunder, under each Supplemental Indenture or otherwise, or exercising any trust or power conferred upon the Trustee, including the power to direct or withhold directions with respect to any remedy available pursuant to Section 11.03, provided, (i) such direction shall not be otherwise than in accordance with law and the provisions hereof and of each Supplemental Indenture, (ii) that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and (iii) that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.07 Control by Holders of Bonds; Limitations[†]. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or for any other remedy hereunder unless such Holder previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than a Quarter in Interest of the Outstanding Bonds, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the

[†] NTD—The Confirmation Order should provide that Section 11.07 controls over any other provision contained in the Confirmation Order regarding collective action of Holders.

Trustee shall have refused or neglected to comply with such request within a reasonable time (and in no event shall a delay of more than thirty (30) days be deemed reasonable for such purposes) after receipt thereof. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and in equity or at law. Notwithstanding the right of the Holders to direct proceedings in accordance with Section 11.06 above, it is understood and intended that no one or more Holders of the Bonds secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds. Notwithstanding any other provision hereof, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the Principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date or, in the case of interest, on the Interest Payment Date on which such interest is due) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 11.08 Actions by Trustee; Possession of Bonds by Trustee Not Required.

All rights of action hereunder or under any of the Bonds secured hereby and thereby, enforceable by the Trustee, may be enforced by it without the possession of any of such Bonds or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Bonds to which such action relates, subject to the provisions hereof.

Section 11.09 Waiver and Non-Waiver of Default. No delay or omission of the Trustee or any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article XI to the Trustee and the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Holders of not less than a Quarter in Interest of the Outstanding Bonds, shall waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder; *provided, however*, the Trustee may not waive any default if it has received a direction from not less than a Quarter in Interest of the Outstanding Bonds that such default may not be waived by the Trustee; *provided, further*, that no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 11.10 Notice of Event of Default. The Trustee shall give notice of each Event of Default hereunder known to the Trustee to the Corporation and the Commonwealth, within ten (10) days after knowledge of the occurrence thereof and to the Holders of Bonds within thirty (30) days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; *provided, however*, that failure to provide notice to the Commonwealth of any Event of Default shall in no way limit the exercise

of remedies by the Trustee or Bondholders. In the case of the Holders of the Bonds, each such notice of Event of Default shall be given by the Trustee by mailing written notice thereof to all registered Holders of Bonds, as the names and addresses of such Holders appear on the books for registration and transfer of Bonds as kept by the Trustee and to the Bond Insurer at its last known address.

Section 11.11 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity, by statute or by contract.

ARTICLE XII.

DEFEASANCE

Section 12.01 Defeasance. (a) If the Corporation shall pay or cause to be paid to the Holder of a Bond the Principal or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, herein, and in the applicable Supplemental Indenture, then all rights granted hereby and by the Act to such Bond (including without limitation, the Statutory Lien) shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Corporation, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Corporation, and all money or investments thereof held by it pursuant hereto and to the applicable Supplemental Indenture which are being held for the sole benefit of such Bonds and which are not required for the payment or redemption of Bonds of the same Series as such Bond shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year, and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Corporation, shall be transferred to any other fund or account established pursuant hereto.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Corporation shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in Article IV hereof notice of redemption on said date of such Bonds; and

(ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient in the judgment of a nationally recognized verification agent to pay when due the Principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and

(iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Corporation shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at their last known addresses appearing on the registration books, a notice to the Holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which money is to be available for the payment of the Principal or Redemption Price, if applicable, of and interest on said Bonds; and

(iv) the Corporation shall have delivered to the Trustee an opinion of Transaction Counsel to the effect that (A) any Bond having been deemed to have been paid as provided in this Section is no longer Outstanding hereunder and is no longer secured by or entitled to the benefits of this Indenture, (B) such defeasance is in accordance with the terms hereof and (C) with respect to a Tax Exempt Bond, such defeasance will not adversely affect the exclusion of interest on such Tax Exempt Bond from gross income for purposes of federal income taxation.

The Corporation shall give written notice to the Trustee of its selection of the Series and maturity payment of which shall be made in accordance with this Section. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this Section in the manner provided in Section 4.04 hereof. Neither the Defeasance Securities nor money deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal or Redemption Price, if applicable, of and interest on said Bonds; ***provided, however,*** that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose in the judgment of a nationally recognized verification agent, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the Principal or Redemption Price, if applicable, of and interest to become due on said Bonds on and prior to such redemption date or maturity date hereof, as the case may be. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the Principal or Redemption Price, if applicable, of and interest on such Bonds, as realized, shall be applied by the Trustee as follows: first, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation, second, to the Debt Service Fund, to the extent the amount then on deposit therein is less than the sum of the Interest Funding Requirement for the then current Fiscal Year and the Principal Funding Requirement for the then current Fiscal Year,

and third, to the extent not required to be deposited in the Arbitrage Rebate Fund or the Debt Service Fund, at the direction of the Corporation, shall be retained therein or transferred to any other fund or account established pursuant hereto.

(c) Anything herein to the contrary notwithstanding, any money held by the Trustee or a Paying Agent in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for three (3) years after the date when all of the Bonds of such Series have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such money was held by the Trustee or Paying Agent at such date, or for three (3) years after the date of deposit of such money if deposited with the Trustee or Paying Agent after said date when all of the Bonds of such Series become due and payable, or three (3) years after the date when the Principal or Redemption Price of or interest on the Bonds for which said money is held was due and payable, shall, at the written request of the Corporation, be repaid by the Trustee or Paying Agent to the Corporation as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Bonds shall look only to the Corporation for the payment of such Bonds.

ARTICLE XIII.

EXECUTION OF INSTRUMENTS BY BOND HOLDERS AND PROOF OF OWNERSHIP OF BONDS

Section 13.01 Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent or other instrument which the Indenture may require or permit to be signed and executed by a Holder or Holders of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Bonds in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Bonds, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the manner set forth below, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The corporation of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Bonds and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote

of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done or omitted to be done by the Corporation or the Trustee in accordance therewith. The Corporation or the Trustee may fix a record date in connection with any such request, consent or vote.

ARTICLE XIV.

Section 2.02 Place of Payment. The Series 2019B Bonds shall be payable at the designated corporate trust office of the Trustee. Interest on the Series 2019B Current Interest Bonds will be payable by the Trustee as provided in Section 3.01 of the Master Indenture, or at the option of any owner of \$1,000,000 or more in aggregate Principal amount of the Series 2019B Current Interest Bonds, by wire transfer of immediately available funds to such bank in the continental United States as such owner requests in writing.

The purchase price of the Series 2019B Bonds so tendered shall be payable solely from the proceeds of a remarketing of such Series 2019B Bonds. At the option of the Initial Holder, the Corporation agrees to remarket the Series 2019B Bonds as Insured Bonds with the principal amounts, maturities and interest rates, based on determinations of the applicable underwriter(s), such that the interest rates on the remarketed Series 2019A Bonds are the lowest interest rates necessary for such Series 2019B Bonds to be remarketed at their adjusted par amounts and the adjusted terms otherwise result in the Series 2019B Bonds being remarketed at the lowest aggregate yield; **provided, however,** that (a) the sum of the Principal Funding Requirement and Interest Funding Requirement on the remarketed Series 2019B Bonds due in any Fiscal Year shall not be greater than the sum of the Principal Funding Requirement and Interest Funding Requirement due in such Fiscal Year on such Series 2019B Bonds prior to such remarketing and (b) the remarketed Series 2019B Bonds may mature later than the Series 2019B Bonds prior to the remarketing, but in no event later than FY2058; **provided, further,** that such remarketed Series 2019B Bonds shall be subject to optional redemption at the same times and at the same redemption prices set forth in Section 3.04(a), in the case of Series 2019B Bonds remarketed as Current Interest Bonds and Section 4.03(a), in the case of Series 2019B Bonds remarketed as Capital Appreciation Bond. ARTICLE V.

SPECIAL COVENANTS

Section 5.01 Tax Covenant.

(a) Tax Compliance. In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Series 2019B-1 Bonds, the Corporation shall comply with the provisions of the Code applicable to the Series 2019B-1 Bonds necessary to maintain such exclusion, including without limitation the provisions of the Code which prescribe yield and other limits within which proceeds of the Series 2019B-1 Bonds are to be invested, and which, in certain circumstances, require the rebate of certain earnings on such amounts to the Department of the Treasury of the United States of America in accordance with Section 148(f) of the Code. In furtherance of the foregoing, the Corporation shall comply with the Tax Certificate relating to the Series 2019B-1 Bonds.

(b) No Arbitrage Covenant. The Corporation shall not take any action or fail to take any action which would cause the Series 2019B-1 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code; nor shall any part of the proceeds of Series 2019B-1 Bonds or any other funds of the Corporation be used directly or indirectly to acquire any

investment property the acquisition of which would cause any Series 2019B-1 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) No Private Use or Private Loans. The Corporation shall not use any part of the proceeds of the Series 2019B-1 Bonds in a manner which would cause such Series 2019B-1 Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code.

(d) Survival. Notwithstanding any provision of this Second Supplemental Indenture to the contrary, the obligation of the Corporation to comply with the requirements of this Section and Section 7.12 of the Master Indenture shall survive the payment, redemption or defeasance of any and all Series 2019B-1 Bonds.

Section 5.02 Materially Adverse Actions. The Corporation and Trustee shall not enter into any agreement or take any action by which the rights of the Bond Insurer may be materially adversely impaired except upon obtaining the prior written consent of the Bond Insurer.

ARTICLE VI.

BOND INSURANCE PROVISIONS

Section 6.01 Applicability of Insurance Provisions. Notwithstanding any other provisions of the Indenture, the provisions of this Article VI shall govern with respect to all Series 2019B Bonds.

Section 6.02 Nonpayment by the Issuer. The Bond Insurer shall be entitled to pay Principal or interest on the Series 2019B Bonds that become Due for Payment (as such term is defined in the Insurance Policy) but shall be unpaid by reason of Nonpayment by the Corporation (as such term is defined in the Insurance Policy) whether or not the Bond Insurer has received a Notice of Nonpayment (as such term is defined in the Insurance Policy) or a claim upon the Insurance Policy.

Section 6.03 Insurance Payment Procedures. As long as the Insurance Policy shall be in full force and effect, the Corporation and the Trustee agree to comply with the following provisions:

(a) If, on the third Business Day prior to an Insured Payment Date, there is not on deposit in the Debt Service Fund, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the Principal of and interest on the Series 2019B Bonds due on such Insured Payment Date, the Trustee shall give notice thereof to the Bond Insurer and to the Bond Insurer’s Fiscal Agent by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, by 12:00 noon New York City time on the second Business Day prior to the related Insured Payment Date, there continues to be a deficiency in the amount available to pay the Principal of and interest on the Series 2019B Bonds due on such Insured Payment Date, the Trustee shall make a claim under the Insurance Policy by 5:00 p.m. New York City time, and give notice to the Bond Insurer and the Bond Insurer’s Fiscal Agent of the allocation of such deficiency between the amount required to pay interest on the Series 2019B Bonds and the amount required to pay the Principal of Series 2019B Bonds, by filing the form of Notice of Claim and Certificate delivered with the Insurance Policy; **provided, however**, that the

Bond Insurer will not be required to make any payment to the extent that on the Insured Payment Date such deficiency of funds no longer exists.

(b) The Trustee shall designate any portion of payment of Principal on Series 2019B Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption or maturity, on its books as a reduction in the Principal amount of Series 2019B Bonds registered to the then current Holder, whether DTC, its nominee or otherwise, and shall issue a replacement Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a Principal amount equal to the amount of Principal so paid (without regard to authorized denominations); provided, however, that failure by the Trustee to so designate any payment or issue any replacement Bond shall have no effect on the amount of Principal or interest payable by the Corporation on any Series 2019B Bond or the subrogation rights of the Bond Insurer.

(c) The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (as defined below) and the allocation of such funds to payment of interest on and Principal of any Series 2019B Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(d) Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Insured Bondholders, which account shall be referred to herein as the **"Policy Payments Account,"** over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of the Insured Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to the Insured Bondholders in the same manner as Principal and interest payments are to be made with respect to the Series 2019B Bonds. It shall not be necessary for such payments to be made by check or wire transfers separate from the check or wire transfer used to pay the Principal and interest with other funds available to make such payments. The Bond Insurer shall be entitled to receive the overdue interest that is payable on the Series 2019B Bonds, following the payment of any claims under the Insurance Policy.

(e) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following an Insured Payment Date shall promptly be remitted to the Bond Insurer.

Section 6.04 Subrogation. Amounts paid by the Bond Insurer under the Insurance Policy shall not be deemed paid pursuant to Section 12.01 of the Indenture or any other provision thereof or hereof or of the Series 2019B Bonds and the Series 2019B Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Corporation in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for. In the event that the Bond Insurer makes any payment of Principal or interest on the Series 2019B Bonds, the Bond Insurer shall become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy (which subrogation rights shall also include the rights of

any such recipients in connection with any Insolvency Proceeding). Each obligation of the Corporation to the Bond Insurer under the Indenture shall survive discharge or termination thereof.

Section 6.05 Bond Insurer as Holder. The Bond Insurer is deemed to be (i) the sole Holder of the Series 2019B Bonds for the purpose of consenting to any modification or amendment, exercising any voting right or privilege, giving any consent or direction, or taking any action that the Holders of such Series 2019B Bonds are entitled to take pursuant to the provisions of the Indenture pertaining to defaults and remedies and the duties and obligations of the Trustee, and (ii) an additional Holder of the Series 2019B Bonds for purposes of receiving any notices or exercising any rights to inspect documents provided for under the Indenture. In furtherance thereof and as a term of the Indenture and each Series 2019B Bond, the Trustee and each Insured Bondholder appoint the Bond Insurer as their agent and attorney-in-fact with respect to the Series 2019B Bonds and agree that the Bond Insurer may at any time during the continuation of any Insolvency Proceeding direct all matters relating to the Series 2019B Bonds in such Insolvency Proceeding, including without limitation, (A) all matters relating to any Claim, (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment with respect to any Claim. In addition, with respect to the Series 2019B Bonds, the Trustee and each Insured Bondholder delegate and assign to the Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each Insured Bondholder in the conduct of any Insolvency Proceeding, including, without limitation, all rights to act as a party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding as it relates to the Series 2019B Bonds. Remedies granted to the Bondholders shall expressly include a writ of mandamus.

Section 6.06 Contractual Rights of the Bond Insurer. The Corporation and the Trustee acknowledge and agree that:

(a) the rights granted to the Bond Insurer under the Indenture, this Second Supplemental Indenture, or any other Related Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Insurance Policy;

(b) any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Insured Bondholders and such action does not evidence any position of the Bond Insurer, affirmative or negative, as to whether the consent of any other person is required in addition to the consent of the Bond Insurer; and

(c) in determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action hereunder or under the Indenture would adversely affect the security for the Series 2019B Bonds or the rights of the related Holders, the Trustee and Transaction Counsel shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

Section 6.07 Bond Insurer as Third Party Beneficiary. To the extent that this Second Supplemental Indenture confers upon or gives or grants to the Bond Insurer any right, remedy or claim hereunder or under the Indenture, the Bond Insurer is intended to be and is hereby explicitly recognized as being a third-party beneficiary of such right, remedy or claim and may enforce any such right, remedy or claim conferred, given or granted hereunder or thereunder.

Section 6.08 Notices, Etc. While the Insurance Policy is in effect, the Bond Insurer will be provided with copies of any notices to be provided by the Trustee pursuant to the Indenture. The Trustee shall notify the Bond Insurer of any failure of the Corporation to provide notices, certificates and other information under the Indenture.

Section 6.09 Information to the Bond Insurer.

(a) In addition to other notices required under the Indenture, the Bond Insurer shall be provided with the following information by the Corporation or Trustee, as the case may be:

(i) by the Trustee, prior notice of the advance refunding or redemption of any of the Series 2019B Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(ii) by the Trustee, notice of the resignation or removal of the Trustee and bond registrar and the appointment of, and acceptance of duties by, any successor thereto;

(iii) by the Corporation, notice of the commencement of an Insolvency Proceeding;

(iv) by the Corporation, a full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents;

(v) by the Trustee, all reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents; and

(vi) by the Corporation, to the extent that the Corporation has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Series 2019B Bonds, all information required to be furnished pursuant to such agreements.

(b) The Bond Insurer shall have the right at its expenses to receive such additional information as it may reasonably request from the Corporation or the Trustee.

(c) The Corporation shall permit the Bond Insurer to discuss the affairs, finances and accounts of the Corporation or any information the Bond Insurer may reasonably request regarding the security for the Series 2019B Bonds with appropriate officers of the Corporation and will use commercially reasonable efforts to enable the Bond Insurer to have access to the facilities, books and records of the Corporation on any Business Day upon reasonable prior notice.

(d) In no event shall a delay or failure by the Corporation to provide a notice required hereunder be an Event of Default under the Master Indenture. The Trustee shall notify the Bond Insurer of any failure of the Corporation to provide notices, certificates and other information under the Indenture or other Related Documents. In the event of any breach of the covenants contained in this Section 6.09, the Bond Insurer shall be entitled to specific performance of this Section 6.09.

Section 6.10 Defeasance of Series 2019B Bonds. Notwithstanding anything in the Indenture (including Article XII thereof) to the contrary, unless the Bond Insurer otherwise approves, to accomplish defeasance of Series 2019B Bonds, the Corporation shall cause to be delivered (i) a report of an independent firm of nationally recognized verification agent or such other accountant as shall be acceptable to the Bond Insurer verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the maturity or redemption date (“**Verification**”), (ii) an escrow deposit agreement (the form of which shall be acceptable to the Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Insured Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Insured Bonds; each Verification and defeasance opinion shall be addressed to the Corporation, Trustee and Bond Insurer. The Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than three Business Days prior to the funding of the escrow. Insured Bonds shall be deemed “Outstanding” under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

Section 6.11 Applicability of Article VI. The provisions of this Article VI shall govern notwithstanding anything to the contrary in the Indenture.

ARTICLE VII.

ARTICLE V.

SPECIAL COVENANTS

Section 5.01 Tax Covenant.

(a) *Tax Compliance.* In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Series 2019B-1 Bonds, the Corporation shall comply with the provisions of the Code applicable to the Series 2019B-1 Bonds necessary to maintain such exclusion, including without limitation the provisions of the Code which prescribe yield and other limits within which proceeds of the Series 2019B-1 Bonds are to be invested, and which, in certain circumstances, require the rebate of certain earnings on such amounts to the Department of the Treasury of the United States of America in accordance with Section 148(f) of the Code. In furtherance of the foregoing, the Corporation shall comply with the Tax Certificate relating to the Series 2019B-1 Bonds.

(b) *No Arbitrage Covenant.* The Corporation shall not take any action or fail to take any action which would cause the Series 2019B-1 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code; nor shall any part of the proceeds of Series 2019B-1 Bonds or any other funds of the Corporation be used directly or indirectly to acquire any

investment property the acquisition of which would cause any Series 2019B-1 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) No Private Use or Private Loans. The Corporation shall not use any part of the proceeds of the Series 2019B-1 Bonds in a manner which would cause such Series 2019B-1 Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code.

(d) Survival. Notwithstanding any provision of this Second Supplemental Indenture to the contrary, the obligation of the Corporation to comply with the requirements of this Section and Section 7.12 of the Master Indenture shall survive the payment, redemption or defeasance of any and all Series 2019B-1 Bonds.

Section 5.02 Materially Adverse Actions. The Corporation and Trustee shall not enter into any agreement or take any action by which the rights of the Bond Insurer may be materially adversely impaired except upon obtaining the prior written consent of the Bond Insurer.

ARTICLE VI.

BOND INSURANCE PROVISIONS[†]

Section 6.01 Applicability of Insurance Provisions. Notwithstanding any other provisions of the Indenture, the provisions of this Article VI shall govern with respect to all Series 2019B Bonds.

Section 6.02 Nonpayment by the Issuer. The Bond Insurer shall be entitled to pay Principal or interest on the Series 2019B Bonds that become Due for Payment (as such term is defined in the Insurance Policy) but shall be unpaid by reason of Nonpayment by the Corporation (as such term is defined in the Insurance Policy) whether or not the Bond Insurer has received a Notice of Nonpayment (as such term is defined in the Insurance Policy) or a claim upon the Insurance Policy.

Section 6.03 Insurance Payment Procedures. As long as the Insurance Policy shall be in full force and effect, the Corporation and the Trustee agree to comply with the following provisions:

(a) If, on the third Business Day prior to an Insured Payment Date, there is not on deposit in the Debt Service Fund, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the Principal of and interest on the Series 2019B Bonds due on such Insured Payment Date, the Trustee shall give notice thereof to the Bond Insurer and to the Bond Insurer’s Fiscal Agent by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, by 12:00 noon New York City time on the second Business Day prior to the related Insured Payment Date, there continues to be a deficiency in the amount available to pay the Principal of and interest on the Series 2019B Bonds

[†]~~This Article VI to be included only if Series 2019B Bonds are issued as Insured Bonds on the Effective Date. If the Series 2019B Bonds are not issued as Insured Bonds on the Effective Date, the provisions of this Article VI shall be included in the Certificate of Determination referenced in Section 2.09 hereof.~~

due on such Insured Payment Date, the Trustee shall make a claim under the Insurance Policy by 5:00 p.m. New York City time, and give notice to the Bond Insurer and the Bond Insurer's Fiscal Agent of the allocation of such deficiency between the amount required to pay interest on the Series 2019B Bonds and the amount required to pay the Principal of Series 2019B Bonds, by filing the form of Notice of Claim and Certificate delivered with the Insurance Policy; **provided, however,** that the Bond Insurer will not be required to make any payment to the extent that on the Insured Payment Date such deficiency of funds no longer exists.

(b) The Trustee shall designate any portion of payment of Principal on Series 2019B Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption or maturity, on its books as a reduction in the Principal amount of Series 2019B Bonds registered to the then current Holder, whether DTC, its nominee or otherwise, and shall issue a replacement Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a Principal amount equal to the amount of Principal so paid (without regard to authorized denominations); provided, however, that failure by the Trustee to so designate any payment or issue any replacement Bond shall have no effect on the amount of Principal or interest payable by the Corporation on any Series 2019B Bond or the subrogation rights of the Bond Insurer.

(c) The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (as defined below) and the allocation of such funds to payment of interest on and Principal of any Series 2019B Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(d) Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Insured Bondholders, which account shall be referred to herein as the **"Policy Payments Account,"** over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of the Insured Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to the Insured Bondholders in the same manner as Principal and interest payments are to be made with respect to the Series 2019B Bonds. It shall not be necessary for such payments to be made by check or wire transfers separate from the check or wire transfer used to pay the Principal and interest with other funds available to make such payments. The Bond Insurer shall be entitled to receive the overdue interest that is payable on the Series 2019B Bonds, following the payment of any claims under the Insurance Policy.

(e) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following an Insured Payment Date shall promptly be remitted to the Bond Insurer.

Section 6.04 Subrogation. Amounts paid by the Bond Insurer under the Insurance Policy shall not be deemed paid pursuant to Section 12.01 of the Indenture or any other provision thereof or hereof or of the Series 2019B Bonds and the Series 2019B Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the

Corporation in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for. In the event that the Bond Insurer makes any payment of Principal or interest on the Series 2019B Bonds, the Bond Insurer shall become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Corporation to the Bond Insurer under the Indenture shall survive discharge or termination thereof.

Section 6.05 Bond Insurer as Holder. The Bond Insurer is deemed to be (i) the sole Holder of the Series 2019B Bonds for the purpose of consenting to any modification or amendment, exercising any voting right or privilege, giving any consent or direction, or taking any action that the Holders of such Series 2019B Bonds are entitled to take pursuant to the provisions of the Indenture pertaining to defaults and remedies and the duties and obligations of the Trustee, and (ii) an additional Holder of the Series 2019B Bonds for purposes of receiving any notices or exercising any rights to inspect documents provided for under the Indenture. In furtherance thereof and as a term of the Indenture and each Series 2019B Bond, the Trustee and each Insured Bondholder appoint the Bond Insurer as their agent and attorney-in-fact with respect to the Series 2019B Bonds and agree that the Bond Insurer may at any time during the continuation of any Insolvency Proceeding direct all matters relating to the Series 2019B Bonds in such Insolvency Proceeding, including without limitation, (A) all matters relating to any Claim, (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment with respect to any Claim. In addition, with respect to the Series 2019B Bonds, the Trustee and each Insured Bondholder delegate and assign to the Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each Insured Bondholder in the conduct of any Insolvency Proceeding, including, without limitation, all rights to act as a party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding as it relates to the Series 2019B Bonds. Remedies granted to the Bondholders shall expressly include a writ of mandamus.

Section 6.06 Contractual Rights of the Bond Insurer. The Corporation and the Trustee acknowledge and agree that:

(a) the rights granted to the Bond Insurer under the Indenture, this Second Supplemental Indenture, or any other Related Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Insurance Policy;

(b) any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Insured Bondholders and such action does not evidence any position of the Bond Insurer, affirmative or negative, as to whether the consent of any other person is required in addition to the consent of the Bond Insurer; and

(c) in determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action hereunder or under the Indenture would adversely

affect the security for the Series 2019B Bonds or the rights of the related Holders, the Trustee and Transaction Counsel shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

Section 6.07 Bond Insurer as Third Party Beneficiary. To the extent that this Second Supplemental Indenture confers upon or gives or grants to the Bond Insurer any right, remedy or claim hereunder or under the Indenture, the Bond Insurer is intended to be and is hereby explicitly recognized as being a third-party beneficiary of such right, remedy or claim and may enforce any such right, remedy or claim conferred, given or granted hereunder or thereunder.

Section 6.08 Notices, Etc. While the Insurance Policy is in effect, the Bond Insurer will be provided with copies of any notices to be provided by the Trustee pursuant to the Indenture. The Trustee shall notify the Bond Insurer of any failure of the Corporation to provide notices, certificates and other information under the Indenture.

Section 6.09 Information to the Bond Insurer.

(a) In addition to other notices required under the Indenture, the Bond Insurer shall be provided with the following information by the Corporation or Trustee, as the case may be:

(i) by the Trustee, prior notice of the advance refunding or redemption of any of the Series 2019B Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(ii) by the Trustee, notice of the resignation or removal of the Trustee and bond registrar and the appointment of, and acceptance of duties by, any successor thereto;

(iii) by the Corporation, notice of the commencement of an Insolvency Proceeding;

(iv) by the Corporation, a full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents;

THIS BOND IS A SPECIAL OBLIGATION OF THE CORPORATION, PAYABLE SOLELY FROM THE TRUST ESTATE, WHICH TRUST ESTATE IS SECURED BY A STATUTORY LIEN IN ACCORDANCE WITH THE ACT. The Corporation does not have the power to pledge the credit, the revenues or the taxing power of the Commonwealth, and except as described in the preceding sentence, neither the credit, the revenues nor the taxing power of

the Commonwealth or any subdivision thereof is pledged to the payment of any of the Bonds. The Corporation has no taxing power.

This bond is one of a duly authorized issue of bonds of the Corporation designated as “Restructured Sales Tax Bonds, [Series 2019B-1][Series 2019B-2]” (herein called the “Series 2019B Bonds”), ~~issued in the aggregate principal amount upon original issuance of \$[_____].~~ The Series 2019B Bonds are issued pursuant to a Master Trust Indenture by and between the Corporation and The Bank of New York Mellon, as trustee (the “Trustee), dated as of ~~February 5, 2019~~ February 12, 2019 (the “Master Indenture”), including as supplemented by a Second Supplemental Trust Indenture, by and between the Corporation and the Trustee, dated as of ~~February 5, 2019~~ February 12, 2019 (the “Second Supplemental Indenture”, and together with the Master Indenture, collectively referred to herein as the “Indenture”). This bond is transferable, as provided in the Indenture, only upon the books of the Corporation maintained for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer duly executed by the registered owner or such registered owner's attorney duly authorized in writing, and thereupon a new fully registered Series 2019B Bond or Bonds in the same aggregate Principal amount, and of the same series, maturity and interest rate, shall be issued to the transferee in exchange therefor as provided in the Master Indenture and upon the payment of the charges, if any, therein prescribed. The Corporation and the Trustee may treat and consider the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payments due on this bond and for all other purposes whatsoever.

of the Puerto Rico Sales Tax Financing Corporation**

Draft: December 30, 2018

**FORM OF AMENDED AND RESTATED BYLAWS OF
THE PUERTO RICO SALES TAX FINANCING CORPORATION¹**

ARTICLE 1. INTRODUCTION; LEGAL BASIS; PURPOSE OF BYLAWS

1.1 Introduction. The Puerto Rico Sales Tax Financing Corporation (the “Corporation”) was created pursuant to Act No. 91-2006, as amended and in effect on the date hereof, presently known as the “Puerto Rico Sales Tax Financing Corporation Act” (the “Act”), as a public corporation and instrumentality of the Government of Puerto Rico, which constitutes a corporate and political entity independent and separate from the Government of Puerto Rico and any other government entity. Pursuant to the provisions of Act No. 241-2018, the Act was amended to provide that the Corporation’s purpose will be limited to issuing Plan of Adjustment Bonds and owning and managing certain property in connection with the restructuring of the financial obligations of the Corporation pursuant to the Corporation Plan of Adjustment. In furtherance of its purpose, the Corporation has the powers and duties established pursuant to the Act. (Capitalized terms not defined herein are used as defined in the Act.)

1.2 Legal Basis. The Corporation’s bylaws are hereby amended and restated by virtue of the powers vested in the Corporation and the Board (as defined herein) by Articles 2.4 and 2.5² of the Act.

1.3 Purpose. The purpose of these bylaws (as they may be amended from time to time, the “Bylaws”) is to govern generally the manner in which the affairs and business of the Corporation are to be conducted and the manner in which the powers and duties granted to and imposed upon the Corporation by the Act shall be exercised and performed. Said affairs and business shall be conducted and said powers and duties shall be exercised and performed in accordance with, and shall be subject to the limitations set forth in, the Act, the Bylaws, and any and all resolutions and other actions heretofore or hereafter adopted or taken by the Board, in accordance with the Act and the Bylaws, and any and all rules and regulations heretofore or hereafter adopted by the Corporation. In the event of any inconsistency or conflict between these Bylaws and the terms of the Act, the terms of the Act shall govern.

ARTICLE 2. OFFICIAL SEAL

The Official Seal of the Corporation shall be as impressed below.

Said seal may be affixed by an impression, printing, stamping, or by any other method of reproduction, and the Executive Director of the Corporation (the “Executive Director”), or any Director or officer duly authorized by resolution, may use the design of said seal upon such stationery, printed matter or other publications of the Corporation as may be convenient and appropriate.

¹ NTD: Pursuant to the Plan of Adjustment, the new bylaws would be adopted by Reorganized COFINA’s board of directors.

² NTD: As renumbered by amendment.

ARTICLE 3. BOARD OF DIRECTORS

3.1 General Powers. The affairs of the Corporation shall be managed by the Board of Directors (the “Board,” and each individual director thereof referred to herein as a “Director”). The Board shall determine compliance with the Corporation’s stated purposes and limitations, and shall have the power and authority to do and perform all acts or functions not inconsistent with these Bylaws or the Act; provided, that, while any of the Plan of Adjustment Bonds are outstanding, the Corporation shall not be authorized to engage in or authorize the activities described in Article 2.6 of the Act, including that the Directors shall not vote to authorize the Corporation to commence a case under Title III of PROMESA or other similar restructuring process under applicable law subject to the provisions thereof.

3.2 Designation. Pursuant to Article 2.7³ of the Act, the Board shall be composed of three (3) Directors appointed by the Governor of Puerto Rico, as duly constituted from time to time, which shall satisfy the criteria described in Article 3.6 of these Bylaws.⁴

3.3 Compensation of Directors. The Board shall establish the compensation, if any, of the Directors from time to time; provided that the compensation shall at all times comply with applicable law and all agreements to which the Corporation is a party. The initial compensation of the Directors shall be \$50,000 per annum, plus reasonable out-of-pocket expenses.

3.4 Committees. The Board may designate one or more standing or special committees for specific purposes. Each committee shall consist of one (1) or more Directors. No committee is authorized to take any official action on behalf of the Board, unless expressly so authorized by the Board.

3.5 Resignation. Any Director may resign at any time by providing written notice to the Governor of Puerto Rico and the other Directors.

3.6 Independence and Qualification Standards. Every Director shall satisfy the following criteria:

- i. must not be, or have been within the last two years, an officer, employee or director of any Government Entity other than the Corporation;
- ii. must not be, or have been within the last two years, a partner or employee of a firm that is the Corporation’s internal or external auditor, and must not have an immediate family member who is, or within the last two years was, a partner of such a firm, or who is a current employee of such a firm and personally works on the Corporation’s audit;

³ NTD: As renumbered by amendment.

⁴ NTD: These bylaws will be adopted by the Board of Reorganized COFINA, so we have not provided for the bondholder recommendation process set forth in the statute.

- iii. must have executive experience in finance or with securities similar to the bonds issued by the Corporation; and
- iv. must meet all applicable legal requirements for serving on the Board.

3.7 Meetings of the Board.

1. Regular Meetings. Regular meetings of the Board shall be held at least once every fiscal year on the day and hour previously agreed upon by the Board for the purpose of transacting such business as may come before the Board (including electing officers).

2. Special Meetings. Special meetings of the Board shall be called by the Secretary at the written request, which may be provided through electronic forms of communication such as email, of any Director. Such request shall state the purpose, place, date and time of the proposed special meeting. Upon any such request, it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided.

3. Place of Meetings. Any meeting of the Board may be held at such place, either within or outside Puerto Rico, as may be determined from time to time by the Board (or, in the absence of a determination by the Board, the Chairperson of the Board or the Executive Director). Board meeting may be held telephonically if agreed to unanimously by all Directors.

4. Notice of Meetings. The Secretary, in accordance with instructions of the Chairperson of the Board or the Executive Director or, in the case of a special meeting, the Director requesting such meeting, shall prepare and send written notice, which may be provided through electronic forms of communication such as email, of all meetings to each of the Directors. Each such notice shall state the time and place of the meeting and, in the case of a special meeting or if otherwise requested by a Directors, its purpose or the matters to be discussed (provided that the matters actually discussed at such meeting shall not be limited to those on the notice of such meeting so long as sufficient notice is given therefor in accordance with Article 3.7(8) below). Each such notice shall be given at least forty eight (48) hours before the date fixed for the meeting. Meetings may be held without prior 48-hour notice, provided that each of the Directors shall have provided a waiver of notice for said meeting. The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting by such Director.

5. Quorum; Voting. A majority of the Directors at the time serving shall constitute a quorum, and the affirmative vote of a majority of the Directors at the time serving shall be necessary for any action that the Board may take, except adjournment. Each Director shall be entitled to one (1) vote. In the event of a tie vote, the matter under consideration shall be reconsidered and voted upon at the next regular or special meeting of the Board. No vacancy in the membership of the Board shall impair the rights of a quorum to exercise all of the rights and perform all of the duties of the Board. Any Director present at a meeting shall not continue to transact business if the withdrawal of one or more Director results in there being less than a quorum.

6. Adjournment. Meetings of the Board may be adjourned if a quorum is present. If there is no quorum, meetings of the Board shall be adjourned by the Director present, or if no Directors are present, by the Secretary. Notice of any adjournment, including the time and place for the adjourned meeting, shall be given to the Directors who were not present at the time of the adjournment in accordance with the method prescribed above in Article 3.7(4) and need not be given to the Directors present at the time of the adjournment if the time and place thereof are announced at the meeting at which the adjournment is taken.

7. Attendance. The Board may permit the attendance at its meeting of any person or persons as it may deem desirable, provided that such persons shall have no vote.

8. Order of Business. Any Director may raise any issue to be addressed at any general or special meeting by providing the other Directors at least forty eight (48) hours' written notice (which may be provided through electronic forms of communication such as email), of such issue, unless each of the Directors provides a waiver of notice for such issue.

3.8 Minutes. The minutes of each meeting of the Board shall be under the custody of the Secretary (or such officer, agent or outside professional as may be designated by the Board) and shall include a record of all actions taken and all resolutions adopted by the Board. The minutes of each meeting of the Board shall be presented for approval by the Secretary. After approval, the minutes shall be signed by the Secretary.

3.9 Chairperson. The Board shall elect a Chairperson from among its Directors. The Chairperson shall preside at all meetings of the Board. In the absence of the Chairperson, an Acting Chairperson, appointed by the Directors present, shall preside.

3.10 Secretary. The Board shall elect a Secretary, who may be a Director or an officer or employee of the Corporation. The Secretary shall act as clerk of all of the meetings of the Board, shall record all the proceedings of such meetings in a book for that purpose, shall give such notice as may be required of all such meetings, shall keep minutes of the meetings, shall record all votes and shall have custody of all books and records of the Board, and shall perform all duties incidental to the office of the Secretary and such other duties as may be assigned by the Board. At the commencement of the Board meeting, in the absence of the Secretary there, an Acting Secretary, appointed by the Directors present, may keep a record of the meeting and prepare minutes of the meeting. The Secretary may retain such books and records electronically.

3.11 Participation in Meetings by Teleconference or other Means. Directors may participate in a meeting of such Board or committee by means of telephone conference, videoconference or any other means of communications that provides for all persons participating in the meeting to hear each other simultaneously. Participation in a meeting pursuant to this provision will constitute attendance to such meeting.

3.12 Written Action by Directors. Any action required or permitted to be taken at any meeting of the Board, or of any committee thereof, may be taken without a meeting if all Directors or such committee, as the case may be, consent to the action in writing, and the writing or writings are filed with the minutes of proceedings of the Board.

3.13 Fiduciary Duty. The Directors shall owe a fiduciary duty to the Corporation, to such extent and scope as is consistent with Puerto Rico law and the Puerto Rico Constitution.

ARTICLE 4. OFFICERS OF THE CORPORATION

4.1 The Executive Director. The Corporation shall have an Executive Director; provided that the Executive Director may be one of the Directors. The Corporation may also have a Deputy Executive Director, and such other officers as may be designated by the Board from time to time to perform such duties as may be designated by the Board.

4.2 Election and Term of Office. The Executive Director shall be elected by the Board at any regular or special meeting of the Board. The Executive Director shall hold office until his or her successor shall have been elected. Except as otherwise provided herein, a permanent vacancy in any office may be filled by the Board.

4.3 Removal of Executive Director by the Board. The Executive Director may be removed by the Board whenever in its judgment the best interests of the Corporation will be served thereby.

4.4 Powers of the Executive Director. The powers of the Executive Director as generally described in these Bylaws shall be exercised personally by such officer or, under the supervision and control, by such officers, employees, or agents as the Executive Director, with approval of the Board, may delegate to or designate for that purpose. The Executive Director:

(a) shall be responsible to the Board for the execution of the Corporation's policies and for the general supervision of the affairs and business of the Corporation, and shall exercise general supervision over the affairs, activities, officers, agents, employees and properties of the Corporation;

(b) may sign any bonds, contracts or other instruments authorized by the Board to be executed, except in cases where the signing or execution thereof shall be expressly delegated by the Board or by these Bylaws to some other officer or agent of the Corporation, or shall be required by law to be otherwise signed or executed; and

(c) in general, perform all duties incidental to the office of the Executive Director and such other duties as may be prescribed by the Board from time to time.

ARTICLE 5. PLAN OF ADJUSTMENT BONDS

The Corporation shall issue Plan of Adjustment Bonds in accordance the Act, the Plan of Adjustment and the Confirmation Order.

ARTICLE 6. INDEMNIFICATION

The Corporation shall indemnify and hold harmless any Director (and such Director's successors and assigns or legal representatives) or any officer or employee of the Corporation

(collectively the “Indemnified Parties” or individually, an “Indemnified Party”) who was or is a party, or is threatened to be made a party, to any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a Director or employee or officer of the Corporation to the full extent permitted by law, including against judgments, fines, penalties, amounts paid in settlement and expenses (including attorneys’ fees) actually and reasonably incurred by any Indemnified Party) in connection with such claim, action, suit or proceeding, unless such Indemnified Party acted with bad faith or engaged in intentional misconduct and, with respect to any criminal action or proceeding, unless such Indemnified Party knew or should have known his or her conduct was unlawful. The termination of any act, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of “nolo contendere” or its equivalent, shall not, of itself, create a presumption that the person did not satisfy these standards.

In the defense of any pending or threatened claim, action, suit or proceeding referred to in this Article or in defense of any claim, issue or matter therein, an Indemnified Party shall be indemnified against expenses (including attorneys’ fees and the fees and expenses of any experts or investigators) actually and reasonably incurred by him or her in connection therewith. Expenses (including attorneys’ fees) actually and reasonably incurred in defending or investigating any claim action, suit or proceeding referred to in this Article shall be paid by the Corporation promptly upon receipt of a claim for such payment submitted by or on behalf of the Indemnified Party and in advance of the final disposition of such action, suit or proceeding, as authorized by the Board in the specific case, upon receipt of an agreement by or on behalf of the Indemnified Party to repay such amount, if it shall be ultimately determined that that such Indemnified Party is not entitled to be indemnified by the Corporation as authorized in this Article.

The Corporation, through its legal counsel, shall defend claims, actions, suits or proceedings brought against the Corporation, or any Indemnified Party. Promptly after receipt by an Indemnified Party under this Section of notice of the commencement of any action, such Indemnified Party will, if a claim in respect thereof is to be made against the Corporation under this Section, give written notice to the Corporation of the commencement thereof, but the omission to so notify the Corporation will not relieve the Corporation from any liability which it may have to any Indemnified Party otherwise than under this Section. The Corporation will assume the defense of any action against any Indemnified Party based upon allegations of any such loss, claim, damage, liability or action, including the retaining of counsel reasonably satisfactory to such Indemnified Party and the payment of counsel fees and all other expenses relating to such defense. Promptly after receipt by the Corporation of notice of the commencement of any action as to any Indemnified Party, the Corporation will give written notice of the commencement thereof to such Indemnified Party. Any Indemnified Party may retain separate counsel in any such action, claim or proceeding and may participate in the defense thereof which retention and participation shall be at the expense of such Indemnified Party, except that the Corporation shall bear the reasonable fees, costs and expenses of such counsel if (A) the use of counsel chosen by the Corporation to represent the Indemnified Party would present such counsel with a conflict of interest; (B) the actual or potential defendants in, or targets of, any such action include both an Indemnified Party and the Corporation, and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to such Indemnified Party or other Indemnified Parties which are different from or additional to those available to the Corporation; (C) the Corporation shall not have

employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action or proceeding; or (D) the Corporation shall authorize the Indemnified Party to employ separate counsel at the expense of the Corporation. The Corporation will not, without the prior written consent of the Indemnified Parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the Indemnified Parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each Indemnified Party from all liability arising out of such claim, action, suit or proceeding.

Except as provided in the last paragraph of this Article 6 hereof, the right to indemnification accorded by this Article shall not limit any other right to indemnification to which any Indemnified Party may be entitled. Any rights hereunder shall inure to the benefit of the heirs, executors, administrators or other legal representative of any Director, officer or employee.

The indemnification provisions contained in this Article shall be deemed to be and shall constitute a contract between the Corporation and any person who qualifies as an Indemnified Party as described above.

Each Indemnified Party understands and agrees that all amounts, if any, owed by the Corporation pursuant to this Article 6 may solely be paid from the Operating Reserve Fund and the Remainder Fund established under the Bond Indenture.

ARTICLE 7. FISCAL YEAR

The fiscal year of the Corporation shall begin on the first (1st) day of July of each year and shall end on the thirtieth (30th) day of June of the succeeding year.

ARTICLE 8. BOOKS AND RECORDS

8.1 Location. All existing and future books and records of the Corporation shall be kept in the Corporation's principal office or at such other place or places as the Board shall from time to time determine. All books and records of the Corporation shall be maintained for the period required by the Corporation's record retention policy, but in no event less than the minimum period required by law.

8.2 Form of Records. Any records maintained by the Corporation in the regular course of its business, including its books of account, and minute books, may be kept on, or be in the form of, punch cards, magnetic tape, photographs, microphotographs, or any other information storage device, provided that the records so kept can be converted into clearly legible form within a reasonable time.

close of each fiscal year. The audit report shall be submitted to the Board as soon as practical after receipt.

ARTICLE 10. ACCOUNTS AND REPORTS; CONTRACT FOR SHARED ASSETS/EXPENSES

There shall be strict accountability of all funds and reporting of all receipts and disbursements of the Corporation. The Board shall establish and maintain such procedures, funds and accounts as may be required by sound accounting practices or by the provisions of any resolution, the Bond Indenture and/or other documentation of the Corporation authorizing or relating to the issuance of the Plan of Adjustment Bonds.

The Corporation may contract with the Government or any other person or entity (public or private) for any expenses with such other person or entity (public or private) to lease assets or otherwise share with the authorized activities of the Corporation including, but not limited to, leasing of office space by the Corporation and use of employees of the Government or such person or entity (public or private) by the Corporation. Any such contract with the Government or any Government Entity shall be entered into on an arm's-length basis on terms which are intrinsically fair and no less favorable than would be available from other third parties, and pursuant to written, enforceable agreements.

ARTICLE 11. CORPORATION AS A SEPARATE ENTITY

Notwithstanding anything herein to the contrary, to maintain the Corporation's status as a separate entity and to avoid any confusion or potential consolidation with any other entity, from the date of its formation until the repayment or defeasance in full of the Plan of Adjustment Bonds in accordance with the Bond Indenture, the Corporation's activities will conform with the following requirements:

11.9 shall (i) maintain its financial statements, accounting records and other entity documents separate from those of any other legal person; (ii) show, in its financial statements, its asset and liabilities separate and apart from those of any other legal person; and (iii) not permit its assets to be listed as assets on the financial statement of any of its Affiliates except as required by GAAP;

11.10 shall pay its own liabilities and expenses, including the salaries of its own employees, out of its own funds and assets, and shall maintain sufficient resources in light of its contemplated operations;

1. Ownership and Control of the SUT Collections Account: Amendment of the Contract.

- a. By executing this Agreement, GDB conveys all of its interest, ownership or otherwise, with respect to, or over, the SUT Collections Account to the Department; provided, however, that GDB and the Department acknowledge and agree that GDB’s current ownership interest in the SUT Collections Account is partial and such conveyance does not affect or impair the Corporation’s concurrent ownership interest in the SUT Collections Account. The Corporation, GDB and the Department hereby instruct BPPR to take all actions necessary to effect the joint ownership of the SUT Collections Account by the Corporation and the Department in accordance with this Section 1, and the Department and GDB shall cause all such actions to occur

promptly after the Effective Date (and in no event in excess of thirty (30) days thereafter). By executing this Agreement, GDB agrees that, from and after the date on which the Corporation's and Department's joint ownership of the SUT Collections Account has been effected in accordance with this Section 1, GDB shall cease to be a party to this Agreement.

- b. The Corporation and the Department agree to amend the Contract to provide that: (i) the Corporation's ownership interest in the SUT Collections Account is limited solely to the extent of its right, title, and interest in and to the COFINA Revenues and any interest thereon (the "COFINA Interest" and, together with the COFINA Revenues, the "COFINA Property"); and (ii) the Department's ownership interest in the SUT Collections Account is limited solely to the extent of its right, title and interest in and to any and all funds that do not constitute COFINA Property and any interest on funds that do not constitute COFINA Property (collectively, the "Department Property").

- c. Consistent with the provisions of Act 91, which prevail over any other applicable law to the contrary, the commingling described in Section 2(b) above shall be solely for administrative convenience, shall not create any equitable interest in favor of the Government, GDB, or the Department with respect to the COFINA Revenues, shall not cause or allow the COFINA Revenues to constitute property of the Government, GDB, or the Department, and shall not have any impact on the Corporation's sole and exclusive ownership of the COFINA Revenues. Moreover, consistent with the provisions of Act 91, which prevail over any other applicable law to the contrary, such commingling shall not create any equitable interest in favor of the Corporation with respect to revenues owned by the Government, GDB, or the Department, shall not cause revenues of the Government, GDB, or the Department (other than the COFINA Revenues, which are not revenues of the Government, GDB, or the Department) to constitute property of the

Corporation, and shall not have any impact on the Government's, GDB's, or the Department's, as the case may be, sole and exclusive ownership of revenues other than the COFINA Revenues. Nothing herein shall, or shall be deemed or construed to, confer upon GDB any right, title or interest in or to any revenues.

Regardless of the location of the COFINA Revenues while accruing COFINA Interest, the Corporation also owns all COFINA

Interest, and COFINA Interest shall never be considered for purposes of the Fiscal Year limitations provided above. BPPR is hereby instructed to determine the COFINA Interest on a monthly basis based on the average monthly balance of the COFINA Revenues on deposit in the SUT Collections Account and to transfer all such COFINA Interest to the Conduit Account within one (1) business day of BPPR determining the same.

- b. For each Fiscal Year, the Government owns any and all of the following: (i) COFINA Pledged Taxes in excess of the COFINA Property, (ii) the Additional SUT, (iii) the Other Municipal SUT (which is collected by the Department but owned by the applicable municipality), (iv) Delinquent Collections and (v) the non- SUT portion of the Commingled SUT Collections. 4. Delivery to the Corporation of the COFINA Pledged Taxes deposited in the SUT Collections Account.

a. The Department and the Corporation hereby instruct BPPR to comply with the instructions contained in this Section 4 and compliance by BPPR with such instructions shall not require further consent or instructions of the Corporation, the Department or any other person.

b. The Department shall deliver to BPPR and the Corporation on each business day Collection Reports detailing the amounts corresponding to the COFINA Pledged Taxes, the MAF SUT, the Additional SUT, the Other Municipal SUT, Delinquent Collections and the SUT and non-SUT portions of the Commingled SUT Collections; provided, however, that the Collection Reports shall be in such format and shall contain such information as may be agreed to in writing by the Department, the Corporation and BPPR to carry out the purposes of this Agreement. The Department and the Corporation hereby instruct BPPR to effectuate daily transfers from the SUT Collections Account of amounts determined by BPPR based on the Collection Reports to have been available therein two business days prior to such transfer. In accordance with this Section 4(b):

- i. All collections attributable to the COFINA Pledged Taxes shall be solely deposited into the Conduit Account or, to the extent practicable, directly to the Trustee Account (as defined below), until the amount of such transfers is equal to the COFINA Revenues for the corresponding Fiscal Year, plus all COFINA Interest thereon.
- ii. All collections other than the COFINA Pledged Taxes shall be deposited into such accounts as determined by the Department from time to time.

c. To the extent funds are initially deposited in the Conduit Account, as opposed to the Trustee Account directly, such funds shall be transferred on a daily basis to the Corporation's account number 516798 at the Trustee ("Trustee Account") in the same manner that it currently does under the Contract, except to the extent inconsistent herewith, until the amount of the COFINA Revenues for the corresponding Fiscal Year and COFINA Interest thereon have been delivered to the Trustee Account.

d. After having delivered an amount equal to the COFINA Revenues for the corresponding Fiscal Year and the COFINA Interest thereon to the Trustee Account, the Trustee, the Corporation and the Department hereby collectively instruct BPPR to deliver or cause the delivery of collections attributable to the COFINA Pledged Taxes through the end of the corresponding Fiscal Year to the Department to such account as may be determined by the Department from time to time.

e. If amounts deposited in the Trustee Account for a given Fiscal Year exceed the amount of COFINA Revenues for the applicable Fiscal Year and the COFINA Interest thereon, the Department shall promptly so notify the Corporation and the Trustee in writing, together with an explanation of the Department's determination concerning the matter and the Collection Reports supporting such explanation, (ii) the Corporation shall promptly instruct the Trustee to return to the Department any and all amounts deposited in the Trustee Account that are in excess of the applicable COFINA Revenues (but, for the avoidance of doubt, such excess shall not include the COFINA Interest on the applicable COFINA Revenues), and (iii) the Trustee shall promptly return such excess amounts to the Department in accordance with Section 5.05(d) of the Indenture. In the event such amounts are not returned to the Department within five (5) business days of the date of such notice by the Department, the Corporation shall be liable to the Department for accrued interest on such excess amounts from the date of initial receipt by the Trustee of such excess amounts.

f. If at any time amounts are deposited in the Trustee Account that are not COFINA Property, (i) the Department shall promptly so notify the Corporation and the Trustee in writing, together with an explanation of the Department's determination concerning the matter and the Collection Reports supporting such explanation, (ii) the Corporation shall promptly instruct the Trustee to return to the Department any and all amounts deposited in the Trustee Account that are not COFINA Property, and (iii) the Trustee shall promptly return such amounts to the Department in accordance with Section 5.05(d) of the Indenture. In the event that such amounts are not returned to the Department within five (5) business days of the date of such notice by the Department, the Corporation shall be liable to the Department for accrued interest on such amounts from the date of initial receipt by the Trustee of such incorrectly deposited amounts. The provisions of this Section 4(f) only apply to the extent that the provisions of Section 4(e) above do not apply.

g. The Department and the Corporation shall provide, or cause to be provided, to the Trustee a copy of each instruction that the Department and the Corporation have agreed to provide to BPPR under the terms of this Agreement. A copy of each such instruction shall

be provided to the Trustee within three (3) business days of such instruction being provided to BPPR.

h. The Department and the Corporation acknowledge that BPPR will rely, and act solely based, on the information contained in the Collection Reports and shall have no duty to inquire, verify or investigate any of the information in the Collection Reports and/or the appropriateness, reasonability, legality or adequacy thereof. The transfer of funds required hereunder will only be made to the extent BPPR receives the required Collection Reports and the particular account contains sufficient funds to complete the required transfer. The Department covenants and agrees to use its reasonable best efforts to ensure the continued production of the Collection Reports on a daily basis as contemplated herein.

5. Quarterly Funding of Trustee Account.

a. Upon satisfaction of the Quarterly Funding Requirements (as defined in the Indenture) as certified by the Trustee pursuant to Section 5.05(b) of the Indenture:

i. The Department and the Corporation hereby instruct BPPR to deliver, in accordance with the instructions set forth in Sections 2 and 4 above, the COFINA Revenues, together with COFINA Interest thereon, if any), to the Trustee Account in four equal (except as required by this Section 5) installments (each, a “Quarterly Installment”) commencing on each July 1, October 1, January 1 and April 1. In order to fund each Quarterly Installment, beginning on the first day of such quarter and continuing until such time as the Quarterly Installment and the COFINA Interest thereon, if any, have been transferred in full to the Trustee Account, the Department and the Corporation hereby instruct BPPR to transfer, in accordance with the instructions set forth in Sections 2 and 4 above, the COFINA Revenues (together with COFINA Interest thereon, if any) to the Trustee Account.

ii.

1. If amounts deposited in the Trustee Account for a given fiscal quarter exceed the Quarterly Installment for such quarter (but, for the avoidance of doubt, such excess shall not include the COFINA Interest accruing on the applicable COFINA Revenues during such quarter for this Quarterly Installment calculation), (i) the Department shall promptly so notify the Corporation and the Trustee in writing, together with an explanation of the Department’s determination concerning the matter and the Collection Reports supporting such explanation, (ii) the Corporation shall promptly instruct the Trustee to return to the Department any and all amounts deposited in the Trustee Account that are in excess of the

Quarterly Installment (but not, for the avoidance of doubt, the COFINA Interest thereon), and (iii) the Trustee shall promptly return such excess amounts to the Department in accordance with Section 5.05(e) of the Indenture. In the event such excess amounts are not returned to the Department within five (5) business days of the date of such notice by the Department, the Corporation shall be liable to the Department for accrued interest on such excess amounts from the date of initial receipt by the Trustee of such excess amounts.

2. If the COFINA Pledged Taxes received in a fiscal quarter are insufficient to fully fund the Quarterly Installment for such quarter, then the Quarterly Installment for the next following quarter shall be increased by an amount equal to such shortfall plus any shortfall in any prior Quarterly Installments.

iii. Once the corresponding Quarterly Installment has been delivered to the Trustee Account in a particular fiscal quarter, collections of COFINA Pledged Taxes received in such quarter in excess of such amounts shall be delivered to those accounts as the Department may determine from time to time until such time as the next Quarterly Installment is required to be delivered to the Trustee Account.

b. If at any time amounts are deposited in the Trustee Account that are not COFINA Property and which are not otherwise required to be paid by or on behalf of the Corporation under the Indenture, the Department shall promptly so notify the Corporation and the Trustee in writing, and if the Corporation and/or the Trustee fail to return such moneys to the Department within five (5) business days of the date of such notice by the Department, the Corporation shall be liable to the Department for accrued interest on such incorrectly deposited funds from the date of initial receipt by the Trustee of such incorrectly deposited funds. The provisions of this Section 5(b) only apply to the extent that the provisions of Section 5(a)(ii)(1) do not apply.

in, revenues other than the COFINA Pledged Taxes (but only to the extent of the Corporation's ownership therein).

b. Governing Law; Jurisdiction. This Agreement shall be governed by the substantive laws of the Commonwealth of Puerto Rico, without regard to its conflict of laws rules. The parties shall be deemed to have consented to the jurisdiction of such courts in accordance with this Section.

c. Entire Agreement. This Agreement, the Indenture and the Contract contain the entire agreement as to the matters contained herein between the parties, and supersedes all prior or contemporaneous agreements, contracts, promises or representations, whether written or oral, between the parties. Except for the Indenture and the Contract, no subsequent or contemporaneous agreements, contracts, promises or representations regarding the subject matter hereof shall be binding and effective between the parties, unless set forth in writing and signed by authorized representatives of the parties. In the event of any conflict with the Contract, this Agreement shall control. For the avoidance of doubt, the foregoing shall not in any way limit the provisions of Act 91, the Corporation Plan of Adjustment or the order of the Title III Court approving the Corporation Plan of Adjustment.

d. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument.

Each reduction in the Accretion Schedule for such Class shall reduce the obligation of the Credit Support Provider under the Credit Support with respect to such Class. On any date in which the Class 2054 Units receive the amount required to be paid under Section 8.02, such Class shall be deemed to be redeemed in full and no longer Outstanding hereunder and no further amounts shall be distributable on such Units from and after such time.

(h) In the event the Trustee makes a valid claim against the Credit Support Provider as set forth in Section 4.01(c) and (d) above and the Credit Support Provider fails to distribute funds to the Trustee, then the Trustee shall provide notice to Unitholders within five (5) Business Days, pursuant to the provisions in Section 10.05, of the Credit Support Provider's failure. Upon the occurrence and continuation of such Credit Support Provider failure, the majority of Unitholders may direct the Trustee to exercise any and all remedies available at law or in equity with respect

to the Credit Support; provided that, the Trustee shall be under no obligation to take any action in the event of a Credit Support Provider failure to pay a valid claim, other than providing notice of such failure to the Unitholders unless, upon demand, the Trustee receives indemnification or security satisfactory to it from the Unitholders against all liabilities, costs and expenses that, by reason of such action may be imposed on, incurred by or asserted against the Trustee.

(i) If, prior to a Trust Termination Event, the Credit Support Provider has made a payment in respect of the Credit Support, the Credit Support Provider shall be entitled to receive, upon its written direction, reimbursement of such amounts together with interest thereon at the Reimbursement Rate out of proceeds that would otherwise be paid by the Trust to Unitholders pursuant to this Section 4.01. Such reimbursement shall be made out of all available Non-Taxable Funds and Taxable Funds (in the aggregate, the "Funds") in pro rata amounts (calculated based upon the Aggregate Unit Balance of each Class attributable to proceeds received from Taxable Bonds and Non-Taxable Bonds) to the extent of available Non-Taxable Funds and Taxable Funds (and, if not available from the Non-Taxable Funds, then from other available Taxable Funds), or as otherwise provided in such direction, with the Funds being first applied to such reimbursement prior to making any distribution to Unitholders or making any reinvestment of the Funds.

SECTION 4.02. Reports to Credit Support Provider and Unitholders.

(a) On each Distribution Date the Trustee shall forward or cause to be forwarded to the Credit Support Provider and each Unitholder a statement setting forth:

- (i) the aggregate amount of such distribution to be made to Unitholders of each Class on such date;
- (ii) the Aggregate Unit Balance of each Class after giving effect to the distribution to be made on such Distribution Date;
- (iii) the cumulative amount of Extraordinary Trust Expense, if any, on such Distribution Date;
- (iv) the cumulative amount of proceeds received in the Collection Accounts since the prior Distribution Date and the sources thereof;
- (v) the portion of each distribution made on such Distribution Date attributable to proceeds received from Taxable Bonds and Non-Taxable Bonds and from the Credit Support; and
- (vi) the information required to be reported pursuant to Section 3.02(d).

(b) Within a reasonable period of time after the end of each calendar year, the Accountant shall furnish to each Person who at any time during such calendar year was a Unitholder a statement containing the information set forth in this clause (a) with each such amount aggregated for such calendar year or the applicable portion thereof during which such Person was a Unitholder, which statement shall provide information to allow Unitholders to calculate their U.S. federal income tax liability with respect to the Units.

(c) The Trustee will deliver to Unitholders and the Credit Support Provider copies of all notices and communications it receives from the Security Issuer as they relate to the COFINA Bonds unless otherwise provided by the Security Issuer under EMMA as administered by the Municipal Securities Rulemaking Board.

SECTION 4.03. Compliance with Tax Reporting and Withholding Requirements.

(a) Unitholders (including for this purpose, the holders of beneficial interests in the Global Securities) will be responsible for the payment of all taxes with respect to the Trust Property. Each Electing Holder receiving Units on the Closing Date (and each assignee thereof) and, to the extent required, each holder of a beneficial interest in a Global Security, will be responsible for providing the Trustee such information reasonably requested by the Trustee or the Accountant, on behalf of the Trust, as may be deemed necessary or advisable in order for the Trustee to provide tax reporting. Neither the Depositor nor the Trustee will be responsible for making any tax payments or tax reporting other than as set forth in this Trust Agreement. The Trust, through its Accountant, shall be responsible for all tax reporting obligations and withholding (if any) for the Trust and Unitholders as required by law and consistent with the treatment of the Trust as a partnership and the Unitholders as partners (but subject further to the tax characterization described in Section 2.01), for purposes of the U.S. federal income tax, and any state and local taxes. Such obligations shall include: the timely filing of completed partnership returns and the partnership information returns, the timely provision of completed partner information statements, including any extensions, and any filings or information as required by the Accountant. To assure the foregoing, the Trustee shall utilize the Accountant, with fees and expenses of the Accountant being a cost of the Trust. For the avoidance of doubt, the Trustee, on behalf of the Trust, shall have no individual obligation or duty to review the partnership returns, partnership information returns or partner information statements for accuracy.

(b) The Trust shall cause the Accountant, on behalf of the Trust, to establish for each Unitholder a capital account in the Trust. Such capital accounts shall be maintained in accordance with the rules of Treasury Regulations Section 1.704 1(b)(2)(iv). In addition, the Trust shall be entitled to make (or refrain from making) any elections and take (or refrain from taking) actions permitted or required by applicable tax law; provided, however, that the Trust shall not make any election under Section 754 of the Code or make any election, or take any action, inconsistent with the Trust being classified as a partnership for tax purposes.

(c) The Trust shall designate the Representative as the ‘partnership representative’ (as defined in Section 6223 of the Code) (the “Partnership Representative”) and is hereby authorized to appoint such Partnership Representative pursuant to a separate agreement. All expenses incurred by the Partnership Representative shall be expenses of the Trust. The Partnership Representative shall have all of the rights, duties, powers and obligations provided for in Sections 6221 through 6232 of the Code with respect to the Trust and is authorized to represent the Trust (at the Trust’s expense) in connection with all examinations of the Trust’s affairs by tax authorities, including resulting administrative and judicial proceedings. The Trust shall reimburse the Partnership Representative for any and all reasonable expenses (including legal and accounting fees) incurred by the Partnership Representative, in connection with the fulfillment of its duties under this Section 4.03(c). The Partnership Representative shall not be liable, including under any legal or equitable theory of fiduciary duty or other theory of liability,

to the Trust or to any Unitholder for any losses, claims, damages or liabilities incurred by reason of any act or omission performed or omitted by the Partnership Representative on behalf of the Trust unless such action or omission was due to bad faith, willful misconduct or gross negligence.

SECTION 4.04. Preservation of Information, Communications to Unitholders.

The Trust shall cause the Accountant to (i) preserve, in as current a form as is reasonably practicable, the names and addresses of the Unitholders contained in the most recent list furnished to the Accountant by the Unitholders and (ii) upon request, provide the Credit Support Provider and the Trustee (but not any Unitholder) with a copy of the list. The Accountant shall be allowed to destroy any list furnished to it as provided upon receipt of a new list.

ARTICLE V

The Units

SECTION 5.01. The Units.

(a) The Units shall be issued in the form of and be represented by one or more Global Securities in the form of Exhibit C1 and Exhibit C2 and, as provided by the terms hereof and subject to Section 5.09, by definitive Certificates substantially in the form of Exhibit B1 and Exhibit B2. The aggregate amount of the Units that may be executed and delivered under this Trust Agreement is limited to the amount of Ambac Prepetition Insured Bonds deposited into the Trust. The aggregate number of Units shall be allocated between 2054 Units and 2047 Units in the same proportion as the Ambac Prepetition Insured Bonds deposited into the Trust on the Closing Date. All Units of the same Class shall be identical in all respects. The Units of each Class will be transferable in denominations of the current Notional Amount of the applicable Class and integral multiples thereof, which, for the avoidance of doubt, shall be a denomination of \$1.00 of accreted value at the applicable Scheduled Final Redemption Date. All Units of a Class issued under this Trust Agreement shall be in all respects equally and ratably entitled to the benefits to which such Class are entitled hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery. No additional interests in the Trust other than the Units shall be issued hereunder, except in accordance with Section 5.04.

(b) The Units issued under this Trust Agreement shall be in the form of two separate Classes: a class of Units with a mandatory redemption date of the Class 2047 Scheduled Final Redemption Date (the "Class 2047 Units") and a class of Units with a mandatory redemption date of the Class 2054 Scheduled Final Redemption Date (the "Class 2054 Units"). The Accretion Schedule for a Class shall be adjusted from time to time in connection with each distribution made on such Class. Such adjustment shall be based on the gross amount of each distribution and shall not take into account taxes, if any, which may be required to be withheld by the Trust or paid by any Unitholder. In connection with each distribution on a Class of Units, the Trustee shall provide to the Credit Support Provider a revised Accretion Schedule for such Class which gives effect, in accordance with the foregoing, to receipt of such distribution by such Class and calculates the remaining Accretion Schedule for such Class from and after

the date of such distribution. Any such revised Accretion Schedule shall become effective hereunder upon written reasonable approval thereof by the Credit Support Provider.

(c) Unless and until it is exchanged in whole or in part for Certificates representing the individual Units represented thereby (as described in Section 5.09), a Global Security may not be transferred except as a whole by the Depositary for such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor.

SECTION 5.02. Execution, Authentication and Delivery.

(a) Global Securities and/or Certificates evidencing Units shall be executed on behalf of the Trust by the Trustee by a Responsible Officer. The signature of any of these officers may be manual or facsimile. Certificates and Global Securities bearing the manual or facsimile signature of individuals who were at any time the proper officers of the Trustee shall be binding, notwithstanding that such individuals or any of them have ceased to hold such offices subsequent to the authentication and delivery of such Certificates and/or Global Securities or did not hold such offices at the date of such Certificates and/or Global Securities.

(b) The Trustee shall not be required to authenticate any Certificates or Global Securities if the issuance of such Certificates or Global Securities pursuant to this Trust Agreement will adversely affect the Trustee's own rights, duties or immunities under this Trust Agreement.

(c) Each Certificate and Global Security shall be dated as of the date of its authentication.

(d) No Unit shall be entitled to any benefit under this Trust Agreement or be valid or obligatory for any purpose, unless there appears on the applicable Certificate or Global Security a certificate of authentication substantially in the form as contained in the form of Certificate or Global Security attached to this Trust Agreement as Exhibit B1, Exhibit B2, Exhibit C1 or Exhibit C2 executed by the Trustee by the manual or facsimile signature of a Responsible Officer, and such certificate upon any of the foregoing shall be conclusive evidence, and the only evidence, that the Unit represented thereby has been duly authenticated and delivered under this Trust Agreement and is entitled to the benefits of this Trust Agreement.

SECTION 5.03. Registration; Registration of Transfer and Exchange.

(a) The Trustee shall cause to be kept a register for Units (the registers maintained in such office and in any other office or agency of the Trustee from which distributions are made being herein sometimes collectively referred to as the "Unit Register") in which, subject to such reasonable regulations as it may prescribe, a transfer agent and registrar (which may be the Trustee) (the "Unit Registrar") shall provide for the registration of Units and the registration of transfers and exchanges of Units. The Trustee is hereby initially appointed Unit Registrar for the purpose of registering Units and transfers and exchanges of Units as herein provided, and the Trustee shall remain Unit Registrar for such purposes until the earlier to occur of (i) the resignation or termination of the Trustee and appointment of a successor trustee in accordance with Section 9.07, in which case such successor trustee shall assume the duties of Unit Registrar and (ii) the termination of the Trust and discharge of the Trustee's obligations under this Trust

Agreement in accordance with the applicable terms of Article VIII; provided, however, that the Trustee may appoint one or more co-Unit Registrars upon notice to the Credit Support Provider and the Unitholders.

With respect to Units represented by Certificates (if applicable), upon surrender for registration of transfer of any Unit at the office or agency of the Unit Registrar, if the requirements of Section 8-401(1) of the Uniform Commercial Code are met to the Unit Registrar's satisfaction, and subject to the transfer restrictions set forth in Section 5.09 hereof, the Trustee shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Units of any authorized denominations, of a like aggregate Notional Amount. All transfers of Units are subject to the approval of the Unit Registrar and the Unit Registrar shall not register any transfer of Units if such transfer would violate any provision of this Trust Agreement. Notwithstanding the foregoing, beneficial interests in a Global Security shall be transferable in accordance with the Applicable Procedures, as further described in Section 5.09(c) hereof.

(b) At the option of the Unitholder and at such Unitholder's expense, Certificates representing Units may be exchanged for other Certificates of any authorized denomination or denominations of like tenor and aggregate Notional Amount upon surrender of the Certificates to be exchanged at the office or agency of the Trustee maintained for such purpose. Whenever any Certificates are so surrendered for exchange, the Trustee shall execute, authenticate and deliver the Certificates representing the Units that the Unitholder making the exchange is entitled to receive.

All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under this Trust Agreement as the Units surrendered upon such registration of transfer or exchange.

(c) Every Unit represented by a Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a written instrument of transfer substantially in the form of Exhibit D hereto), duly executed, by the Unitholder thereof or his attorney duly authorized in writing, or by a member firm of a national securities exchange, and such other documents as the Unit Registrar may require.

No service charge shall be required of a Unitholder for any registration of transfer or exchange of Units, but the Trustee may require payment by the Unitholders of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

SECTION 5.04. Mutilated, Destroyed, Lost and Stolen Certificates.

If (i) any mutilated Certificate is presented to the Unit Registrar or (ii) the Unit Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Unit Registrar such security or indemnity as it may require to save it and any Paying Agent harmless, and the Unit Registrar has not received notice that such Certificate (and the Units represented thereby) has been acquired by a bona fide purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated,

destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee or Unit Registrar) connected therewith.

Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Property to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement equally and proportionately with any and all other Units of the related Class, if any, duly issued thereunder.

The terms of this Section shall apply, *mutatis mutandis*, with respect to the certificates representing the Global Securities, provided that any costs, taxes or expenses in connection therewith or with respect to a required indemnity shall be borne by the Trustee and deemed an Extraordinary Trust Expense.

The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

SECTION 5.05. Persons Deemed Owners.

Subject to Section 5.04 and except for the final distribution, the Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered as the owner of such Unit on the related Distribution Date for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made to any such Unitholder, or upon his order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon such Unit.

SECTION 5.06. Cancellation.

(a) All Units evidenced by Certificates surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee (or, if different, the Unit Registrar) and no one else will cancel all such Units surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Units and the related Certificates in accordance with its customary procedures. No Certificates evidencing Units shall be authenticated in lieu of or in exchange for any Units canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

(b) At such time as all beneficial interests in a particular Global Security have been exchanged for COFINA Bonds pursuant to Section 6.03 hereof or for Certificates representing Units, or a Trust Termination Event has occurred with respect to all Units represented by a

particular Global Security, such Global Security will be cancelled and destroyed by the Trustee in accordance with Section 5.06(a).

SECTION 5.07. Appointment of Paying Agent.

(a) The Trustee may appoint one or more paying agents (each, a “Paying Agent”) with respect to the Units. Any such Paying Agent shall be authorized to make distributions to Unitholders pursuant to this Trust Agreement and shall report the amounts of such distributions to the Trustee. The Trustee may remove the Paying Agent if the Trustee determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Trust Agreement in any material respect or if the Paying Agent fails to satisfy the eligibility requirements set forth in paragraph (b) of this Section. The Paying Agent shall initially be the Trustee. Any Paying Agent shall be permitted to resign as Paying Agent upon 30 days’ written notice to the Trustee. In the event that the Trustee shall no longer be the Paying Agent, the Trustee shall appoint a successor or additional Paying Agent and shall provide written notice of such appointment to the Credit Support Provider and the Unitholders. The Trustee shall cause each such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that it will hold all sums, if any, held by it for distribution to the Unitholders in an Eligible Account in trust for the benefit of the Unitholders entitled thereto until such sums shall be distributed to such Unitholders. The Paying Agent shall return all unclaimed funds to the Trustee within two years from the time such funds were first eligible to be claimed and promptly upon removal shall also return all funds in its possession to the Trustee or a successor Paying Agent.

(b) The Paying Agent shall at all times be a corporation or an association, the combined capital and surplus of which is at least \$200,000,000 and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody’s, and is subject to supervision of examination by Federal or State authority. If such corporation or association publishes reports of conditions at least annually, pursuant to combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Paying Agent shall cease to be eligible in accordance with the terms of this paragraph, the Paying Agent shall release all funds held by the Paying Agent to the Trustee and then resign immediately. Upon such resignation, the Trustee shall act as Paying Agent until the appointment of a successor Paying Agent in accordance with paragraph (a) of this Section.

(c) The terms of Sections 9.01, 9.02, 9.03, 9.05 and 9.06 shall be applicable to any Paying Agent, *mutatis mutandis*.

(d) Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

SECTION 5.08. [Reserved].

SECTION 5.09. Issuance and Transfer Restrictions.

(a) The Units shall be issued on the Closing Date upon deposit of the Electing Ambac Prepetition Insured Bonds, the benefit of the Credit Support and the COFINA Bond Distributions into the Trust pursuant to the Plan of Adjustment and the due authentication by the Trustee of the Units in the form set forth in Exhibit C1 and Exhibit C2 attached hereto as applicable.

(b) No Unit shall be transferred except in accordance with the terms of Section 5.03 and this Section 5.09(b) or, if applicable, Section 5.09(c). Each proposed transfer of a Unit shall not be effective until the transferor and transferee have provided the Trustee with a certificate of transfer in substantially the form of Exhibit D hereof and the acknowledgement of such certificate by the Trustee. If, at any time, the Trustee learns that (i) a transfer of a beneficial interest in a Global Security shall have been made without the transferor complying with its obligations under Section 4.03 hereof or (ii) any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit (or beneficial interest therein) to such potential transferee shall be null and void ab initio. The Trustee shall have such other powers to effect compliance with the terms of this Section 5.09 as it deems appropriate.

(c) With respect to any Units represented by Global Securities, the following terms shall apply:

(i) The Units will be represented by one or more Global Securities registered in the name of the Depositary or its nominee. The Trustee initially appoints DTC to act as Depositary with respect to the Global Securities.

(ii) Any Global Security shall be exchangeable for Certificates registered in the name of Persons other than the Depositary or its nominee *only* if (A)(x) the Depositary is no longer willing or able to continue to act as a depositary *or* (y) the Depositary ceases to be an Exchange Act registered clearing agency *and* (B) the Trustee is unable to appoint a qualified successor within 120 days. Upon the occurrence of (1) either event described in subclause (A) of the previous sentence *and* (2) the event described in subclause (B) of the previous sentence, Certificates representing Units shall be issued in exchange for any applicable Units represented by Global Securities in such names as the Depositary shall instruct the Trustee. Upon such issuance, the Trustee shall register such Certificates in the name of, and cause the same to be delivered to, such Person or Persons (or the nominee thereof) consistent with Section 5.02. In addition, the Trustee may (and at the direction of the Credit Support Provider shall) cause the entire beneficial interest in a Global Security held by a Person that is in breach of its obligations under Section 4.03 hereof to be converted into a definitive Certificate. For the avoidance of doubt, any Unit authenticated and delivered in exchange for a Global Security or any portion thereof pursuant to this Section 5.09(c)(ii) shall be authenticated and delivered in the form of, and shall be, a Certificate. A Global Security may not be exchanged for a Certificate other than as provided in this Section 5.09(c)(ii); provided, however, that Units may be transferred and exchanged as provided in Section 5.09(c)(iii).

(iii) The transfer and exchange of Units will be effected through the Depositary, in accordance with the provisions of this Trust Agreement and the Applicable Procedures. Units may be transferred to Persons who take delivery thereof only in the form of a beneficial interest in the same Global Security. No written orders or instructions shall be required to be

delivered to the Unit Registrar to effect the transfers of beneficial interests in a Global Security described in this Section 5.09(c)(iii).

(iv) Any Global Security shall bear a legend in substantially the following form:

“This certificate is a Global Security (within the meaning of the Trust Agreement hereinafter referred to) and is registered in the name of a Depositary or a nominee of a Depositary. This Global Security is exchangeable for Certificates registered in the name of a person other than the Depositary or its nominee only in the limited circumstances described in the Trust Agreement, and may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary. Unless this Global Security is presented by an authorized representative of The Depositary Trust Company (“DTC”) to the Trustee (as defined in the Trust Agreement) or its agent for registration of transfer, exchange or payment, and any Global Security issued is registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC (and any payment is made to Cede & Co. or such other entity as may be requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest therein.”

ARTICLE VI

Rights of Unitholders and Credit Support Provider

SECTION 6.01. Voting Rights with Respect to COFINA Bonds.

(a) Within two (2) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the COFINA Bonds, the Trustee shall deliver a copy of such notice to the Credit Support Provider.

(b) The voting and direction rights allocable to the owners of the COFINA Bonds pursuant to the terms thereof (including, without limitation, voting and direction rights in respect of remedies) will be allocated solely to the Credit Support Provider and no Unitholder shall have any right to direct the Trustee as to any voting or direction rights allocable to owners of the COFINA Bonds. Upon the written request of the Credit Support Provider, the Trustee shall vote in accordance with any instruction set forth in such written request. The Credit Support Provider may exercise its rights hereunder in its sole discretion.

SECTION 6.02. COFINA Bond Sale.

(a) The Credit Support Provider may, in its sole discretion, at any time and from time to time, direct the Trustee to sell all or any portion of the Taxable Bonds and the applicable portion of the other Trust Property provided that: (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices as the Credit Support Provider shall deem appropriate and delivered to the Trustee) and (ii) all proceeds of such sales shall be deposited into the

Taxable Collection Account for the benefit of Unitholders. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Credit Support Provider. In the case of any sale of Taxable Bonds, the Credit Support Provider shall direct the Trustee to sell all or a portion of the Taxable Bonds, to the extent possible, at the price that equates to the lowest Yield to Maturity in the context of the market. Each Unitholder (which term shall for purposes hereof include any holder of a beneficial interest in a Global Security), by electing to receive Units hereunder and any assignee thereof, shall be deemed to have consented to the sale of the Taxable Bonds as directed by the Credit Support Provider from time to time as provided in this Section 6.02(a). Notwithstanding the foregoing, there shall be no sales of Taxable Bonds on or before the Final Non-Taxable Bond Determination Date.

(b) The Trustee shall not sell any Non-Taxable Bonds except upon a Non-Taxable Bond Sale Event. Upon the occurrence of a Non-Taxable Bond Sale Event with respect to one or more series of Non-Taxable Bonds, the Trustee shall sell such portion of the Non-Taxable Bonds to the extent subject to such Bond Sale Event, provided that: (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) and (ii) all proceeds of such sales shall be deposited into the Non-Taxable Collection Account for the benefit of Unitholders. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Calculation Agent. In the case of any permitted sale of Non-Taxable Bonds hereunder, the Trustee shall sell all or a portion such Non-Taxable Bonds, to the extent possible, at the price that equates to the lowest Yield to Maturity in the context of the market but that at least equates to the Yield to Maturity set forth in Schedule 2; provided, however, the Trustee shall rely on the information provided by the Calculation Agent and shall be under no obligation to determine the price that equates to the lowest yield to maturity in the context of the market.

(c) The Calculation Agent shall monitor on at least a monthly basis (or more frequently as the Calculation Agent may determine) the fair market value of the Non-Taxable Bonds to determine whether the fair market value of any series of Non-Taxable Bonds exceeds the applicable Non-Taxable Bond Threshold Amount for such Non-Taxable Bonds. The Calculation Agent shall promptly notify the Trustee and the Credit Support Provider if the fair market value of any series of Non-Taxable Bonds (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) exceeds the applicable Non-Taxable Bond Threshold Amount for such series of Non-Taxable Bonds.

(d) Upon distribution pursuant to Section 4.01(a) of the proceeds of any sale of Non-Taxable Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Accretion Schedule for the Classes shall be reduced by the Trustee.

(e) Upon any Discretionary Distribution pursuant to Section 4.01(b) of the proceeds of any sale of Taxable Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Accretion Schedule for the Classes shall be reduced by the Trustee.

SECTION 6.03. Distribution of COFINA Bonds.

(a) The Credit Support Provider may to the extent permitted with the procedures of the Depositary, at any time and from time to time, direct the Trustee to distribute all or a portion of the underlying COFINA Bonds to Unitholders, upon written notice from the Credit Support Provider to the Trustee and the Unitholders indicating the COFINA Bonds to be distributed, and the Trustee shall distribute such amount and type of COFINA Bonds indicated in such notice on a pro rata basis or as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all Units held by such Unitholder) to the Unitholders, by way of redemption or otherwise, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary. Upon any such distribution described in the preceding sentence, any Units so redeemed shall be cancelled by the Trustee, the applicable Aggregate Unit Balance for the Class or Classes receiving such distribution shall be reduced by the Deemed COFINA Bond Valuation Amount and the Accretion Schedule for the Class or Classes receiving such distribution shall be revised by the Trustee accordingly in the amount specified by the Credit Support Provider.

(b) The Credit Support Provider may, at its sole discretion, at any time and from time to time, agree with any Unitholder (which term for purposes of this clause (b) shall include any holder of a beneficial interest in a Global Security) to exchange such Unitholder's Units for a proportional percentage of any portion of the underlying Trust Property (including COFINA Bonds, Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments then held by the Trust) and upon written notice from the Credit Support Provider to the Trustee indicating the amount of such COFINA Bonds (if any), Ambac Prepetition Insured Bonds (if any), Credit Support (if any), cash (if any) and proceeds of Permitted Investments (if any) to be released, the Trustee shall release such amount of, if applicable, COFINA Bonds, Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments to such Unitholder. In such event, such Unitholder shall execute a release, in form and substance satisfactory to the Credit Support Provider, releasing all rights and obligations owing to it against the Trust and under the Credit Support (if applicable). The exchange with such Unitholder shall not give rise to any right of any other Unitholder to request such an exchange or to receive any other consideration with respect to its Units. Upon any such exchange the applicable Aggregate Unit Balance for such Class or Classes shall be reduced and the Accretion Schedule for the Class or Classes subject to such exchange shall be revised by the Trustee in an amount specified by the Credit Support Provider, and the Trustee shall cancel all such exchanged Units (which cancellation, in the case of any Units represented by a Global Security, shall be effectuated by the Trustee by reducing the aggregate balance of Units comprising such Global Security).

(c) In the event the Credit Support Provider makes an election under Section 6.03 (a) or (b) above or Section 8.02(b) and the Depositary requests indemnification from the Trustee in order to effectuate the transaction, the Credit Support Provider shall provide matching indemnification to the Trustee, in writing, in order to effectuate the transaction.

SECTION 6.04. Electing Ambac Prepetition Insured Bonds.

(a) Notwithstanding the deposit of the Electing Ambac Prepetition Insured Bonds in the Trust, the Electing Ambac Prepetition Insured Bonds shall not be cancelled (other than for tax purposes) and all rights and remedies under and in accordance with the Ambac Prepetition

Insured Bonds, the Bond Resolution (other than with respect to the payment and other obligations of COFINA (including any lien granted as security under such Bond Resolution)) and the Credit Support shall be preserved and remain in full force and effect with respect to the Electing Ambac Prepetition Insured Bonds. The Credit Support Provider shall be deemed the sole holder of the Electing Ambac Prepetition Insured Bonds deposited in the Trust, including, without limitation, with respect to voting, amendment, acceleration, events of default and election and direction of rights and remedies.

(b) For the avoidance of doubt, the Ambac Prepetition Insured Bonds not beneficially owned by an Electing Holder shall be cancelled on the Closing Date and shall be deemed no longer outstanding for all purposes of the Bond Resolution.

(c) Each reference in this Agreement to the Accretion Schedule for a Class of Units being reduced shall be deemed to include a corresponding reduction to the Accretion Schedule for the related Electing Ambac Prepetition Insured Bonds and a corresponding reduction (without duplication) in the Credit Support as a result thereof.

ARTICLE VII

Default on COFINA Bonds and Permitted Investments

SECTION 7.01. Realization Upon Default.

(a) The Trustee shall assert claims under the COFINA Bonds, or the Permitted Investments and the Credit Support, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder with respect to any default, only at the direction of the Credit Support Provider with respect to the COFINA Bonds and the Permitted Investments in accordance with Article VI hereof.

(b) If there is a breach, a default or an event of default (as defined in the COFINA Bond Agreements) with respect to any COFINA Bond or a breach, a default or an event of default (as defined in the applicable document pursuant to which the Permitted Investment was issued or by which it is governed) with respect to any Permitted Investment, and such breach, default or event of default is known to the Trustee, the Trustee shall give notice thereof to the Unitholders and the Credit Support Provider as promptly as practicable, and, in any event, within two (2) Business Days after such event of default becomes known to the Trustee. However, if the Trustee receives notice of an anticipated payment default with respect to any COFINA Bond, the Trustee shall promptly give notice thereof to the Unitholders and the Credit Support Provider within 2 Business Days after receipt of such notice.

ARTICLE VIII

Trust Wind-Up Events; Termination

SECTION 8.01. Trust Wind-Up Events.

The obligations and responsibilities of the Trustee under this Trust shall terminate and the Trust shall wind-up upon the earlier of (a) the Class 2054 Scheduled Final Redemption Date or

(b) payment in full of the Aggregate Unit Balance for each Class of Units (a “Trust Termination Event”).

SECTION 8.02. Trust Property Made Available.

(a) Except with respect to a Trust Termination Event occurring on the Class 2054 Scheduled Final Redemption Date, the Trustee shall provide notice to the Unitholders and the Credit Support Provider of the intent to effect a Trust Termination Event and that Unitholders should surrender their Units to the Trustee, for the greater of (x) their respective portion of the Aggregate Unit Balance of such Class or (y) their respective portion of any amount remaining in the Trust after making reimbursement payments required to be made to the Credit Support Provider for the amounts described in Section 8.02(b). Such notice to the Credit Support Provider shall also specify (i) the location and hours of the Corporate Trust Office at which Units should be presented and surrendered and (ii) that each Unitholder must supply wire instructions in writing with respect to any cash distribution.

(b) Upon the occurrence of a Trust Termination Event on account of the Credit Support Provider making a payment with respect to the Credit Support (whether on the Class 2054 Scheduled Final Redemption Date or earlier), the Credit Support Provider shall be entitled to receive reimbursement of any amounts paid by the Credit Support Provider pursuant to the Credit Support to the extent not previously reimbursed, in accordance with the manner set forth in Section 4.01(i). Upon written direction to the Trustee from the Credit Support Provider, the amount required to be reimbursed to the Credit Support Provider shall be paid from the proceeds of a sale of the remaining Trust assets (including amounts remaining in the Fee Reserve) or, at the election of the Credit Support Provider may be made in the form of COFINA Bonds having a fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) equal to the amount required to be paid to the Credit Support Provider pursuant to this Section 8.02(b). Any excess proceeds in the Trust with respect to the COFINA Bonds remaining after the reimbursement to the Credit Support Provider pursuant to this Section 8.02(b) shall be distributed pro rata or on an as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all Units held by such Unitholder) to Unitholders as of the date of the Trust Termination Event, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depository.

(c) On the date on which both Classes of Units and the Credit Support Provider have received the amounts due them pursuant to Section 8.02(b), the Electing Ambac Prepetition Insured Bonds and the Credit Support shall be released and cancelled and the Credit Support Provider’s obligations thereunder shall be deemed satisfied in full.

ARTICLE IX

Concerning the Trustee

SECTION 9.01. Duties of Trustee.

(a) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement. Any permissive right of the Trustee enumerated in this Trust Agreement shall not be construed as a duty.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Trust Agreement, shall examine them to determine whether they conform to the requirements of this Trust Agreement. If any such instrument is found not to conform to the requirements of this Trust Agreement, the Trustee shall take action as it deems appropriate to have the instrument corrected, and if the instrument is not corrected to the Trustee's satisfaction, the Trustee will provide notice thereof to the Unitholders and the Credit Support Provider.

(c) No provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own gross negligent action or its own gross negligent failure to act or its own misconduct; provided, however, that:

(i) the duties and obligations of the Trustee shall be determined solely by the express terms of this Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, no implied covenants or obligations shall be read into this Trust Agreement against the Trustee and, in the absence of gross negligence or willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee that conform to the requirements of this Trust Agreement;

(ii) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Trust Agreement.

SECTION 9.02. Certain Matters Affecting the Trustee.

(a) Except as otherwise provided in Section 9.01:

(i) the Trustee may request and rely upon and shall be protected in acting or refraining from acting upon any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed by the proper party or parties;

(ii) the Trustee may consult with counsel and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it under this Trust Agreement in good faith and in accordance with such advice or Opinion of Counsel;

(iii) except for the duties and obligations of the Trustee expressly created by this Trust Agreement (which for avoidance of doubt shall include matters for which the Credit Support Provider is entitled to direct the Trustee hereunder and for which this Section 9.02(a)(iii) shall not apply), the Trustee shall be under no obligation to exercise any of the discretionary trusts or powers vested in it by this Trust Agreement or to institute, conduct or defend any litigation thereunder or in relation thereto, at the request, order or direction of any of the Unitholders or the Credit Support Provider, pursuant to the terms of this Trust Agreement;

(iv) the Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(v) the Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, approval, bond or other paper or document believed by it to be genuine;

(vi) the Trustee may execute any of the trusts or powers or perform any duties under this Trust Agreement either directly or by or through agents or attorneys or a custodian or administrative agent;

(vii) the Trustee shall not be personally liable for any loss resulting from the investment of funds held in any Collection Account pursuant to Section 3.03 and in investments directed pursuant to Section 3.04;

(viii) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Units generally or this Trust Agreement;

(ix) the Trustee shall have the power to reimburse itself for any unpaid Extraordinary Trust Expense actually incurred in accordance with the terms and conditions of this Trust Agreement prior to the distribution of funds or Trust Property to Unitholders, and shall have a charging lien upon the Taxable Collection Account and Non-Taxable Collection Account to secure payment of its fees and expenses, including the reasonable fees and expenses of its counsel; provided, however, that in the event that it has been finally adjudicated by a court of competent jurisdiction, evidenced by a final non-appealable order that the Trustee engaged in gross negligence or willful misconduct, the Trustee shall not be entitled to reimbursement of any fees and expenses incurred in defending against such suits brought by the Credit Support Provider or the Unitholders; and

(x) The Trustee shall establish a Fee Reserve, which Fee Reserve can be replenished from the proceeds of the Collection Account from time to time and the Trustee shall be permitted to apply the amounts therein to pay fees and expenses of the Trust including without limitation the Trustee Fees, the Delaware Trustee Fees, Extraordinary Trust

Expenses, and fees and expenses of the Accountant and the Partnership Representative as and when due.

(b) All rights of action under this Trust Agreement or under any of the Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Units, or the production thereof at the trial or other Proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the terms of this Trust Agreement.

SECTION 9.03. Limitation on Liability of Trustee.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement, the Units, or in any document issued in connection with the sale of the Units (other than the signature and authentication on the Units if done by Trustee). Except as set forth in Section 9.11, the Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement, the Units (other than the signature and authentication on the Units if done by Trustee), any security or of any related document. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in this Trust Agreement.

SECTION 9.04. Trustee Fees and Expenses; Limited Indemnification.

(a) As compensation for its regular and customary services and in payment of its regular and customary expenses under this Trust Agreement (including the reasonable compensation, expenses and disbursements of its counsel for regular and customary services hereunder) the Trustee shall be entitled to the Trustee Fees and the Delaware Trustee shall be entitled to the Delaware Trustee Fee (which shall not be limited by any provision of law in regard to compensation or payment of a trustee of an express trust). For avoidance of doubt, the Depositor shall not be responsible for the Trustee Fees or the Delaware Trustee Fee.

(b) The Trustee, the Delaware Trustee, the Calculation Agent and any director, officer, employee or agent of the Trustee, the Delaware Trustee, the Partnership Representative, or the Calculation Agent shall be indemnified and held harmless by the Trust against any loss, liability or expense incurred in connection with any Proceeding relating to this Trust Agreement or the Units or the performance of any of the Trustee's duties, Delaware Trustee's duties, the Partnership Representative's duties, or the Calculation Agent's duties (as applicable) under this Trust Agreement, other than, (w) with respect to the Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Trustee's duties thereunder, (x) with respect to the Delaware Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Delaware Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Delaware Trustee's duties thereunder (such loss, liability or expense, other than as described in clauses (w)(i) and (ii) and (x)(i) and (ii) of this sentence, "Extraordinary Trust Expense"), (y) with respect to the Partnership Representative, any loss, liability or expense incurred by reason of bad faith, willful misconduct or gross negligence in the performance of the Partnership

Representative's duties under this Trust Agreement, and (z) with respect to the Calculation Agent, any loss, liability or expense incurred by reason of willful misfeasance or negligence in the performance of the Calculation Agent's duties thereunder or by the reason of reckless disregard of the Calculation Agent's obligations and duties thereunder.

SECTION 9.05. Eligibility Requirements for Trustee; Delaware Trustee.

(a) The Trustee hereunder shall at all times be a bank or other financial institution organized and doing business under the laws of any State or the United States, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000 and subject to supervision or examination by Federal or State authority, and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody's. If such corporation or association publishes reports of conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Trustee shall cease to be eligible in accordance with the terms of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.06.

(b) Any successor Delaware Trustee, however appointed, shall be a bank or trust company satisfying the requirements of Section 3807(a) of the Statutory Trust Act. Any corporation into which the Delaware Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Delaware Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Delaware Trustee may be transferred, shall, subject to the preceding sentence, be the Delaware Trustee under this Trust Agreement without further act.

SECTION 9.06. Resignation or Removal of the Trustee.

(a) The Trustee or the Delaware Trustee may at any time resign and be discharged from the Trust by giving written notice thereof to the Credit Support Provider, the Depositor and to all Unitholders. Upon receiving such notice of resignation, the Credit Support Provider shall as promptly as practicable (and in any event within 30 days after the date of such notice of resignation) appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Depositor and the Unitholders by the Credit Support Provider. If no such successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee or Delaware Trustee (as applicable) may petition any court of competent jurisdiction for the appointment of a successor trustee for the Units. If at any time the Trustee shall cease to be eligible in accordance with the terms of Section 9.05 and shall fail to resign after written request therefor by the Credit Support Provider, or if at any time the Trustee shall become incapable of acting, shall have breached its obligations hereunder, or shall be adjudged bankrupt or insolvent, or a receiver or a conservator of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Credit Support Provider may remove the

Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee. A copy of such instrument shall be delivered to the Depositor and the Unitholders by the Credit Support Provider.

(b) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the terms of this Section shall not become effective until acceptance of appointment by the successor trustee as provided in Section 9.07.

SECTION 9.07. Successor Trustee.

(a) Any successor trustee appointed as provided in Section 9.06 shall execute, acknowledge and deliver to its predecessor trustee and the Credit Support Provider, with a copy to the Depositor, an instrument accepting such appointment under this Trust Agreement, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Trust Agreement, with the like effect as if originally named as trustee in this Trust Agreement. The predecessor trustee shall deliver to the successor trustee the Trust Property and all documents and statements held by it under this Trust Agreement, and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations. No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the terms of Section 9.05.

(b) Upon acceptance of appointment by a successor trustee as provided in this Section, the Trustee shall transmit notice of the succession of such trustee under this Trust Agreement to all Unitholders in the manner provided pursuant to Section 10.05.

SECTION 9.08. Merger or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the business of the Trustee, shall be the successor of the Trustee under this Trust Agreement, provided such corporation or association shall be eligible under the terms of Section 9.05, without the execution or filing of any paper or any further act on the part of any of the parties to this Trust Agreement, anything in this Trust Agreement to the contrary notwithstanding.

SECTION 9.09. Appointment of Co-Trustee.

(a) Notwithstanding any other terms of this Trust Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any party of the Trust Property may at the time be located, the Trustee shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees, jointly with the Trustee, of all or any part of the Trust Property, and to vest in such Person or Persons, in such capacity, such title to the Trust Property, or any part thereof, and,

subject to the other terms of this Section, such powers, duties, obligations, rights and trusts as the Trustee and the Credit Support Provider may consider necessary or desirable. No co-trustee under this Trust Agreement shall be required to meet the terms of eligibility as a successor trustee under Section 9.05 and no notice to Unitholders of the appointment of a co-trustee or co-trustees shall be required under Section 9.07.

(b) In the case of any appointment of a co-trustee pursuant to this Section, all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed by the Trustee, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to such Trust Property or any portion thereof in any such jurisdiction) shall be exercised and performed by such co-trustee at the direction of the Trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the co-trustees, as effectively as if given to each of them. Every instrument appointing any co-trustee shall refer to this Trust Agreement and the conditions of this Article IX. Each co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, jointly with the Trustee subject to all the terms of this Trust Agreement, specifically including every provision of this Trust Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Trust Agreement on its behalf and in its name. If any co-trustee shall become incapable of acting, resign or be removed, all its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 9.10. Appointment of Office or Agency.

The Units may be surrendered for registration of transfer or exchange, and presented for the final distribution with respect thereto, and notices and demands to or upon the Trustee in respect of the Units and this Trust Agreement may be served at the Corporate Trust Office.

SECTION 9.11. Representations and Warranties of Trustee.

(a) The Trustee represents and warrants that:

- (i) the Trustee is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;
- (ii) the Trustee has full power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and the Global Securities and the Certificates, and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Agreement, and the Global Securities and the Certificates.

(iii) the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates by the Trustee and its performance of and compliance with the terms of this Trust Agreement, and the Global Securities and the Certificates will not violate the Trustee's articles of incorporation, association or other constitutive documents or By-laws or constitute a default under, or result in the breach or acceleration of, any material contract, agreement or other instrument to which the Trustee is a party or which may be applicable to the Trustee or any of its assets;

(iv) as of the Closing Date, each of this Trust Agreement, and the Global Securities and the Certificates, has been duly executed and delivered by the Trustee, and this Trust Agreement constitutes the legal, valid and binding obligation of the Trustee, enforceable in accordance with its terms, except as enforcement may be limited by the applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(v) the Trustee is not in violation, and the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates, by the Trustee and its performance and compliance with respective terms of this Trust Agreement, and the Global Securities and the Certificates, will not constitute a violation, of any order or decree of any court or any order or regulation of any Federal, State, municipal or governmental agency having jurisdiction over the Trustee or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of the Trustee or its properties or on the performance of its duties thereunder;

(vi) there are no actions or proceedings against, or investigations of, the Trustee pending, or, to the knowledge of the Trustee, threatened, before any court, administrative agency or other tribunal (A) that could reasonably be expected to prohibit its entering into this Trust Agreement or to render the Units invalid, (B) seeking to prevent the issuance of the Global Securities and the Certificates, or the consummation of any of the transactions contemplated by this Trust Agreement or (C) that could reasonably be expected to prohibit or materially and adversely affect the performance by the Trustee of its obligations under, or the validity or enforceability of, this Trust Agreement, or the Global Securities and the Certificates; and

(vii) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Trustee of, or compliance by the Trustee with, this Trust Agreement, or the Global Securities and the Certificates, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date.

(b) Within 30 days of the earlier of discovery by the Trustee or receipt of notice by the Trustee of a breach of any representation or warranty of the Trustee set forth in this Section 9.11 that materially and adversely affects the interests of the Unitholders, the Trustee shall promptly cure such breach in all material respects or resign.

SECTION 9.12. Limitation of Powers and Duties.

The Trust is constituted solely for the purposes of acquiring and holding the Trust Property and issuing the Global Securities and the Certificates. The Trust shall not incur any debt and may not issue additional units except in accordance with Sections 5.03 and 5.04 hereof. The Trustee is not authorized to acquire any other investments or engage in any activities not authorized in this Trust Agreement and, in particular, the Trustee is not authorized to sell, assign, transfer, exchange, pledge, set-off or otherwise dispose of any of the COFINA Bonds or interests therein, including to Unitholders (except upon termination of the Trust in accordance with Article VIII of this Trust Agreement and at the direction of the Credit Support Provider (including in accordance with Sections 6.02 and 6.03 hereof)).

SECTION 9.13. Power and Authority of the Delaware Trustee.

The Delaware Trustee shall have the power and authority, and is hereby authorized and empowered, to (a) accept legal process served on the Trust in the State of Delaware and (b) execute any certificates that are required to be executed under the Statutory Trust Act and file such certificates in the office of the Secretary of State, and take such action or refrain from taking such action under this Trust Agreement as may be directed in a writing delivered to the Delaware Trustee by the Credit Support Provider; provided, however, that the Delaware Trustee shall not be required to take or to refrain from taking any such action if the Delaware Trustee shall believe, or shall have been advised by counsel, that such performance is likely to involve the Delaware Trustee in personal liability or to result in personal liability to the Delaware Trustee, or is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes a party or is otherwise contrary to law. The Credit Support Provider agrees not to instruct the Delaware Trustee to take any action or to refrain from taking any action that is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes party or that is otherwise contrary to law. Other than as expressly provided for in this Trust Agreement, the Delaware Trustee shall have no duty to take any action for or on behalf of the Trust.

SECTION 9.14. Delaware Trustee May Request Direction.

If at any time the Delaware Trustee determines that it requires or desires guidance regarding the application of any provision of this Trust Agreement or any other document, or regarding action that must or may be taken in connection herewith or therewith, or regarding compliance with any direction it received under this Trust Agreement, then the Delaware Trustee may deliver a notice to a court of applicable jurisdiction or, in the Delaware Trustee's sole and absolute discretion, to an arbitrator, requesting written instructions as to the desired course of action, and such instructions from the court or arbitrator shall constitute full and complete authorization and protection for actions taken and other performance by the Delaware Trustee in reliance thereon. Until the Delaware Trustee has received such instructions after delivering such notice, it shall be fully protected in refraining from taking any action with respect to the matters described in such notice.

SECTION 9.15. Delaware Trustee's Capacity.

In accepting the trust hereby created, Wilmington Trust National Association acts solely as Delaware Trustee under this Trust Agreement and not in its individual capacity, serves the Trust solely to fulfill the Trust's obligation pursuant to Section 3807(a) of the Statutory Trust Act to have at least one trustee who has its principal place of business in the State of Delaware, and all Persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement or any other document shall look only to the Trust Estate for payment or satisfaction thereof. Notwithstanding any provision of this Trust Agreement or any other document to the contrary, under no circumstances shall Wilmington Trust National Association, in its individual capacity or in its capacity as Delaware Trustee, (a) have any duty to choose or supervise, nor shall it have any liability for the actions or inactions of, the Trustee or any officer, manager, employee, or other Person (other than Wilmington Trust National Association and its own employees), or (b) be liable or responsible for, or obligated to perform, any contract, representation, warranty, obligation or liability of the Trust, the Trustee, or any officer, manager, employee, or other Person (other than Wilmington Trust National Association and its own employees); provided, however, that this limitation shall not protect Wilmington Trust National Association against any liability to the Unitholders to which it would otherwise be subject by reason of its willful misconduct, fraud, gross negligence in the performance of its duties under this Trust Agreement.

SECTION 9.16. Duties.

None of the Delaware Trustee, or any successor Delaware Trustee shall have any duty or obligation under or in connection with this Trust Agreement, the Trust, or any transaction or document contemplated by this Trust Agreement, except as expressly provided by the terms of this Trust Agreement, and no implied duties or obligations shall be read into this Trust Agreement against the Delaware Trustee, Wilmington Trust National Association or any successor Delaware Trustee. The right of the Delaware Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty. To the fullest extent permitted by applicable law, including without limitation Section 3806 of the Statutory Trust Act, the Delaware Trustee's, Wilmington Trust National Association or any successor Delaware Trustee's duties (including fiduciary duties) and liabilities relating thereto to the Trust and the Unitholders shall be restricted to those duties (including fiduciary duties) expressly set forth in this Trust Agreement and liabilities relating thereto.

SECTION 9.17. Trustee.

There shall be, at all times, a co-trustee to serve with the Delaware Trustee for the purpose of performing all obligations and duties other than fulfilling the Trust's obligations pursuant to Section 3807(a) of the Statutory Trust Act, including, but not limited to executing any documentation that may require the signature of more than one trustee of the Trust (the "Trustee"). The Trust hereby grants the Trustee the power to act and sign documents on behalf of the Trust pursuant to the terms of the Trust Agreement.

ARTICLE X

Miscellaneous Terms

(a) This Trust Agreement may be amended from time to time by the Credit Support Provider and the Trustee without the consent of any of the Unitholders or any other Person, for any of the following purposes: (i) to cure any ambiguity or to correct, clarify or supplement any provision in this Trust Agreement which may be defective or inconsistent with any other provision in this Trust Agreement; (ii) to evidence and provide for the acceptance of appointment under this Trust Agreement by a successor Trustee; (iii) to add or change any of the terms of this Trust Agreement as shall be necessary to provide for or facilitate the administration of the Trust, or (iv) upon delivery of an Officers' Certificate of the Credit Support Provider or an Opinion of Counsel, to the effect that such amendment will not adversely affect the interests of any Unitholder.

(b) Promptly after the execution of any such amendment or modification, the Trustee shall furnish a copy of such amendment or modification to each Unitholder and the Depositor.

(c) This Trust Agreement may also be amended from time to time by the Credit Support Provider and the Trustee (in the case of the Trustee, acting with the consent of Unitholders representing more than 50% of the outstanding Aggregate Unit Balance of the Units) for any purpose not set forth in Section 10.01(a), including without limitation to subdivide any Class of Units into sub-Classes with the consent and direction of each Unitholder electing to receive such sub-Class; provided, however, that no amendment shall, without the written consent of the Depositor, amend provisions of this Trust Agreement relating to the rights and obligations of the Depositor.

SECTION 10.02. Counterparts.

This Trust Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

SECTION 10.03. Limitation on Rights of Unitholders.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust Property, nor entitle such Unitholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust Property, nor otherwise affect the rights, obligations and liabilities of the parties thereto or any of them.

(b) No Unitholder shall have any right to control the operation and management of any Trust Property, or the obligations of the parties thereto, nor shall anything in this Trust Agreement set forth, or contained in the terms of the Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the parties to this Trust Agreement pursuant to any provision thereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Trust Agreement.

SECTION 10.04. Governing Law.

This Trust Agreement and each Unit issued thereunder shall be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely therein without reference to such State's principles of conflicts of law to the extent that the application of the laws of another jurisdiction would be required thereby, and the obligations, rights and remedies of the parties thereunder shall be determined in accordance with such laws.

SECTION 10.05. Notices.

All directions, demands and notices under this Trust Agreement shall be in writing and shall be delivered to the offices of the Trustee specified below. Any notice required to be given to a Unitholder, in the case of Global Securities, will be transmitted to the Depositary in accordance with its procedures and in the case of Certificates, if applicable, will be given by facsimile to such number or by electronic mail at such address as may be provided to the Trustee. CLASS 2047 UNIT

This certifies that _____ is the registered owner of an undivided fractional interest in the Trust Property referred to below.

The Trust Property will be held in trust by the Trustee (the "Trust"). The Trust has been created pursuant to a Trust Agreement (the "Trust Agreement"), executed as of the date set forth therein among Wilmington Trust National Association, as Trustee of the Trust (the "Trustee"), Wilmington Trust National Association, as Delaware Trustee of the Trust (the "Delaware Trustee"), Puerto Rico Sales Tax Financing Corporation, as Depositor (the "Depositor"), and acknowledged and agreed to by Ambac Assurance Corporation, as Credit Support Provider (the "Credit Support Provider").

To the extent not defined herein, all capitalized terms shall have the meanings assigned to such terms in the Trust Agreement. This Unit is one of the Units described in the Trust Agreement and is issued under and subject to the terms, provisions and conditions of the Trust Agreement. By acceptance of this Unit, the Unitholder assents to and becomes bound by the Trust Agreement.

The Trust Property consists of: (i) the Electing Ambac Prepetition Insured Bonds; (ii) the COFINA Bond Distributions (including, without limitation, the cash portion thereof, the COFINA Bonds and all payments on or collections in respect of such COFINA Bonds); (iii) the benefit of the Credit Support; (iv) all Permitted Investments and all funds from time to time deposited in the Taxable Collection Account; (v) all funds from time to time deposited in the Non-Taxable Collection Account and the Credit Support Collection Account; and (vi) any other asset constituting a portion or proceeds of such Trust Property.

Subject to the terms and conditions of the Trust Agreement and to the prior obligation of the Trust to pay all unpaid Extraordinary Trust Expenses, and until the obligations created by the Trust Agreement shall have terminated in accordance therewith, any distributions shall be distributed on each Distribution Date, to the Person in whose name this Unit is registered at the close of business on the related record date, if applicable, or Distribution Date, and in the case of the Global Securities, in accordance with the procedures of the Depositary. Any remaining Aggregate Unit Balance shall be distributed on the Class 2047 Scheduled Final Redemption Date.

Distributions on this Certificate will be made by wire transfer of immediately available funds to an account designated in writing by a Unitholder to the Trustee. If no such notice has been given, distributions will be made by the Trustee by check mailed to the Unitholder of record at its address as it appears in the Unit Register without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the distribution on the Class 2047 Scheduled Final Redemption Date for this Certificate will be made after due notice by the Trustee of the

pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained for that purpose by the Trustee.

This Certificate does not purport to summarize the Trust Agreement and reference is hereby made to the Trust Agreement for information with respect to the rights, benefits, obligations and duties evidenced thereby. A copy of the Trust Agreement may be examined during normal business hours at the Corporate Trust Office of the Trustee and at such other places, if any, designated by the Trustee, by any Unitholder upon request.

Reference is hereby made to the further terms of this Certificate set forth on the reverse hereof, which further terms shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon shall have been executed by an authorized officer of the Trustee, by manual or facsimile signature, this Certificate shall not entitle the Unitholder hereof to any benefit under the Trust Agreement or be valid for any purpose.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust, and not in its individual capacity, has caused this Certificate to be duly executed.

The Trust Agreement permits the amendment thereof, in certain circumstances, without the consent of the Unitholders.

As provided in the Trust Agreement and subject to certain limitations therein set forth, at the option of the Unitholder and at such Unitholder's expense, the transfer of this Certificate is registerable in the Unit Register upon surrender of this Certificate for registration of transfer at the office or agency maintained for such purpose, accompanied by a certificate of transfer substantially in the form of Exhibit D of the Trust Agreement, and thereupon the Unit Registrar shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of any authorized denominations, of a like aggregate Notional Amount. All transfers of Units are subject to the approval of the Unit Registrar and the Unit Registrar shall not register any transfer of Units if such transfer would violate any provision of the Trust Agreement. All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under the Trust Agreement as the Units surrendered upon such registration of transfer or exchange. No service charge shall be required of a Unitholder for any registration of transfer or exchange of Units, but the Trustee may require payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

As provided in the Trust Agreement and subject to certain limitations therein set forth, each Unit presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a certificate of transfer in substantially the form of Exhibit D of the Trust Agreement), duly executed by the Unitholder thereof or its attorney duly authorized in writing or by a member firm of a national securities exchange, and surrendered along with such other documents as the Unit Registrar may require. If, at any time, the Trustee learns that any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit to such potential transferee shall be null and void ab initio.

The Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered on the related Distribution Date as the owner of such Unit for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary.

Unitholders will be responsible for the payment of all taxes with respect to the Trust Property. Each Electing Holder receiving the Units on the Closing Date (and each assignee thereof) will be responsible for providing the Trust such information reasonably requested by the Trust as may be deemed necessary or advisable in order for the Trust to provide tax reporting. Neither the Depositor nor the Trustee will be responsible for making any tax payments or tax

reporting other than as set forth in the Trust Agreement. The Trust, through its Accountant, shall be responsible for all tax reporting obligations and withholding (if any) for the Trust and Unitholders as required by law and consistent with the treatment of the Trust as a partnership and the Unitholders as partners (but subject further to the tax characterization described in the Trust Agreement), for purposes of the U.S. federal income tax, and any state and local taxes. Such obligations shall include: the timely filing of completed partnership returns and the partnership information returns, and the timely provision of completed partner information statements, including any extensions, and any filings or information as required by the Accountant.

The obligations and responsibilities created by the Trust Agreement and the Trust created thereby will terminate upon the payment to Unitholders of all amounts required to be paid to them pursuant to the Trust Agreement.

Notwithstanding anything contained in the Trust Agreement to the contrary, the Trust Agreement has been accepted by Wilmington Trust National Association not in its individual capacity but solely as Trustee. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in the Trust Agreement.

The Trustee will furnish to any Unitholder, upon written request and without charge, a copy of the Trust Agreement.

Except as otherwise provided in the Trust

Agreement and notwithstanding the above, the distribution on the Class 2054 Scheduled Final Redemption Date for this Certificate will be made after due notice by the Trustee of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained for that purpose by the Trustee.

This Certificate does not purport to summarize the Trust Agreement and reference is hereby made to the Trust Agreement for information with respect to the rights, benefits, obligations and duties evidenced thereby. CLASS 2054 UNIT

The Trust Agreement permits the amendment thereof, in certain circumstances, without the consent of the Unitholders.

As provided in the Trust Agreement and subject to certain limitations therein set forth, at the option of the Unitholder and at such Unitholder's expense, the transfer of this Certificate is registerable in the Unit Register upon surrender of this Certificate for registration of transfer at the office or agency maintained for such purpose, accompanied by a certificate of transfer substantially in the form of Exhibit D of the Trust Agreement, and thereupon the Unit Registrar shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of any authorized denominations, of a like aggregate Notional Amount. All transfers of Units are subject to the approval of the Unit Registrar and the Unit Registrar shall not register any transfer of Units if such transfer would violate any provision of the Trust Agreement. All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under the Trust Agreement as the Units surrendered upon such registration of transfer or exchange. No service charge shall be required of a Unitholder for any registration of transfer or exchange of Units, but the Trustee may require payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

As provided in the Trust Agreement and subject to certain limitations therein set forth, each Unit presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a certificate of transfer in substantially the form of Exhibit D of the Trust Agreement), duly executed by the Unitholder thereof or its attorney duly authorized in writing or by a member firm of a national securities exchange, and surrendered along with such other documents as the Unit Registrar may require. If, at any time, the Trustee learns that any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit to such potential transferee shall be null and void ab initio.

The Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered on the related Distribution Date as the owner of such Unit for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary.

Unitholders will be responsible for the payment of all taxes with respect to the Trust Property. Each Electing Holder receiving the Units on the Closing Date (and each assignee thereof) will be responsible for providing the Trust such information reasonably requested by the

Trust as may be deemed necessary or advisable in order for the Trust to provide tax reporting. Neither the Depositor nor the Trustee will be responsible for making any tax payments or tax reporting other than as set forth in the Trust Agreement. The Trust, through its Accountant, shall be responsible for all tax reporting obligations and withholding (if any) for the Trust and Unitholders as required by law and consistent with the treatment of the Trust as a partnership and the Unitholders as partners (but subject further to the tax characterization described in the Trust Agreement), for purposes of the U.S. federal income tax, and any state and local taxes. Such obligations shall include: the timely filing of properly partnership returns and the partnership information returns, the timely provision of completed partner information statements, including any extensions, and any filings or information as required by the Accountant.

The obligations and responsibilities created by the Trust Agreement and the Trust created thereby will terminate upon the payment to Unitholders of all amounts required to be paid to them pursuant to the Trust Agreement.

Notwithstanding anything contained in the Trust Agreement to the contrary, the Trust Agreement has been accepted by Wilmington Trust National Association not in its individual capacity but solely as Trustee. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in the Trust Agreement.

The Trustee will furnish to any Unitholder, upon written request and without charge, a copy of the Trust Agreement.

Such capital accounts shall be maintained in accordance with the rules of Treasury Regulations Section 1.704 1(b)(2)(iv). In addition, the Trust shall be entitled to make (or refrain from making) any elections and take (or refrain from

taking) actions permitted or required by applicable tax law; provided, however, that the Trust shall not make any election under Section 754 of the Code or make any election, or take any action, inconsistent with the Trust being classified as a partnership for tax purposes.

(c) The Trust shall designate the Representative as the ‘partnership representative’ (as defined in Section 6223 of the Code) (the “Partnership Representative”) and is hereby authorized to appoint such Partnership Representative pursuant to a separate agreement. All expenses incurred by the Partnership Representative shall be expenses of the Trust. The Partnership Representative shall have all of the rights, duties, powers and obligations provided for in Sections 6221 through 6232 of the Code with respect to the Trust and is authorized to represent the Trust (at the Trust’s expense) in connection with all examinations of the Trust’s affairs by tax authorities, including resulting administrative and judicial proceedings. The Trust shall reimburse the Partnership Representative for any and all reasonable expenses (including legal and accounting fees) incurred by the Partnership Representative, in connection with the fulfillment of its duties under this Section 4.03(c). The Partnership Representative shall not be liable, including under any legal or equitable theory of fiduciary duty or other theory of liability, to the Trust or to any Unitholder for any losses, claims, damages or liabilities incurred by reason of any act or omission performed or omitted by the Partnership Representative on behalf of the Trust unless such action or omission was due to bad faith, willful ~~misfeasance~~ misconduct or gross negligence.

SECTION 4.04. Preservation of Information, Communications to Unitholders.

The Trust shall cause the Accountant to (i) preserve, in as current a form as is reasonably practicable, the names and addresses of the Unitholders contained in the most recent list furnished to the Accountant by the Unitholders and (ii) upon request, provide the Credit Support Provider and the Trustee (but not any Unitholder) with a copy of the list. The Accountant shall be allowed to destroy any list furnished to it as provided upon receipt of a new list.

ARTICLE V

The Units

SECTION 5.01. The Units.

(a) The Units shall be issued in the form of and be represented by one or more Global Securities in the form of Exhibit C1 and Exhibit C2 and, as provided by the terms hereof and subject to Section 5.09, by definitive Certificates substantially in the form of Exhibit B1 and Exhibit B2. The aggregate ~~Notional Amount~~ amount of the Units that may be executed and delivered under this Trust Agreement is limited to the amount of Ambac Prepetition Insured Bonds deposited into the Trust. The aggregate number of Units shall be allocated between 2054 Units and 2047 Units in the same proportion as the Ambac Prepetition Insured Bonds deposited into the Trust on the Closing Date. All Units of the same Class shall be identical in all respects. The Units of each Class will be transferable in denominations of ~~one Unit~~ the current Notional Amount of the applicable Class and integral multiples thereof, which, for the avoidance of doubt, shall be a denomination of \$1.00 of accreted value at the applicable Scheduled Final Redemption Date. All Units of a Class issued under this Trust Agreement shall be in all respects equally and

ratably entitled to the benefits to which such Class are entitled hereunder without preference, priority or distinction on account of the actual time or times of authentication and delivery. No additional interests in the Trust other than the Units shall be issued hereunder, except in accordance with Section 5.04.

(b) The Units issued under this Trust Agreement shall be in the form of two separate Classes: a class of Units with a mandatory redemption date of the Class 2047 Scheduled Final Redemption Date (the "Class 2047 Units") and a class of Units with a mandatory redemption date of the Class 2054 Scheduled Final Redemption Date (the "Class 2054 Units"). The Accretion Schedule for a Class shall be adjusted from time to time in connection with each distribution made on such Class. Such adjustment shall be based on the gross amount of each distribution and shall not take into account taxes, if any, which may be required to be withheld by the Trust or paid by any Unitholder. In connection with each distribution on a Class of Units, the Trustee shall provide to the Credit Support Provider a revised Accretion Schedule for such Class which gives effect, in accordance with the foregoing, to receipt of such distribution by such Class and calculates the remaining Accretion Schedule for such Class from and after the date of such distribution. Any such revised Accretion Schedule shall become effective hereunder upon written reasonable approval thereof by the Credit Support Provider.

(c) Unless and until it is exchanged in whole or in part for Certificates representing the individual Units represented thereby (as described in Section 5.09), a Global Security may not be transferred except as a whole by the Depositary for such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor.

SECTION 5.02. Execution, Authentication and Delivery.

(a) Global Securities and/or Certificates evidencing Units shall be executed on behalf of the Trust by the Trustee by a Responsible Officer. The signature of any of these officers may be manual or facsimile. Certificates and Global Securities bearing the manual or facsimile signature of individuals who were at any time the proper officers of the Trustee shall be binding, notwithstanding that such individuals or any of them have ceased to hold such offices subsequent to the authentication and delivery of such Certificates and/or Global Securities or did not hold such offices at the date of such Certificates and/or Global Securities.

(b) The Trustee shall not be required to authenticate any Certificates or Global Securities if the issuance of such Certificates or Global Securities pursuant to this Trust Agreement will adversely affect the Trustee's own rights, duties or immunities under this Trust Agreement.

(c) Each Certificate and Global Security shall be dated as of the date of its authentication.

(d) No Unit shall be entitled to any benefit under this Trust Agreement or be valid or obligatory for any purpose, unless there appears on the applicable Certificate or Global Security a certificate of authentication substantially in the form as contained in the form of Certificate or Global Security attached to this Trust Agreement as Exhibit B1, Exhibit B2, Exhibit C1 or Exhibit C2 executed by the Trustee by the manual or facsimile signature of a Responsible

Officer, and such certificate upon any of the foregoing shall be conclusive evidence, and the only evidence, that the Unit represented thereby has been duly authenticated and delivered under this Trust Agreement and is entitled to the benefits of this Trust Agreement.

SECTION 5.03. Registration; Registration of Transfer and Exchange.

(a) The Trustee shall cause to be kept a register for Units (the registers maintained in such office and in any other office or agency of the Trustee from which distributions are made being herein sometimes collectively referred to as the "Unit Register") in which, subject to such reasonable regulations as it may prescribe, a transfer agent and registrar (which may be the Trustee) (the "Unit Registrar") shall provide for the registration of Units and the registration of transfers and exchanges of Units. The Trustee is hereby initially appointed Unit Registrar for the purpose of registering Units and transfers and exchanges of Units as herein provided, and the Trustee shall remain Unit Registrar for such purposes until the earlier to occur of (i) the resignation or termination of the Trustee and appointment of a successor trustee in accordance with Section 9.07, in which case such successor trustee shall assume the duties of Unit Registrar and (ii) the termination of the Trust and discharge of the Trustee's obligations under this Trust Agreement in accordance with the applicable terms of Article VIII; provided, however, that the Trustee may appoint one or more co-Unit Registrars upon notice to the Credit Support Provider and the Unitholders.

With respect to Units represented by Certificates (if applicable), upon surrender for registration of transfer of any Unit at the office or agency of the Unit Registrar, if the requirements of Section 8-401(1) of the Uniform Commercial Code are met to the Unit Registrar's satisfaction, and subject to the transfer restrictions set forth in Section 5.09 hereof, the Trustee shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Units of any authorized denominations, of a like ~~Aggregate Unit Balance~~aggregate Notional Amount. All transfers of Units are subject to the approval of the Unit Registrar and the Unit Registrar shall not register any transfer of Units if such transfer would violate any provision of this Trust Agreement. Notwithstanding the foregoing, beneficial interests in a Global Security shall be transferable in accordance with the Applicable Procedures, as further described in Section 5.09(c) hereof.

(b) At the option of the Unitholder and at such Unitholder's expense, Certificates representing Units may be exchanged for other Certificates of any authorized denomination or denominations of like tenor and ~~Aggregate Unit Balance~~aggregate Notional Amount upon surrender of the Certificates to be exchanged at the office or agency of the Trustee maintained for such purpose. Whenever any Certificates are so surrendered for exchange, the Trustee shall execute, authenticate and deliver the Certificates representing the Units that the Unitholder making the exchange is entitled to receive.

All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under this Trust Agreement as the Units surrendered upon such registration of transfer or exchange.

(c) Every Unit represented by a Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a

written instrument of transfer substantially in the form of Exhibit D hereto), duly executed, by the Unitholder thereof or his attorney duly authorized in writing, or by a member firm of a national securities exchange, and such other documents as the Unit Registrar may require.

No service charge shall be required of a Unitholder for any registration of transfer or exchange of Units, but the Trustee may require payment by the Unitholders of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

SECTION 5.04. Mutilated, Destroyed, Lost and Stolen Certificates.

If (i) any mutilated Certificate is presented to the Unit Registrar or (ii) the Unit Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and there is delivered to the Unit Registrar such security or indemnity as it may require to save it and any Paying Agent harmless, and the Unit Registrar has not received notice that such Certificate (and the Units represented thereby) has been acquired by a bona fide purchaser, then, in each case, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, form, terms and principal amount, bearing an identifying number not used by any contemporaneously existing Certificate, so that neither gain nor loss in interest shall result from such exchange or substitution.

Upon the issuance of any new Certificate under this Section, the Trustee may require the payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee or Unit Registrar) connected therewith.

Every new Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Property to the extent provided herein, whether or not the destroyed, lost or stolen Certificate shall be at any time enforceable by anyone, and the Units represented thereby shall be entitled to all the benefits of this Trust Agreement equally and proportionately with any and all other Units of the related Class, if any, duly issued thereunder.

The terms of this Section shall apply, *mutatis mutandis*, with respect to the certificates representing the Global Securities, provided that any costs, taxes or expenses in connection therewith or with respect to a required indemnity shall be borne by the Trustee and deemed an Extraordinary Trust Expense.

The terms of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Units.

SECTION 5.05. Persons Deemed Owners.

Subject to Section 5.04 and except for the final distribution, the Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered as the owner of such Unit on the related ~~Record~~ Distribution Date for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary. All distributions made to any such Unitholder, or upon his

order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys distributable upon such Unit.

SECTION 5.06. Cancellation.

(a) All Units evidenced by Certificates surrendered for payment, redemption, transfer or exchange shall be delivered to the Trustee and shall be promptly canceled by the Trustee. The Trustee (or, if different, the Unit Registrar) and no one else will cancel all such Units surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such cancelled Units and the related Certificates in accordance with its customary procedures. No Certificates evidencing Units shall be authenticated in lieu of or in exchange for any Units canceled as provided in this Section, except as expressly permitted by this Trust Agreement.

(b) At such time as all beneficial interests in a particular Global Security have been exchanged for COFINA Bonds pursuant to Section 6.03 hereof or for Certificates representing Units, or a Trust Termination Event has occurred with respect to all Units represented by a particular Global Security, such Global Security will be cancelled and destroyed by the Trustee in accordance with Section 5.06(a).

SECTION 5.07. Appointment of Paying Agent.

(a) The Trustee may appoint one or more paying agents (each, a "Paying Agent") with respect to the Units. Any such Paying Agent shall be authorized to make distributions to Unitholders pursuant to this Trust Agreement and shall report the amounts of such distributions to the Trustee. The Trustee may remove the Paying Agent if the Trustee determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Trust Agreement in any material respect or if the Paying Agent fails to satisfy the eligibility requirements set forth in paragraph (b) of this Section. The Paying Agent shall initially be the Trustee. Any Paying Agent shall be permitted to resign as Paying Agent upon 30 days' written notice to the Trustee. In the event that the Trustee shall no longer be the Paying Agent, the Trustee shall appoint a successor or additional Paying Agent and shall provide written notice of such appointment to the Credit Support Provider and the Unitholders. The Trustee shall cause each such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that it will hold all sums, if any, held by it for distribution to the Unitholders in an Eligible Account in trust for the benefit of the Unitholders entitled thereto until such sums shall be distributed to such Unitholders. The Paying Agent shall return all unclaimed funds to the Trustee within two years from the time such funds were first eligible to be claimed and promptly upon removal shall also return all funds in its possession to the Trustee or a successor Paying Agent.

(b) The Paying Agent shall at all times be a corporation or an association, the combined capital and surplus of which is at least \$200,000,000 and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody's, and is subject to supervision of examination by Federal or State authority. If such corporation or association publishes reports of conditions at least annually, pursuant to combined capital and surplus of such corporation or association shall be deemed to

be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Paying Agent shall cease to be eligible in accordance with the terms of this paragraph, the Paying Agent shall release all funds held by the Paying Agent to the Trustee and then resign immediately. Upon such resignation, the Trustee shall act as Paying Agent until the appointment of a successor Paying Agent in accordance with paragraph (a) of this Section.

(c) The terms of Sections 9.01, 9.02, 9.03, 9.05 and 9.06 shall be applicable to any Paying Agent, *mutatis mutandis*.

(d) Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

SECTION 5.08. [Reserved].

SECTION 5.09. Issuance and Transfer Restrictions.

(a) The Units shall be issued on the Closing Date upon deposit of the Electing Ambac Prepetition Insured Bonds, the benefit of the Credit Support and the COFINA Bond Distributions into the Trust pursuant to the Plan of Adjustment and the due authentication by the Trustee of the Units in the form set forth in Exhibit C1 and Exhibit C2 attached hereto as applicable.

(b) No Unit shall be transferred except in accordance with the terms of Section 5.03 and this Section 5.09(b) or, if applicable, Section 5.09(c). Each proposed transfer of a Unit shall not be effective until the transferor and transferee have provided the Trustee with a certificate of transfer in substantially the form of Exhibit D hereof and the acknowledgement of such certificate by the Trustee. If, at any time, the Trustee learns that (i) a transfer of a beneficial interest in a Global Security shall have been made without the transferor complying with its obligations under Section 4.03 hereof or (ii) any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit (or beneficial interest therein) to such potential transferee shall be null and void ab initio. The Trustee shall have such other powers to effect compliance with the terms of this Section 5.09 as it deems appropriate.

(c) With respect to any Units represented by Global Securities, the following terms shall apply:

(i) The Units will be represented by one or more Global Securities registered in the name of the Depositary or its nominee. The Trustee initially appoints DTC to act as Depositary with respect to the Global Securities.

(ii) Any Global Security shall be exchangeable for Certificates registered in the name of Persons other than the Depositary or its nominee *only* if (A)(x) the Depositary is no longer willing or able to continue to act as a depositary *or* (y) the Depositary ceases to be an Exchange Act registered clearing agency *and* (B) the Trustee is unable to appoint a qualified successor within 120 days. Upon the occurrence of (1) either event described in subclause (A) of the previous sentence *and* (2) the event described in subclause (B) of the previous sentence, Certificates representing Units shall be issued in exchange for any applicable Units

represented by Global Securities in such names as the Depositary shall instruct the Trustee. Upon such issuance, the Trustee shall register such Certificates in the name of, and cause the same to be delivered to, such Person or Persons (or the nominee thereof) consistent with Section 5.02. In addition, the Trustee may (and at the direction of the Credit Support Provider shall) cause the entire beneficial interest in a Global Security held by a Person that is in breach of its obligations under Section 4.03 hereof to be converted into a definitive Certificate. For the avoidance of doubt, any Unit authenticated and delivered in exchange for a Global Security or any portion thereof pursuant to this Section 5.09(c)(ii) shall be authenticated and delivered in the form of, and shall be, a Certificate. A Global Security may not be exchanged for a Certificate other than as provided in this Section 5.09(c)(ii); provided, however, that Units may be transferred and exchanged as provided in Section 5.09(c)(iii).

(iii) The transfer and exchange of Units will be effected through the Depositary, in accordance with the provisions of this Trust Agreement and the Applicable Procedures. Units may be transferred to Persons who take delivery thereof only in the form of a beneficial interest in the same Global Security. No written orders or instructions shall be required to be delivered to the Unit Registrar to effect the transfers of beneficial interests in a Global Security described in this Section 5.09(c)(iii).

(iv) Any Global Security shall bear a legend in substantially the following form:

“This certificate is a Global Security (within the meaning of the Trust Agreement hereinafter referred to) and is registered in the name of a Depositary or a nominee of a Depositary. This Global Security is exchangeable for Certificates registered in the name of a person other than the Depositary or its nominee only in the limited circumstances described in the Trust Agreement, and may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary. Unless this Global Security is presented by an authorized representative of The Depositary Trust Company (“DTC”) to the Trustee (as defined in the Trust Agreement) or its agent for registration of transfer, exchange or payment, and any Global Security issued is registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC (and any payment is made to Cede & Co. or such other entity as may be requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest therein.”

ARTICLE VI

Rights of Unitholders and Credit Support Provider

SECTION 6.01. Voting Rights with Respect to COFINA Bonds.

(a) Within two (2) Business Days after receipt of notice of any meeting of, or other occasion for the exercise of voting rights or the giving of consents by, owners of any of the COFINA Bonds, the Trustee shall deliver a copy of such notice to the Credit Support Provider.

(b) The voting and direction rights allocable to the owners of the COFINA Bonds pursuant to the terms thereof (including, without limitation, voting and direction rights in respect of remedies) will be allocated solely to the Credit Support Provider and no Unitholder shall have any right to direct the Trustee as to any voting or direction rights allocable to owners of the COFINA Bonds. Upon the written request of the Credit Support Provider, the Trustee shall vote in accordance with any instruction set forth in such written request. The Credit Support Provider may exercise its rights hereunder in its sole discretion.

SECTION 6.02. COFINA Bond Sale.

(a) The Credit Support Provider may, in its sole discretion, at any time and from time to time, direct the Trustee to sell all or any portion of the Taxable Bonds and the applicable portion of the other Trust Property provided that: (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices as the Credit Support Provider shall deem appropriate and delivered to the Trustee) and (ii) all proceeds of such sales shall be deposited into the Taxable Collection Account for the benefit of Unitholders. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Credit Support Provider. In the case of any sale of Taxable Bonds, the Credit Support Provider shall direct the Trustee to sell all or a portion of the Taxable Bonds, to the extent possible, at the price that equates to the lowest Yield to Maturity in the context of the market. Each Unitholder (which term shall for purposes hereof include any holder of a beneficial interest in a Global Security), by electing to receive Units hereunder and any assignee thereof, shall be deemed to have consented to the sale of the Taxable Bonds as directed by the Credit Support Provider from time to time as provided in this Section 6.02(a). Notwithstanding the foregoing, there shall be no sales of Taxable Bonds on or before the Final Non-Taxable Bond Determination Date.

(b) The Trustee shall not sell any Non-Taxable Bonds except upon a Non-Taxable Bond Sale Event. Upon the occurrence of a Non-Taxable Bond Sale Event with respect to one or more series of Non-Taxable Bonds, the Trustee shall sell such portion of the Non-Taxable Bonds to the extent subject to such Bond Sale Event, provided that: (i) any such sale is made for fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) and (ii) all proceeds of such sales shall be deposited into the Non-Taxable Collection Account for the benefit of Unitholders. The Trustee shall have no obligation to determine whether the requirements of the foregoing clause (i) are satisfied and shall be entitled to rely on the information provided by the Calculation Agent. In the case of any permitted sale of Non-Taxable Bonds hereunder, the Trustee shall sell all or a portion such Non-Taxable Bonds, to the extent possible, at the price that equates to the lowest Yield to Maturity in the context of the market but that at least equates to the Yield to Maturity set forth in Schedule 2; provided, however, the Trustee shall rely on the information provided by the Calculation Agent and shall be under no obligation to determine the price that equates to the lowest yield to maturity in the context of the market.

(c) The Calculation Agent shall monitor on at least a monthly basis (or more frequently as the Calculation Agent may determine) the fair market value of the Non-Taxable Bonds to determine whether the fair market value of any series of Non-Taxable Bonds exceeds the

applicable Non-Taxable Bond Threshold Amount for such Non-Taxable Bonds. The Calculation Agent shall promptly notify the Trustee and the Credit Support Provider if the fair market value of any series of Non-Taxable Bonds (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) exceeds the applicable Non-Taxable Bond Threshold Amount for such series of Non-Taxable Bonds.

(d) Upon distribution pursuant to Section 4.01(a) of the proceeds of any sale of Non-Taxable Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Accretion Schedule for the Classes shall be reduced by the Trustee.

(e) Upon any Discretionary Distribution pursuant to Section 4.01(b) of the proceeds of any sale of Taxable Bonds, the applicable Aggregate Unit Balance shall be reduced, and the Accretion Schedule for the Classes shall be reduced by the Trustee.

SECTION 6.03. Distribution of COFINA Bonds.

(a) The Credit Support Provider may, ~~in its sole discretion~~ to the extent permitted with the procedures of the Depositary, at any time and from time to time, direct the Trustee to distribute all or a portion of the underlying COFINA Bonds to Unitholders, upon written notice from the Credit Support Provider to the Trustee and the Unitholders indicating the COFINA Bonds to be distributed, and the Trustee shall distribute such amount and type of COFINA Bonds indicated in such notice on a pro rata basis or as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all Units held by such Unitholder) to the Unitholders, by way of redemption or otherwise, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary. Upon any such distribution described in the preceding sentence, any Units so redeemed shall be cancelled by the Trustee, the applicable Aggregate Unit Balance for the Class or Classes receiving such distribution shall be reduced by the Deemed COFINA Bond Valuation Amount and the Accretion Schedule for the Class or Classes receiving such distribution shall be revised by the Trustee accordingly in the amount specified by the Credit Support Provider.

(b) The Credit Support Provider may, at its sole discretion, at any time and from time to time, agree with any Unitholder (which term for purposes of this clause (b) shall include any holder of a beneficial interest in a Global Security) to exchange such Unitholder's Units for a proportional percentage of any portion of the underlying Trust Property (including COFINA Bonds (and, Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments then held by the Trust) and upon written notice from the Credit Support Provider to the Trustee indicating the amount of such COFINA Bonds (if any), Ambac Prepetition Insured Bonds (if any), Credit Support (if any), cash (if any) and proceeds of Permitted Investments (if any) to be released, the Trustee shall release such amount of COFINA Bonds (and, if applicable, COFINA Bonds, Ambac Prepetition Insured Bonds, Credit Support, cash and/or proceeds of Permitted Investments) to such Unitholder. In such event, such Unitholder shall execute a release, in form and substance satisfactory to the Credit Support Provider, releasing all rights and obligations owing to it against the Trust and under the Credit Support and against the Trust (if applicable). The exchange with such Unitholder shall not give rise to any right of any other Unitholder to request such an exchange or to receive any other consideration with respect to its Units. Upon any such exchange the applicable Aggregate Unit

Balance for such Class or Classes shall be reduced and the Accretion Schedule for the Class or Classes subject to such exchange shall be revised by the Trustee, ~~subject to the approval of~~ in an amount specified by the Credit Support Provider, and the Trustee shall cancel all such exchanged Units (which cancellation, in the case of any Units represented by a Global Security, shall be effectuated by the Trustee by reducing the aggregate balance of Units comprising such Global Security).

(c) In the event the Credit Support Provider makes an election under Section 6.03 (a) or (b) above or Section 8.02(b) and the Depositary requests indemnification from the Trustee in order to effectuate the transaction, the Credit Support Provider shall provide matching indemnification to the Trustee, in writing, in order to effectuate the transaction.

SECTION 6.04. Electing Ambac Prepetition Insured Bonds.

(a) Notwithstanding the deposit of the Electing Ambac Prepetition Insured Bonds in the Trust, the Electing Ambac Prepetition Insured Bonds shall not be cancelled (other than for tax purposes) and all rights and remedies under and in accordance with the Ambac Prepetition Insured Bonds, the Bond Resolution (other than with respect to the payment and other obligations of COFINA (including any lien granted as security under such Bond Resolution)) and the Credit Support shall be preserved and remain in full force and effect with respect to the Electing Ambac Prepetition Insured Bonds. The Credit Support Provider shall be deemed the sole holder of the Electing Ambac Prepetition Insured Bonds deposited in the Trust, including, without limitation, with respect to voting, amendment, acceleration, events of default and election and direction of rights and remedies.

(b) For the avoidance of doubt, the Ambac Prepetition Insured Bonds not beneficially owned by an Electing Holder shall be cancelled on the Closing Date and shall be deemed no longer outstanding for all purposes of the Bond Resolution.

(c) Each reference in this Agreement to the Accretion Schedule for a Class of Units being reduced shall be deemed to include a corresponding reduction to the Accretion Schedule for the related Electing Ambac Prepetition Insured Bonds and a corresponding reduction (without duplication) in the Credit Support as a result thereof.

ARTICLE VII

Default on COFINA Bonds and Permitted Investments

SECTION 7.01. Realization Upon Default.

(a) The Trustee shall assert claims under the COFINA Bonds, or the Permitted Investments and the Credit Support, and shall take such reasonable steps as are necessary to receive payment or to permit recovery thereunder with respect to any default, only at the direction of the Credit Support Provider with respect to the COFINA Bonds and the Permitted Investments in accordance with Article VI hereof.

(b) If there is a breach, a default or an event of default (as defined in the COFINA Bond Agreements) with respect to any COFINA Bond or a breach, a default or an event of default (as

defined in the applicable document pursuant to which the Permitted Investment was issued or by which it is governed) with respect to any Permitted Investment, and such breach, default or event of default is known to the Trustee, the Trustee shall give notice thereof to the Unitholders and the Credit Support Provider as promptly as practicable, and, in any event, within two (2) Business Days after such event of default becomes known to the Trustee. However, if the Trustee receives notice of an anticipated payment default with respect to any COFINA Bond, the Trustee shall promptly give notice thereof to the Unitholders and the Credit Support Provider within 2 Business Days after receipt of such notice.

ARTICLE VIII

Trust Wind-Up Events; Termination

SECTION 8.01. Trust Wind-Up Events.

The obligations and responsibilities of the Trustee under this Trust shall terminate and the Trust shall wind-up upon the earlier of (a) the Class 2054 Scheduled Final Redemption Date or (b) payment in full of the Aggregate Unit Balance for each Class of Units (a “Trust Termination Event”).

SECTION 8.02. Trust Property Made Available.

(a) Except with respect to a Trust Termination Event occurring on the Class 2054 Scheduled Final Redemption Date, the Trustee shall provide notice to the Unitholders and the Credit Support Provider of the intent to effect a Trust Termination Event and that Unitholders should surrender their Units to the Trustee, for the greater of (x) their respective portion of the Aggregate Unit Balance of such Class or (y) their respective portion of any amount remaining in the Trust after making reimbursement payments required to be made to the Credit Support Provider for the amounts described in Section 8.02(b). Such notice to the Credit Support Provider shall also specify (i) the location and hours of the Corporate Trust Office at which Units should be presented and surrendered and (ii) that each Unitholder must supply wire instructions in writing with respect to any cash distribution.

(b) Upon the occurrence of a Trust Termination Event on account of the Credit Support Provider making a payment with respect to the Credit Support (whether on the Class 2054 Scheduled Final Redemption Date or earlier), the Credit Support Provider shall be entitled to receive reimbursement of any amounts paid by the Credit Support Provider pursuant to the Credit Support to the extent not previously reimbursed, in accordance with the manner set forth in Section 4.01(i). Upon written direction to the Trustee from the Credit Support Provider, the amount required to be reimbursed to the Credit Support Provider shall be paid from the proceeds of a sale of the remaining Trust assets (including amounts remaining in the Fee Reserve) or, at the election of the Credit Support Provider may be made in the form of COFINA Bonds having a fair market value (as evidenced by one or more bids provided by brokers of national standing or such other information as to current market prices) equal to the amount required to be paid to the Credit Support Provider pursuant to this Section 8.02(b). Any excess proceeds in the Trust with respect to the COFINA Bonds remaining after the reimbursement to the Credit Support Provider pursuant to this Section 8.02(b) shall be distributed pro rata or on

an as close to a pro rata basis as practicable (based on the aggregate sum of the Notional Amounts of all Units held by such Unitholder) to Unitholders as of the date of the Trust Termination Event, and in the case of Global Securities, subject to and in accordance with the applicable procedures of the Depositary.

(c) On the date on which both Classes of Units and the Credit Support Provider have received the amounts due them pursuant to Section 8.02(b), the Electing Ambac Prepetition Insured Bonds and the Credit Support shall be released and cancelled and the Credit Support Provider's obligations thereunder shall be deemed satisfied in full.

ARTICLE IX

Concerning the Trustee

SECTION 9.01. Duties of Trustee.

(a) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement. Any permissive right of the Trustee enumerated in this Trust Agreement shall not be construed as a duty.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Trust Agreement, shall examine them to determine whether they conform to the requirements of this Trust Agreement. If any such instrument is found not to conform to the requirements of this Trust Agreement, the Trustee shall take action as it deems appropriate to have the instrument corrected, and if the instrument is not corrected to the Trustee's satisfaction, the Trustee will provide notice thereof to the Unitholders and the Credit Support Provider.

(c) No provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own gross negligent action or its own gross negligent failure to act or its own misconduct; provided, however, that:

(i) the duties and obligations of the Trustee shall be determined solely by the express terms of this Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, no implied covenants or obligations shall be read into this Trust Agreement against the Trustee and, in the absence of gross negligence or willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee that conform to the requirements of this Trust Agreement;

(ii) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Trust Agreement.

SECTION 9.02. Certain Matters Affecting the Trustee.

(a) Except as otherwise provided in Section 9.01:

(i) the Trustee may request and rely upon and shall be protected in acting or refraining from acting upon any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed by the proper party or parties;

(ii) the Trustee may consult with counsel and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it under this Trust Agreement in good faith and in accordance with such advice or Opinion of Counsel;

(iii) except for the duties and obligations of the Trustee expressly created by this Trust Agreement (which for avoidance of doubt shall include matters for which the Credit Support Provider is entitled to direct the Trustee hereunder and for which this Section 9.02(a)(iii) shall not apply), the Trustee shall be under no obligation to exercise any of the discretionary trusts or powers vested in it by this Trust Agreement or to institute, conduct or defend any litigation thereunder or in relation thereto, at the request, order or direction of any of the Unitholders or the Credit Support Provider, pursuant to the terms of this Trust Agreement;

(iv) the Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Trust Agreement;

(v) the Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, approval, bond or other paper or document believed by it to be genuine;

(vi) the Trustee may execute any of the trusts or powers or perform any duties under this Trust Agreement either directly or by or through agents or attorneys or a custodian or administrative agent;

(vii) the Trustee shall not be personally liable for any loss resulting from the investment of funds held in any Collection Account pursuant to Section 3.03 and in investments directed pursuant to Section 3.04;

(viii) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Responsible Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the

Corporate Trust Office and such notice references the Units generally or this Trust Agreement; ~~and~~

(ix) the Trustee shall have the power to reimburse itself for any unpaid Extraordinary Trust Expense actually incurred in accordance with the terms and conditions of this Trust Agreement prior to the distribution of funds or Trust Property to Unitholders, and shall have a charging lien upon the Taxable Collection Account and Non-Taxable Collection Account to secure payment of its fees and expenses, including the reasonable fees and expenses of its counsel; provided, however, that in the event that it has been finally adjudicated by a court of competent jurisdiction, evidenced by a final non-appealable order that the Trustee engaged in gross negligence or willful misconduct, the Trustee shall not be entitled to reimbursement of any fees and expenses incurred in defending against such suits brought by the Credit Support Provider or the Unitholders; and

(x) The Trustee shall establish a Fee Reserve, which Fee Reserve can be replenished from the proceeds of the Collection Account from time to time and the Trustee shall be permitted to apply the amounts therein to pay fees and expenses of the Trust including without limitation the Trustee Fees, the Delaware Trustee Fees, Extraordinary Trust Expenses, and fees and expenses of the Accountant and the Partnership Representative as and when due.

(b) All rights of action under this Trust Agreement or under any of the Units, enforceable by the Trustee, may be enforced by it without the possession of any of the Units, or the production thereof at the trial or other Proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Unitholders, subject to the terms of this Trust Agreement.

SECTION 9.03. Limitation on Liability of Trustee.

The Trustee assumes no responsibility for the correctness of the recitals contained in this Trust Agreement, the Units, or in any document issued in connection with the sale of the Units (other than the signature and authentication on the Units if done by Trustee). Except as set forth in Section 9.11, the Trustee makes no representations or warranties as to the validity or sufficiency of this Trust Agreement, the Units (other than the signature and authentication on the Units if done by Trustee), any security or of any related document. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in this Trust Agreement.

SECTION 9.04. Trustee Fees and Expenses; Limited Indemnification.

(a) As compensation for its regular and customary services and in payment of its regular and customary expenses under this Trust Agreement (including the reasonable compensation, expenses and disbursements of its counsel for regular and customary services hereunder) the Trustee shall be entitled to the Trustee Fees and the Delaware Trustee shall be entitled to the Delaware Trustee Fee (which shall not be limited by any provision of law in regard to

compensation or payment of a trustee of an express trust). For avoidance of doubt, the Depositor shall not be responsible for the Trustee Fees or the Delaware Trustee Fee.

(b) The Trustee, the Delaware Trustee, the Calculation Agent and any director, officer, employee or agent of the Trustee, the Delaware Trustee, the Partnership Representative, or the Calculation Agent shall be indemnified and held harmless by the Trust against any loss, liability or expense incurred in connection with any Proceeding relating to this Trust Agreement or the Units or the performance of any of the Trustee's duties, Delaware Trustee's duties, the Partnership Representative's duties, or the Calculation Agent's duties (as applicable) under this Trust Agreement, other than, (w) with respect to the Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Trustee's duties thereunder, (x) with respect to the Delaware Trustee, any loss, liability or expense (i) that constitutes a specific liability of the Delaware Trustee under this Trust Agreement or (ii) incurred by reason of willful misfeasance or gross negligence in the performance of the Delaware Trustee's duties thereunder (such loss, liability or expense, other than as described in clauses (w)(i) and (ii) and (x)(i) and (ii) of this sentence, "Extraordinary Trust Expense"), (y) with respect to the Partnership Representative, any loss, liability or expense incurred by reason of bad faith, willful ~~misfeasance~~ misconduct or gross negligence in the performance of the Partnership Representative's duties under this Trust Agreement, and (z) with respect to the Calculation Agent, any loss, liability or expense incurred by reason of willful misfeasance or negligence in the performance of the Calculation Agent's duties thereunder or by the reason of reckless disregard of the Calculation Agent's obligations and duties thereunder.

SECTION 9.05. Eligibility Requirements for Trustee; Delaware Trustee.

(a) The Trustee hereunder shall at all times be a bank or other financial institution organized and doing business under the laws of any State or the United States, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000 and subject to supervision or examination by Federal or State authority, and the long-term debt obligations of which are rated in one of the four highest categories assigned long-term debt obligations by each of S&P and Moody's. If such corporation or association publishes reports of conditions at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In the event that at any time the Trustee shall cease to be eligible in accordance with the terms of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.06.

(b) Any successor Delaware Trustee, however appointed, shall be a bank or trust company satisfying the requirements of Section 3807(a) of the Statutory Trust Act. Any corporation into which the Delaware Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Delaware Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Delaware Trustee may be transferred, shall, subject to the preceding sentence, be the Delaware Trustee under this Trust Agreement without further act.

SECTION 9.06. Resignation or Removal of the Trustee.

(a) The Trustee or the Delaware Trustee may at any time resign and be discharged from the Trust by giving written notice thereof to the Credit Support Provider, the Depositor and to all Unitholders. Upon receiving such notice of resignation, the Credit Support Provider shall as promptly as practicable (and in any event within 30 days after the date of such notice of resignation) appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the resigning Trustee and to the successor trustee. A copy of such instrument shall be delivered to the Depositor and the Unitholders by the Credit Support Provider. If no such successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee or Delaware Trustee (as applicable) may petition any court of competent jurisdiction for the appointment of a successor trustee for the Units. If at any time the Trustee shall cease to be eligible in accordance with the terms of Section 9.05 and shall fail to resign after written request therefor by the Credit Support Provider, or if at any time the Trustee shall become incapable of acting, shall have breached its obligations hereunder, or shall be adjudged bankrupt or insolvent, or a receiver or a conservator of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Credit Support Provider may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and to the successor trustee. A copy of such instrument shall be delivered to the Depositor and the Unitholders by the Credit Support Provider.

(b) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the terms of this Section shall not become effective until acceptance of appointment by the successor trustee as provided in Section 9.07.

SECTION 9.07. Successor Trustee.

(a) Any successor trustee appointed as provided in Section 9.06 shall execute, acknowledge and deliver to its predecessor trustee and the Credit Support Provider, with a copy to the Depositor, an instrument accepting such appointment under this Trust Agreement, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Trust Agreement, with the like effect as if originally named as trustee in this Trust Agreement. The predecessor trustee shall deliver to the successor trustee the Trust Property and all documents and statements held by it under this Trust Agreement, and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations. No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be eligible under the terms of Section 9.05.

(b) Upon acceptance of appointment by a successor trustee as provided in this Section, the Trustee shall transmit notice of the succession of such trustee under this Trust Agreement to all Unitholders in the manner provided pursuant to Section 10.05.

SECTION 9.08. Merger or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the business of the Trustee, shall be the successor of the Trustee under this Trust Agreement, provided such corporation or association shall be eligible under the terms of Section 9.05, without the execution or filing of any paper or any further act on the part of any of the parties to this Trust Agreement, anything in this Trust Agreement to the contrary notwithstanding.

SECTION 9.09. Appointment of Co-Trustee.

(a) Notwithstanding any other terms of this Trust Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any party of the Trust Property may at the time be located, the Trustee shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees, jointly with the Trustee, of all or any part of the Trust Property, and to vest in such Person or Persons, in such capacity, such title to the Trust Property, or any part thereof, and, subject to the other terms of this Section, such powers, duties, obligations, rights and trusts as the Trustee and the Credit Support Provider may consider necessary or desirable. No co-trustee under this Trust Agreement shall be required to meet the terms of eligibility as a successor trustee under Section 9.05 and no notice to Unitholders of the appointment of a co-trustee or co-trustees shall be required under Section 9.07.

(b) In the case of any appointment of a co-trustee pursuant to this Section, all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed by the Trustee, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to such Trust Property or any portion thereof in any such jurisdiction) shall be exercised and performed by such co-trustee at the direction of the Trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the co-trustees, as effectively as if given to each of them. Every instrument appointing any co-trustee shall refer to this Trust Agreement and the conditions of this Article IX. Each co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, jointly with the Trustee subject to all the terms of this Trust Agreement, specifically including every provision of this Trust Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Trust Agreement on its behalf and in its name. If any co-trustee shall become incapable of acting, resign or be removed, all its estates, properties, rights, remedies and trusts

shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 9.10. Appointment of Office or Agency.

The Units may be surrendered for registration of transfer or exchange, and presented for the final distribution with respect thereto, and notices and demands to or upon the Trustee in respect of the Units and this Trust Agreement may be served at the Corporate Trust Office.

SECTION 9.11. Representations and Warranties of Trustee.

(a) The Trustee represents and warrants that:

(i) the Trustee is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or association;

(ii) the Trustee has full power, authority and right to execute, deliver and perform its duties and obligations under this Trust Agreement, and the Global Securities and the Certificates, and has taken all necessary action to authorize the execution, delivery and performance by it of this Trust Agreement, and the Global Securities and the Certificates.

(iii) the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates by the Trustee and its performance of and compliance with the terms of this Trust Agreement, and the Global Securities and the Certificates will not violate the Trustee's articles of incorporation, association or other constitutive documents or By-laws or constitute a default under, or result in the breach or acceleration of, any material contract, agreement or other instrument to which the Trustee is a party or which may be applicable to the Trustee or any of its assets;

(iv) as of the Closing Date, each of this Trust Agreement, and the Global Securities and the Certificates, has been duly executed and delivered by the Trustee, and this Trust Agreement constitutes the legal, valid and binding obligation of the Trustee, enforceable in accordance with its terms, except as enforcement may be limited by the applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and general principles of equity;

(v) the Trustee is not in violation, and the execution and delivery of this Trust Agreement, and the Global Securities and the Certificates, by the Trustee and its performance and compliance with respective terms of this Trust Agreement, and the Global Securities and the Certificates, will not constitute a violation, of any order or decree of any court or any order or regulation of any Federal, State, municipal or governmental agency having jurisdiction over the Trustee or its properties, which violation would reasonably be expected to have a material adverse effect on the condition (financial or otherwise) or operations of the Trustee or its properties or on the performance of its duties thereunder;

(vi) there are no actions or proceedings against, or investigations of, the Trustee pending, or, to the knowledge of the Trustee, threatened, before any court, administrative agency

or other tribunal (A) that could reasonably be expected to prohibit its entering into this Trust Agreement or to render the Units invalid, (B) seeking to prevent the issuance of the Global Securities and the Certificates, or the consummation of any of the transactions contemplated by this Trust Agreement or (C) that could reasonably be expected to prohibit or materially and adversely affect the performance by the Trustee of its obligations under, or the validity or enforceability of, this Trust Agreement, or the Global Securities and the Certificates; and

(vii) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Trustee of, or compliance by the Trustee with, this Trust Agreement, or the Global Securities and the Certificates, or for the consummation of the transactions contemplated by this Trust Agreement, except for such consents, approvals, authorizations and orders, if any, that have been obtained prior to the Closing Date.

(b) Within 30 days of the earlier of discovery by the Trustee or receipt of notice by the Trustee of a breach of any representation or warranty of the Trustee set forth in this Section 9.11 that materially and adversely affects the interests of the Unitholders, the Trustee shall promptly cure such breach in all material respects or resign.

SECTION 9.12. Limitation of Powers and Duties.

The Trust is constituted solely for the purposes of acquiring and holding the Trust Property and issuing the Global Securities and the Certificates. The Trust shall not incur any debt and may not issue additional units except in accordance with Sections 5.03 and 5.04 hereof. The Trustee is not authorized to acquire any other investments or engage in any activities not authorized in this Trust Agreement and, in particular, the Trustee is not authorized to sell, assign, transfer, exchange, pledge, set-off or otherwise dispose of any of the COFINA Bonds or interests therein, including to Unitholders (except upon termination of the Trust in accordance with Article VIII of this Trust Agreement and at the direction of the Credit Support Provider (including in accordance with Sections 6.02 and 6.03 hereof)).

SECTION 9.13. Power and Authority of the Delaware Trustee.

The Delaware Trustee shall have the power and authority, and is hereby authorized and empowered, to (a) accept legal process served on the Trust in the State of Delaware and (b) execute any certificates that are required to be executed under the Statutory Trust Act and file such certificates in the office of the Secretary of State, and take such action or refrain from taking such action under this Trust Agreement as may be directed in a writing delivered to the Delaware Trustee by the Credit Support Provider; provided, however, that the Delaware Trustee shall not be required to take or to refrain from taking any such action if the Delaware Trustee shall believe, or shall have been advised by counsel, that such performance is likely to involve the Delaware Trustee in personal liability or to result in personal liability to the Delaware Trustee, or is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes a party or is otherwise contrary to law. The Credit Support Provider agrees not to instruct the Delaware Trustee to take any action or to refrain from taking any action that is contrary to the terms of this Trust Agreement or

of any document contemplated hereby to which the Trust or the Delaware Trustee is or becomes party or that is otherwise contrary to law. Other than as expressly provided for in this Trust Agreement, the Delaware Trustee shall have no duty to take any action for or on behalf of the Trust.

SECTION 9.14. Delaware Trustee May Request Direction.

If at any time the Delaware Trustee determines that it requires or desires guidance regarding the application of any provision of this Trust Agreement or any other document, or regarding action that must or may be taken in connection herewith or therewith, or regarding compliance with any direction it received under this Trust Agreement, then the Delaware Trustee may deliver a notice to a court of applicable jurisdiction or, in the Delaware Trustee's sole and absolute discretion, to an arbitrator, requesting written instructions as to the desired course of action, and such instructions from the court or arbitrator shall constitute full and complete authorization and protection for actions taken and other performance by the Delaware Trustee in reliance thereon. Until the Delaware Trustee has received such instructions after delivering such notice, it shall be fully protected in refraining from taking any action with respect to the matters described in such notice.

SECTION 9.15. Delaware Trustee's Capacity.

In accepting the trust hereby created, Wilmington Trust National Association acts solely as Delaware Trustee under this Trust Agreement and not in its individual capacity, serves the Trust solely to fulfill the Trust's obligation pursuant to Section 3807(a) of the Statutory Trust Act to have at least one trustee who has its principal place of business in the State of Delaware, and all Persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Trust Agreement or any other document shall look only to the Trust Estate for payment or satisfaction thereof. Notwithstanding any provision of this Trust Agreement or any other document to the contrary, under no circumstances shall Wilmington Trust National Association, in its individual capacity or in its capacity as Delaware Trustee, (a) have any duty to choose or supervise, nor shall it have any liability for the actions or inactions of, the Trustee or any officer, manager, employee, or other Person (other than Wilmington Trust National Association and its own employees), or (b) be liable or responsible for, or obligated to perform, any contract, representation, warranty, obligation or liability of the Trust, the Trustee, or any officer, manager, employee, or other Person (other than Wilmington Trust National Association and its own employees); provided, however, that this limitation shall not protect Wilmington Trust National Association against any liability to the Unitholders to which it would otherwise be subject by reason of its willful misconduct, fraud, gross negligence in the performance of its duties under this Trust Agreement.

SECTION 9.16. Duties.

None of the Delaware Trustee, or any successor Delaware Trustee shall have any duty or obligation under or in connection with this Trust Agreement, the Trust, or any transaction or document contemplated by this Trust Agreement, except as expressly provided by the terms of this Trust Agreement, and no implied duties or obligations shall be read into this Trust Agreement against the Delaware Trustee, Wilmington Trust National Association or any

successor Delaware Trustee. The right of the Delaware Trustee to perform any discretionary act enumerated in this Trust Agreement shall not be construed as a duty. To the fullest extent permitted by applicable law, including without limitation Section 3806 of the Statutory Trust Act, the Delaware Trustee's, Wilmington Trust National Association or any successor Delaware Trustee's duties (including fiduciary duties) and liabilities relating thereto to the Trust and the Unitholders shall be restricted to those duties (including fiduciary duties) expressly set forth in this Trust Agreement and liabilities relating thereto.

SECTION 9.17. Trustee.

There shall be, at all times, a co-trustee to serve with the Delaware Trustee for the purpose of performing all obligations and duties other than fulfilling the Trust's obligations pursuant to Section 3807(a) of the Statutory Trust Act, including, but not limited to executing any documentation that may require the signature of more than one trustee of the Trust (the "Trustee"). The Trust hereby grants the Trustee the power to act and sign documents on behalf of the Trust pursuant to the terms of the Trust Agreement.

ARTICLE X

(a) This Trust Agreement may be amended from time to time by the Credit Support Provider and the Trustee without the consent of any of the Unitholders or any other Person, for any of the following purposes: (i) to cure any ambiguity or to correct, clarify or supplement any provision in this Trust Agreement which may be defective or inconsistent with any other provision in this Trust Agreement; (ii) to evidence and provide for the acceptance of appointment under this Trust Agreement by a successor Trustee; (iii) to add or change any of the terms of this Trust Agreement as shall be necessary to provide for or facilitate the administration of the Trust, or (iv) upon delivery of an Officers' Certificate of the Credit Support Provider or an Opinion of Counsel, to the effect that such amendment will not adversely affect the interests of any Unitholder.

(c) This Trust Agreement may also be amended from time to time by the Credit Support Provider and the Trustee (in the case of the Trustee, acting with the consent of Unitholders representing more than 50% of the outstanding Aggregate Unit Balance of the Units) for any purpose not set forth in Section 10.01(a), including without limitation to subdivide any Class of Units into sub-Classes with the consent and direction of each Unitholder electing to receive such sub-Class; provided, however, that no amendment shall, without the written consent of the Depositor, amend provisions of this Trust Agreement relating to the rights and obligations of the Depositor.

This Trust Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

(a) The death or incapacity of any Unitholder shall not operate to terminate this Trust Agreement or the Trust Property, nor entitle such Unitholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust Property, nor otherwise affect the rights, obligations and liabilities of the parties thereto or any of them.

(b) No Unitholder shall have any right to control the operation and management of any Trust Property, or the obligations of the parties thereto, nor shall anything in this Trust Agreement set forth, or contained in the terms of the Units, be construed so as to constitute the Unitholders from time to time as partners or members of an association; nor shall any Unitholder be under any liability to any third person by reason of any action taken by the parties to this Trust Agreement pursuant to any provision thereof.

(c) No Unitholder shall have any right by virtue of any provision of this Trust Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Trust Agreement.

SECTION 10.04. Governing Law.

This Trust Agreement and each Unit issued thereunder shall be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely therein without reference to such State's principles of conflicts of law to the extent that the application of the laws of another jurisdiction would be required thereby, and the obligations, rights and remedies of the parties thereunder shall be determined in accordance with such laws.

SECTION 10.05. Notices.

All directions, demands and notices under this Trust Agreement shall be in writing and shall be delivered to the offices of the Trustee specified below. CLASS 2047 UNIT

The Trust Agreement permits the amendment thereof, in certain circumstances, without the consent of the Unitholders.

As provided in the Trust Agreement and subject to certain limitations therein set forth, at the option of the Unitholder and at such Unitholder's expense, the transfer of this Certificate is registerable in the Unit Register upon surrender of this Certificate for registration of transfer at the office or agency maintained for such purpose, accompanied by a certificate of transfer substantially in the form of Exhibit D of the Trust Agreement, and thereupon the Unit Registrar shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of any authorized denominations, of a like ~~Aggregate Unit Balance~~ aggregate Notional Amount. All transfers of Units are subject to the approval of the Unit Registrar and the Unit Registrar shall not register any transfer of Units if such transfer would violate any provision of the Trust Agreement. All Units issued upon any registration of transfer or exchange of Units shall be entitled to the same benefits under the Trust Agreement as the Units surrendered upon such registration of transfer or exchange. No service charge shall be required of a Unitholder for any registration of transfer or exchange of Units, but the Trustee may require payment by the Unitholder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Units.

As provided in the Trust Agreement and subject to certain limitations therein set forth, each Unit presented or surrendered for registration of transfer or exchange shall be duly endorsed (and in the case of a transfer, accompanied by a certificate of transfer in substantially the form of Exhibit D of the Trust Agreement), duly executed by the Unitholder thereof or its attorney duly authorized in writing or by a member firm of a national securities exchange, and surrendered along with such other documents as the Unit Registrar may require. If, at any time, the Trustee learns that any of the representations or warranties provided by a potential transferee of any Certificate is false or that any agreement made therein has been violated, any transfer of such Unit to such potential transferee shall be null and void ab initio.

The Trustee and any agent of the Trustee may treat the Person in whose name any Unit is registered on the related ~~Record~~ Distribution Date as the owner of such Unit for the purpose of receiving distributions on such Unit and for all other purposes whatsoever and neither the Trustee, nor any agent of the Trustee shall be affected by notice to the contrary.

Unitholders will be responsible for the payment of all taxes with respect to the Trust Property. Each Electing Holder receiving the Units on the Closing Date (and each assignee thereof) will be responsible for providing the Trust such information reasonably requested by the Trust as may be deemed necessary or advisable in order for the Trust to provide tax reporting. Neither the Depositor nor the Trustee will be responsible for making any tax payments or tax reporting other than as set forth in the Trust Agreement. The Trust, through its Accountant, shall be responsible for all tax reporting obligations and withholding (if any) for the Trust and Unitholders as required by law and consistent with the treatment of the Trust as a partnership and the Unitholders as partners (but subject further to the tax characterization described in the Trust Agreement), for purposes of the U.S. federal income tax, and any state and local taxes. Such obligations shall include: the timely filing of completed partnership returns and the partnership information returns, and the timely provision of completed partner information statements, including any extensions, and any filings or information as required by the Accountant.

The obligations and responsibilities created by the Trust Agreement and the Trust created thereby will terminate upon the payment to Unitholders of all amounts required to be paid to them pursuant to the Trust Agreement.

Notwithstanding anything contained in the Trust Agreement to the contrary, the Trust Agreement has been accepted by Wilmington Trust National Association not in its individual capacity but solely as Trustee. The Units do not represent interests in or obligations of the Trustee and the Trustee shall not be responsible or accountable for any tax, accounting or other treatment proposed to be applied to the Units or any interest therein except as expressly provided in the Trust Agreement.

The Trustee will furnish to any Unitholder, upon written request and without charge, a copy of the Trust Agreement.

Neither the Depositor nor the Trustee will be responsible for making any tax payments or tax reporting other than as set forth in the Trust Agreement. The Trust, through its Accountant, shall be responsible for all tax reporting obligations and withholding (if any) for the Trust and Unitholders as required by law and consistent with the treatment of the Trust as a partnership and the Unitholders as partners (but subject further to the tax characterization described in the Trust Agreement), for purposes of the U.S. federal income tax, and any state and local taxes. Such obligations shall include: the timely filing of properly partnership returns and the partnership information returns, the timely provision of completed partner information statements, including any extensions, and any filings or information as required by the Accountant.

The obligations and responsibilities created by the Trust Agreement and the Trust created thereby will terminate upon the payment to Unitholders of all amounts required to be paid to them pursuant to the Trust Agreement.

Notwithstanding anything contained in the Trust Agreement to the contrary, the Trust Agreement has been accepted by Wilmington Trust National Association not in its individual capacity but solely as Trustee. COFINA SERIES 2007A SENIOR BONDS DUE 2040 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2040

Notional Amount: \$5,332,022.00

CUSIP #: 19237AAA0

ISIN #: US19237AAA07

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

COFINA SERIES 2007A SENIOR BONDS DUE 2041 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2041

Notional Amount: \$30,006,191.00

CUSIP #: 19237BAA8

ISIN #: US19237BAA89

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

COFINA SERIES 2007A SENIOR BONDS DUE 2041 NATIONAL CUSTODIAL TRUST

Tax-Exempt Trust Unit Certificate No. 1

Maturity Date: August 1, 2041

Notional Amount: \$91,125,189.00

CUSIP #: 19237BAB6

ISIN #: US19237BAB62

Each Tax-Exempt Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Tax-Exempt Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Tax-Exempt Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Tax-Exempt Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Tax-Exempt Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Tax-Exempt Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Tax-Exempt Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution.

In certain circumstances, National may instruct the Trustee to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy

or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

Section 7. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustees, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustees. The parties to this Trust Agreement agree that they will provide the Trustees with such information as they may request in order for the Trustees to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 8. Governing Law; Venue; Jury Waiver.

THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY

WAY RELATED TO THIS AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS AGREEMENT OR IN CONNECTION WITH THIS AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY FEDERAL OR STATE COURTS SITTING IN THE STATE OF DELAWARE IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH PROCEEDINGS IN ANY SUCH COURT AND ANY CLAIM THAT ANY PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 9. Force Majeure.

In no event shall the Trustees be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 10. Intent of Parties.

(a) The parties hereto intend that, for all purposes, the transfer to the Trust of the COFINA Bonds and National Insurance Policy shall be, and shall be construed as, a transfer of the COFINA Bonds and National Insurance Policy on behalf of the Electing Original COFINA Bond Holders in lieu of a transfer of such assets to the Trust directly by the Electing Original COFINA Bond Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, the Depositor will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of the Depositor's estate in the event of a liquidation, reorganization, or similar proceeding of the Depositor and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under the Depositor.

(c) Notwithstanding anything to the contrary in the Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, National, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not and neither Trustee shall directly take any action that to its actual knowledge would violate any of the following):

(d) Failure of the Trust, the Depositor, National, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim.

Section 12. Certain Terms Regarding the Depositor. For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Holders of the Trust Units shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units in certificated form, the purchaser shall be required to acknowledge, represent to and agree, and in purchasing any Book-Entry Beneficial Interests in the Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not

relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of the Depositor or any of its affiliates.

(iv) The Depositor shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

COFINA SERIES 2007A SENIOR BONDS DUE 2042 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2042

Notional Amount: \$38,532,208.00

CUSIP #: 19237CAA6

ISIN #: US19237CAA62

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Tax-Exempt Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution.

In certain circumstances, National may instruct the Trustee to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy

or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;

- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

(xv) make any loans or advances to any third party, including, without limitation, any Unitholder, Depositor or Affiliate of the Trust, or any principal or Affiliate thereof;

(xvi) fail to file its own tax returns as and if required to do so by applicable law (subject to any permitted extensions and except to the extent the Trust is treated as a grantor trust for tax purposes) and to pay any taxes required to be paid by it under applicable law;

(xvii) fail to hold itself out to the public as a legal entity separate and distinct from any other Person, fail to conduct its activities solely in its own name or in the name of the Trustee and as a separate and distinct entity, or fail to correct any known misunderstanding regarding its separate identity;

(xviii) identify itself as a department or division of any other Person;

(xix) fail to observe all formalities required of a Delaware statutory trust;

(xx) fail to pay its expenses and liabilities only out of its own funds to the extent such funds are available and fail to hold its assets only in its own name; provided, however, the foregoing shall not require the Depositor to sell any assets, or make any capital contribution, to the Trust;

(xxi) conduct any oral or written communication, including, without limitation, letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee;

(xxii) (a) institute proceedings to have the Trust declared or adjudicated a bankrupt or insolvent, (b) consent to the institution of bankruptcy or insolvency proceedings against the Trust, (c) file a petition or consent to a petition seeking reorganization or relief on behalf of the Trust under any applicable federal or state law relating to bankruptcy, (d) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or any similar official) of the Trust or a substantial portion of the property of the Trust, (e) make any assignment for the benefit of the Trust's creditors, (f) cause the Trust to admit in writing its inability to pay its debts generally as they become due or (g) take any action, or cause the Trust to take any action, in furtherance of any of the foregoing;

(xxiii) supplement, modify, amend, restate, replace, waive or repeal this Section 10 or Sections 2.03, 2.04, 9.01 or 9.03 of the Standard Terms, or the definitions used in such Sections, in each case except for any supplement, modification, amendment or

restatement of any such provision that (x) corrects any error and (y) would not (individually or together with other changes) be reasonably likely to cause the Trust to no longer be a "special purpose entity" in accordance with applicable law and standards; or

(xxiv) supplement, modify, amend, restate, replace, waive or repeal any portion of this Trust Agreement or the Standard Terms except as expressly permitted by Section 9.01 of the Standard Terms.

(d) Failure of the Trust, the Depositor, National, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim.

Section 12. Certain Terms Regarding the Depositor. For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Holders of the Trust Units shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units in certificated form, the purchaser shall be required to acknowledge, represent to and agree, and in purchasing any Book-Entry Beneficial Interests in the Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not

relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of the Depositor or any of its affiliates.

(iv) The Depositor shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

IN WITNESS WHEREOF, the Depositor, National, the Trustee and the Delaware Trustee have caused this Agreement to be duly executed by their respective officers thereunto duly authorized and all as of the date first set forth above.

COFINA SERIES 2007A SENIOR BONDS DUE 2043 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2043

Notional Amount: \$43,346,448.00

CUSIP #: 19237DAA4

ISIN #: US19237DAA46

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

COFINA SERIES 2007A SENIOR BONDS DUE 2044 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2044

Notional Amount: \$34,330,077.00

CUSIP #: 19237EAA2

ISIN #: US19237EAA29

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2045

Notional Amount: \$40,875,941.00

CUSIP #: 19237GAA7

ISIN #: US19237GAA76

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

COFINA SERIES 2007A SENIOR BONDS DUE 2045 NATIONAL CUSTODIAL TRUST

Tax-Exempt Trust Unit Certificate No. 1

Maturity Date: August 1, 2045

Notional Amount: \$124,133,403.00

CUSIP #: 19237GAB5

ISIN #: US19237GAB59

Each Tax-Exempt Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Tax-Exempt Trust Units (herein collectively called the “Units”), and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Tax-Exempt Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Tax-Exempt Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Tax-Exempt Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Tax-Exempt Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Tax-Exempt Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution.

In certain circumstances, National may instruct the Trustee to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy

or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

PATRIOT Act.

Section 8. Governing Law; Venue; Jury Waiver.

THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY

Section 10. Intent of Parties.

(a) The parties hereto intend that, for all purposes, the transfer to the Trust of the COFINA Bonds and National Insurance Policy shall be, and shall be construed as, a transfer of the COFINA Bonds and National Insurance Policy on behalf of the Electing Original COFINA Bond Holders in lieu of a transfer of such assets to the Trust directly by the Electing Original COFINA Bond Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, the Depositor will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of the Depositor's estate in the event of a liquidation, reorganization, or similar proceeding of the Depositor and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. (d) Failure of the Trust, the Depositor, National, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however, that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim.

The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units in certificated form, the purchaser shall be required to acknowledge, represent to and agree, and in purchasing any Book-Entry Beneficial Interests in the Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not

COFINA SERIES 2007A SENIOR BONDS DUE 2046 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1

Maturity Date: August 1, 2046

Notional Amount: \$42,657,538.00

CUSIP #: 19237HAA5

ISIN #: US19237HAA59

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

COFINA SERIES 2007A SENIOR BONDS DUE 2046 NATIONAL CUSTODIAL TRUST

Tax-Exempt Trust Unit Certificate No. 1

Maturity Date: August 1, 2046

Notional Amount: \$129,541,261.00

CUSIP #: 19237HAB3

ISIN #: US19237HAB33

Each Tax-Exempt Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Tax-Exempt Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Tax-Exempt Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Tax-Exempt Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Tax-Exempt Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Tax-Exempt Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Tax-Exempt Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution.

In certain circumstances, National may instruct the Trustee to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy

or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAX-EXEMPT TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or
- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF, OR LEADING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY OR PERFORMANCE, SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY HERETO HEREBY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY ON ANY CLAIM, COUNTERCLAIM, SETOFF, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, OR (B) IN ANY WAY IN CONNECTION WITH OR PERTAINING TO OR RELATED TO OR INCIDENTAL TO ANY DEALINGS OF THE PARTIES WITH RESPECT TO THIS AGREEMENT OR IN CONNECTION WITH THIS AGREEMENT OR THE EXERCISE OF ANY PARTY'S RIGHTS AND REMEDIES UNDER THIS AGREEMENT OR OTHERWISE, OR THE CONDUCT OR THE RELATIONSHIP OF THE PARTIES HERETO, IN ALL OF THE FOREGOING CASES WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY FEDERAL OR STATE COURTS SITTING IN THE STATE OF DELAWARE IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH PROCEEDINGS IN ANY SUCH COURT AND ANY CLAIM THAT ANY PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 10. Intent of Parties.

(a) The parties hereto intend that, for all purposes, the transfer to the Trust of the COFINA Bonds and National Insurance Policy shall be, and shall be construed as, a transfer of the COFINA Bonds and National Insurance Policy on behalf of the Electing Original COFINA Bond Holders in lieu of a transfer of such assets to the Trust directly by the Electing Original COFINA Bond Holders and shall constitute, in all respects, an absolute, irrevocable transfer, conveyance, and assignment, without recourse, of the Trust Estate to the Trust, and immediately after giving effect to the transfer contemplated hereby on the Closing Date, the Depositor will have no further interest (legal or equitable) in the Trust Estate and the Trust Estate will not be property of the Depositor's estate in the event of a liquidation, reorganization, or similar proceeding of the Depositor and the Trust shall have the absolute right to take whatever action it may deem appropriate with respect to the Trust Estate. The parties agree to treat the transfer contemplated hereby for all purposes (including financial accounting purposes) as an absolute transfer on all relevant books, records, financial statements and other documents.

(b) The Trust Estate will be held by the Trust free and clear of any lien or encumbrance of any Person claiming through or under the Depositor.

(c) Notwithstanding anything to the contrary in the Trust Agreement or in any other document governing the formation, management, or operation of the Trust, if and for so long as any Trust Unit remains outstanding, none of the Unitholders, National, the Trustees, nor any other Person shall authorize, cause or permit the Trust to (and the Trust shall not and neither Trustee shall directly take any action that to its actual knowledge would violate any of the following):

(xxiii) supplement, modify, amend, restate, replace, waive or repeal this Section 10 or Sections 2.03, 2.04, 9.01 or 9.03 of the Standard Terms, or the definitions used in such Sections, in each case except for any supplement, modification, amendment or restatement of any such provision that (x) corrects any error and (y) would not (individually or together with other changes) be reasonably likely to cause the Trust to no longer be a "special purpose entity" in accordance with applicable law and standards; or

(xxiv) supplement, modify, amend, restate, replace, waive or repeal any portion of this Trust Agreement or the Standard Terms except as expressly permitted by Section 9.01 of the Standard Terms.

(d) Failure of the Trust, the Depositor, National, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however,

that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim.

Section 12. Certain Terms Regarding the Depositor. For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Holders of the Trust Units shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units in certificated form, the purchaser shall be required to acknowledge, represent to and agree, and in purchasing any Book-Entry Beneficial Interests in the Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of the Depositor or any of its affiliates.

(iv) The Depositor shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

IN WITNESS WHEREOF, the Depositor, National, the Trustee and the Delaware Trustee have caused this Agreement to be duly executed by their respective officers thereunto duly authorized and all as of the date first set forth above.

Taxable Trust Unit Certificate No. ~~---~~1 Maturity Date: August 1,
2040

Notional Amount: ~~-----~~\$5,332,022.00

CUSIP #: ~~[•]~~19237AAA0

ISIN #: US19237AAA07

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of ~~[•]~~February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of ~~[•]~~February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the

terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the

Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or

- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Tax-Exempt Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the "Trust Agreement") dated as of ~~[●]~~ February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION ("COFINA" or the "Depositor"), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION ("National"), U.S. BANK NATIONAL ASSOCIATION as trustee (the "Trustee") and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the "Delaware Trustee" which term includes any successor under the Trust Agreement and together with the Trustee, collectively the "Trustees"), and the Standard Terms to Trust Agreement, dated as of ~~[●]~~ February 12, 2019 (the "Standard Terms"), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution.

In certain circumstances, National may instruct the Trustee to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAX-EXEMPT TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;

- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or

- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however,

Notional Amount: ~~-----~~\$30,006,191.00

CUSIP #: ~~[•]~~19237BAA8

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of ~~[•]~~February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of ~~[•]~~February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the

terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the

Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or

- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

(xx) fail to pay its expenses and liabilities only out of its own funds to the extent such funds are available and fail to hold its assets only in its own name; provided, however, the foregoing shall not require the Depositor to sell any assets, or make any capital contribution, to the Trust;

(xxi) conduct any oral or written communication, including, without limitation, letters, invoices, purchase orders, contracts, statements and applications, other than in its own name or in the name of the Trustee;

(xxii) (a) institute proceedings to have the Trust declared or adjudicated a bankrupt or insolvent, (b) consent to the institution of bankruptcy or insolvency proceedings against the Trust, (c) file a petition or consent to a petition seeking reorganization or relief on behalf of the Trust under any applicable federal or state law relating to bankruptcy, (d) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or any similar official) of the Trust or a substantial portion of the property of the Trust, (e) make any assignment for the benefit of the Trust's creditors, (f) cause the Trust to admit in writing its inability to pay its debts generally as they become due or (g) take any action, or cause the Trust to take any action, in furtherance of any of the foregoing;

(xxiii) supplement, modify, amend, restate, replace, waive or repeal this Section 10 or Sections 2.03, 2.04, 9.01 or 9.03 of the Standard Terms, or the definitions used in such Sections, in each case except for any supplement, modification, amendment or restatement of any such provision that (x) corrects any error and (y) would not (individually or together with other changes) be reasonably likely to cause the Trust to no longer be a "special purpose entity" in accordance with applicable law and standards; or

(xxiv) supplement, modify, amend, restate, replace, waive or repeal any portion of this Trust Agreement or the Standard Terms except as expressly permitted by Section 9.01 of the Standard Terms.

(d) Failure of the Trust, the Depositor, National, any Unitholder, any Trustee or any other Person on behalf of the Trust, to comply with any of the foregoing covenants set forth in this Section 10 shall not affect the status of the Trust as a separate legal entity (unless in violation of the Delaware Trust Statute) nor cause the Trust to dissolve or terminate.

(e) To the extent that any provision of this Section 10 conflicts with, violates or otherwise is in contravention with any other provision of the Trust Agreement or the Standard Terms, the parties hereto and each Unitholder agree that the terms set forth in this Section 10 shall be controlling as expressly set forth herein.

Section 11. Non-Petition. The Depositor, National, the Trustee and the Delaware Trustee, by entering into this Agreement, and the Unitholders, by accepting a Trust Unit, hereby covenant and agree that they will not at any time institute against the Trust, or join in instituting against the Trust, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law; provided, however,

that in the event a bankruptcy or similar proceeding is instituted against the Trust by another person, the Trustee may file appropriate proofs of claim.

Section 12. Certain Terms Regarding the Depositor. For the avoidance of doubt and notwithstanding any terms appearing herein or elsewhere to the contrary:

(i) The obligations of the Trust under the Trust Units and this Trust Agreement are non-recourse obligations of the Trust payable solely from the Trust Estate, and following realization of the Trust Estate, and its reduction to zero, any claims of the Holders of the Trust Units shall be extinguished. The Trust Units are not obligations of, and are not guaranteed by, the Depositor, and no recourse shall be had against any Officer, director, manager, employee, security holder or incorporator of the Depositor, or its successors or assigns, for the payment of any amounts payable under the Trust Units or the payment or performance of any obligation of the Trust under or pursuant to this Trust Agreement.

(ii) The recitals contained in this Trust Agreement and in the Trust Units, shall be taken as the statements of the Trust, and the Depositor assumes no responsibility for their correctness. The Depositor makes no representation as to the validity or sufficiency of this Trust Agreement, of the Trust, or of the Trust Units.

(iii) In purchasing any Trust Units in certificated form, the purchaser shall be required to acknowledge, represent to and agree, and in purchasing any Book-Entry Beneficial Interests in the Trust Units the purchaser shall be deemed to acknowledge, represent and agree, that none of the Depositor nor any of its affiliates, is acting as a fiduciary or a financial or investment advisor for such purchaser, and such purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, representations or recommendations (in each case whether written or oral) of the Depositor or any of its affiliates.

(iv) The Depositor shall not be accountable for the use or application by the Trust of the Trust Units or the proceeds thereof or any amounts paid to the Trust pursuant to the provisions of this Trust Agreement.

IN WITNESS WHEREOF, the Depositor, National, the Trustee and the Delaware Trustee have caused this Agreement to be duly executed by their respective officers thereunto duly authorized and all as of the date first set forth above.

COFINA SERIES 2007A SENIOR BONDS DUE 2042 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1 Maturity Date: August 1,
2042

Notional Amount: \$38,532,208.00

CUSIP #: ~~[●]~~ 19237CAA6

ISIN #: US19237CAA62

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of ~~[●]~~ February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of ~~[●]~~ February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the

terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the

Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or

- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.

~~[NAME OF TRUST]~~

COFINA SERIES 2007A SENIOR BONDS DUE 2043 NATIONAL CUSTODIAL TRUST

Taxable Trust Unit Certificate No. 1 Maturity Date: August 1,
2043

Notional Amount: \$43,346,448.00

CUSIP #: ~~[●]~~ 19237DAA4

ISIN #: US19237DAA46

Each Taxable Trust Unit represented by this Certificate is one of a duly authorized issue of Certificates designated as the Taxable Trust Units (herein collectively called the “Units”), issued in authorized denominations of \$1.00 and \$1.00 increments thereof, and representing a beneficial ownership interest in a portion (described below) of the Trust Estate created by the Trust Agreement referred to below.

Defined terms not otherwise defined in this Certificate shall have the meaning set forth in the Trust Agreement.

Each Unit consists of (in the same Notional Amount): (A) one Taxable Trust Certificate, which in turn represents an undivided beneficial ownership interest in the Taxable Bond Account created under the Trust Agreement, and (B) one Stub Certificate (Taxable Allocation), which in turn represents an undivided beneficial ownership interest in the Stub Account (Taxable Allocation).

This certifies that CEDE & CO. is the registered owner of the Notional Amount of Taxable Trust Units evidenced by this Certificate. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Trust Agreement and Standard Terms referred to below and the Trust Agreement contains rules as to construction that shall be applicable herein.

The Trust was created pursuant to a Trust Agreement (the “Trust Agreement”) dated as of ~~[●]~~ February 12, 2019, by and among Corporación del Fondo de Interès Apremiarte de Puerto Rico, whose name in English is PUERTO RICO SALES TAX FINANCING CORPORATION (“COFINA” or the “Depositor”), NATIONAL PUBLIC FINANCE GUARANTEE CORPORATION (“National”), U.S. BANK NATIONAL ASSOCIATION as trustee (the “Trustee”) and U.S. BANK TRUST NATIONAL ASSOCIATION, as Delaware trustee (the “Delaware Trustee” which term includes any successor under the Trust Agreement and together with the Trustee, collectively the “Trustees”), and the Standard Terms to Trust Agreement, dated as of ~~[●]~~ February 12, 2019 (the “Standard Terms”), a summary of certain of the pertinent provisions of which is set forth hereinafter. This Certificate is issued under and is subject to the

terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the Holder of this Certificate by virtue of its acceptance hereof assents and by which such Holder is bound. Distributions on this Certificate shall be made by the Paying Agent under the Trust Agreement.

This Certificate is issued under the Trust Agreement to which reference is hereby made for a statement of the respective rights thereunder of the Depositor, the Trustees, National and the Holder of the Certificate and the terms upon which the Certificate is executed and delivered.

This Certificate does not bear interest. Distributions on this Certificate represent a combination of certain interest and principal payments made on the New COFINA Bonds issued as non-tax-exempt for federal income tax purposes and certain other payments which have been assigned or contributed to the Trust Estate and may vary from period to period. Each such Distribution shall result in a deemed simultaneous dollar-for-dollar reduction of the Holder's pro rata share of the Compounded Amount (Tax-Exempt Allocation) as of the date such Distribution (calculated in accordance with the Trust Agreement), in an amount equal to the pro rata share of such Distribution as set forth in the Standard Terms.

In certain circumstances, National may instruct the Trustee in writing to sell the New COFINA Bonds (the "Subject Bonds") underlying the Units for cash (a "Bond Sale"). The Holder of this Certificate shall have the option to elect to receive either (i) in-kind delivery of a pro rata share of the Subject Bonds (the "Bond Election") or in lieu thereof (ii) a pro rata share of the actual net cash proceeds ("Cash Proceeds") from the Bond Sale (with respect to the Subject Bonds that are not subject to the Bond Election), as set forth in the Standard Terms.

This Certificate is not subject to redemption by the Trust and is not subject to repurchase by the Trust at the option of the Holder of this Certificate.

The Holder, by its acceptance of this Certificate, agrees that it will look solely to the funds allocated pursuant to the Trust Agreement for distribution hereunder and that none of the Trustee or the Paying Agent in their individual capacities nor the Depositor is personally liable to such Holder for any amount payable under this Certificate or the Trust Agreement, subject in the case of the Trustee to any liability under the Trust Agreement, provided that the foregoing shall not prevent the Holder from appearing or litigating any such proceeding after it has been instituted.

The Holder, by its acceptance of this Certificate hereby agrees that (i) the Trust Agreement is executed and delivered by U.S. Bank National Association, not individually or personally, but solely as Trustee in the exercise of the powers and authority conferred upon and vested in it, and pursuant to instructions set forth therein, (ii) each of the representations, undertakings and agreements herein made on the part of the Trustee or the Trust is made and intended not as personal representations, undertakings or agreements of U.S. Bank National Association, (iii) nothing herein contained shall be construed as creating or imposing any liability upon U.S. Bank National Association, individually or personally, or the Depositor to perform any covenant, either express or implied, contained herein, all such liability, if any, is hereby expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto and such waiver shall bind any third party making a claim by or through one of the parties hereto, and (iv) under no circumstances shall U.S. Bank National Association or the

Depositor be personally liable for the payment of any indebtedness or expenses of the Trust, or be personally liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Trust under the Trust Agreement.

The Holder, by its acceptance of this Certificate, covenants and agrees that it will not at any time institute against the Depositor, National or the Trust, or join in any institution against the Depositor, National or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to this Certificate or the Trust Agreement.

Distributions on this Certificate will be made as provided in the Trust Agreement by the Paying Agent by wire transfer to such Holder without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Paying Agent of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency maintained by the Unit Registrar for that purpose.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless this Certificate has been executed by the manual signature of an authorized officer of the Trustee and the certificate of authentication hereon shall have been executed by an authorized officer of the Unit Registrar, or an authenticating agent by manual signature, this Certificate shall not entitle the Holder hereof to any benefit under the Trust Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAWS PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

IN WITNESS WHEREOF, the Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

REVERSE OF TAXABLE TRUST UNIT CERTIFICATE

The Certificate does not represent an obligation of, or an interest in, National, the Trustee, or any Affiliates of each of them and no recourse may be had against any such parties or their assets, except as expressly set forth or contemplated herein or in the Trust Agreement. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections and recoveries with respect to the Trust Estate, all as more specifically set forth herein and under the Trust Agreement. A copy of the Trust Agreement may be examined by any Holder upon written request during normal business hours at the principal office of the Trustee and at such other places, if any, designated by the Trustee.

The Trust Agreement and the Standard Terms may not be amended, waived or supplemented without the prior written consent of National. The Trust Agreement and the Standard Terms may be amended, waived or supplemented from time to time by National and the Trustee without the consent of the Unitholders; provided, however, that no such amendment shall:

- a) reduce in any manner the amount of, or delay or accelerate the timing of, required distributions to any Unitholder without the written consent of the Holder of such Trust Unit;
- b) alter in any manner the treatment of any National Insurance Policy without the written consent of each Holder of Trust Units affected;
- c) alter in any manner the calculation or treatment of the Compounded Amount without the written consent of each Holder of Trust Units affected;
- d) amend Section 9.01 of the Standard Terms without the consent of the Holder of each Trust Unit;
- e) adversely affect in any other respect the interests of the Holders of any Class of Trust Units in any manner other than as described in a), b), or c) without the consent of the Holders of Trust Units of such Class evidencing at least a majority of such Class (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds), excluding, from both the numerator and the denominator, any Trust Units held by National;
- f) if such amendment affects the interests of the Unitholders of one or more Classes of Trust Units in any manner other than as described in (a), (b), or (c) and that is disproportionately adverse to the interests of the Unitholders of other Classes, the written consent of Holders of a majority of Trust Units of each Class of Trust Units (measured by outstanding Compounded Amount of the underlying Original COFINA Bonds) so affected, excluding, from both the numerator and the denominator, any Trust Units held by National; or

- g) reduce the aforesaid percentage of Trust Units the Holders of which are required to consent to any such amendment, without the unanimous written consent of such Holders of all Trust Units then outstanding.

As provided in the Trust Agreement and subject to certain limitations therein set forth, including the limitations set forth in Article V of the Standard Terms, the transfer of this Certificate is registrable in the Certificate Register upon the surrendering of this Certificate for registration of transfer at the offices or agencies of the Unit Registrar, accompanied by a written instrument of transfer in form satisfactory to the Unit Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon a new Certificate will be issued to the designated transferee. The initial Unit Registrar appointed under the Trust Agreement is the Trustee.

No service charge will be made for any such registration of transfer or exchange, but the Trustee or the Unit Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith or any expense incurred thereby.

The Trustee, the Paying Agent, the Unit Registrar and any agent of the Trustee, the Paying Agent, or the Unit Registrar may treat the Holder hereof as the owner hereof for all purposes, and none of the Trustee, the Paying Agent, the Unit Registrar or any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust shall terminate upon the payment to the Holders of the Certificates of all amounts required to be paid to them pursuant to the Trust Agreement, the disposition of all property held as part of the Trust Estate and payment of any costs, expenses and indemnities due and owing to the Trustees under the Trust Agreement.
